

Good Morning.

It is for sure, a Good Morning for me!

I am in Golden age, Live in the Golden State and now have a Golden Card.

Thank you very much for giving me the Honorary Gold Card.

I would like to thank everybody who helped me during my time in 728, and it was many people. It would take a lot of time to name them all.

I joined the 728 after having emigrated from Russia. It was a difficult time for my family, but your support was tremendous. It helped a lot, it helped us to survive. I appreciate it more than words can say.

I remember how Dave Lee, a gaffer on a TV show, where I got one day call, noticed my difficulty with English and learned a few Russian words to make me feel better.

I remember when on an exterior location we were setting lights along the street. Keith, another electrician on the show, let me put my light on a nearer spot but carried his light much farther.

I have many such memories!

In our local we call each other Brothers and Sisters.

And I feel that I was in the family, a Caring Family. I thank you for giving me a chance to be a member of this great family for almost thirty years.

Tanks again for everything you did for me.
