**AGREEMENT OF AUGUST 1, 2018
BETWEEN PRODUCER AND I.A.T.S.E. & M.P.T.A.A.C.
AND LOCAL #728 THEREOF**

THIS AGREEMENT, executed as of August 1, 2018 between the International Alliance of Theatrical Stage Employees and Moving Picture Technicians, Artists and Allied Crafts of the United States, its Territories and Canada (hereinafter referred to as the “IATSE”) and the

**STUDIO ELECTRICAL LIGHTING TECHNICIANS,
LOCAL #728**

(hereinafter referred to as the “Local Union”) of the International Alliance of Theatrical Stage Employees and Moving Picture Technicians, Artists and Allied Crafts of the United States, its Territories and Canada (both hereinafter referred to as the “Union”) and the following companies, separately and respectively:

THE ALLIANCE OF MOTION PICTURE AND TELEVISION PRODUCERS, ON BEHALF OF THE COMPANIES LISTED ON EXHIBIT “A” ATTACHED HERETO, ALL OF WHICH CONSTITUTE A SINGLE MULTI-EMPLOYER BARGAINING UNIT, (each hereinafter respectively referred to as the “Producer” and collectively referred to as the “Producers”), on the other hand.

In consideration of the mutual agreements herein contained, the parties hereto agree as follows:

ARTICLE 1. Scope of Agreement

This Agreement is made subject to the “Producer I.A.T.S.E. and M.P.T.A.A.C. Basic Agreement of 2018.”

This Agreement shall be applicable to the classifications of employees listed in the “Wage Scales, Hours of Employment and Working Conditions” set forth herein, employed by Producer to perform services in the County of Los Angeles, or hired by the Producer in the County of Los Angeles to perform services outside the said County, but within the limits of the United States, its territories and Canada.

In the event the Producer elects to and does employ a person in the County of Los Angeles, California to perform work outside the limits of the United States, its territories and Canada in any of the job

classifications covered hereunder, then the provisions of this Agreement shall apply to such person. However, such person and Producer may make any other agreement to apply to such employment, such as a “flat deal” contract, in the place and stead of the provisions of this Agreement, provided such other agreement requires not less than seventy-five (75) hours per week in pension and health contributions to be made on behalf of such person (which amount may be prorated for partial workweeks).

The term “employee,” as hereinafter used, shall be deemed to mean an employee subject to the terms and conditions of this Agreement.

ARTICLE 2. Recognition

The Producer recognizes the International Alliance of Theatrical Stage Employees and Moving Picture Technicians, Artists and Allied Crafts of the United States, its Territories and Canada as the exclusive collective bargaining representative of all employees employed by Producer in the classifications listed in this Agreement. The Union makes this Agreement on behalf of such employees, the majority of whom the Union warrants are members of the Union in good standing.

The Local Union represents that the terms of this Agreement have been submitted to its membership and have been duly approved thereby.

ARTICLE 3. Union Security

(a) (1) Each and every employee subject to this Agreement hired by the Producer to perform services in the County of Los Angeles, or hired by the Producer in the County of Los Angeles to perform services outside said County, shall be and remain a member in good standing of the Union on and after the date he is placed on the Industry Experience Roster or on the thirtieth day following his first day of employment or the effective date of this Agreement, whichever is the later. The foregoing requirements of union membership as a condition of employment shall be subject to the obligations of the parties under the law.

(2) As defined and applied in this Article 3(a), the term “member of the Union in good standing” means a person who offers to pay (and, if the Union accepts the offer, pays) Union initiation fees and dues as financial obligations in accordance with the requirements of the National Labor Relations Act.

(b) Within a reasonable time, but not to exceed three (3) days after receipt of written notice from the IATSE and/or the Local Union that any such then-employed employee is not a member as above required, and that such employee has been so notified in writing prior to such notice to Producer, the Producer shall discharge any such employee who fails to remedy such default within said three (3) days after Producer receives such notice. The Producer shall not be in default unless it fails to act, if necessary, within said time after receipt of such notice.

(c) Producer agrees to inform the Local Union of the name, residence address, social security number and date of employment of any employee subject to this Agreement within seven (7) days of such employee's first day of employment (excluding Saturdays, Sundays and holidays).

(d) In case of repeal or amendment of the Labor Management Relations Act of 1947, or in case of new legislation rendering permissible any union security to the Union greater than those specified in this Paragraph of this Agreement, then and in such event, such provisions shall automatically be deemed substituted in lieu thereof. In such event, and if permissible under law, the Union agrees to supply adequate, competent and qualified employees for the job requirements of the Producers in the crafts and classifications covered by this Agreement, and if the Union fails to do so, the Producer may secure such employees from any source.

ARTICLE 4. Wage Scales, Hours of Employment and Working Conditions

Wage scales, hours of employment and working conditions shall be as set forth in the "Wage Scales, Hours of Employment and Working Conditions" herein for employees employed on theatrical and television motion pictures recorded on film and on theatrical motion pictures and one-hour and long-form prime time¹ dramatic television motion pictures recorded digitally.

Wage scales shall be as set forth in this Agreement, and working conditions shall be as set forth in the Videotape Electronics Supplemental Basic Agreement ("Videotape Agreement"), for

¹ For purposes of this Agreement, "prime time" shall be defined as the hours between 8:00 p.m. and 11:00 p.m. in the Eastern and Pacific times zones from Monday through Saturday (one hour earlier in the Central and Mountain time zones) and between the hours of 7:00 p.m. and 11:00 p.m. in the Eastern and Pacific time zones on Sunday (one hour earlier in the Central and Mountain time zones).

employees employed on one-half hour prime time dramatic television motion pictures recorded digitally,² except that:

(a) Paragraphs 5 (“Night Premiums”) and 10 (“Call-backs”) of Section II (“Studio Working Conditions”) of this Agreement shall apply in lieu of Paragraph 16 (“Night Premiums”) and 28 (“Call-backs”) of the Videotape Agreement for employees employed on one-half hour single camera prime time dramatic television motion pictures recorded digitally;

(b) The special conditions set forth in Sideletter No. 1 to the Videotape Agreement shall apply to employees employed on one-half hour pilots recorded digitally;

(c) The special conditions set forth in Sideletter No. 2 to the Videotape Agreement shall apply to employees employed on one-half hour single camera prime time dramatic television series recorded digitally, the production of which commenced on or after October 1, 2006; and

(d) The special conditions set forth in Sideletter No. 4 to the Videotape Agreement shall apply to employees employed on one-half hour dramatic pilots or series recorded digitally that are made for basic cable.

ARTICLE 5. Better Conditions

Nothing in this Agreement shall prevent any individual from negotiating and obtaining from the Producer better conditions and terms of employment than those herein provided. Provided also, that the Producer, at its discretion, with or without Union consultation, may give any individual better conditions and terms than those herein provided.

Producer will notify the Union of the fact that it has executed any written personal service contract with any person subject to this Agreement, and will certify that such personal service contract conforms, at least, to the terms and conditions of this Agreement and that an extra copy of such contract has been furnished to the employee.

No such granting to any individual of better conditions and terms, if any, shall in any manner affect the conditions and terms herein provided, nor shall it be considered, in any manner, as a precedent for

² For sake of clarity, “situation comedies” recorded digitally for television are included within the meaning of “dramatic television motion pictures.”

granting better conditions and terms than those herein provided to any other individuals or job.

ARTICLE 6. Authority of Union and Producer

The Union and the Producer each agrees that it will not maintain nor adopt any Articles or By-laws or any rules or orders which will be in conflict with this Agreement.

ARTICLE 7. Grievance and Arbitration Procedure

In the event of any dispute between the Local Union or any of the persons subject to this Agreement and the Producer with regard to wage scales, hours of employment or working conditions or with regard to the interpretation of this Agreement concerning such provisions, the procedure, unless otherwise specifically provided herein, shall be as follows:

Step One - The aggrieved party shall mail or deliver to the other party a written notice of the claim and concurrently furnish a copy of such notice to the International Representative of the IATSE and Contract Services Administration Trust Fund. Such written notice shall contain the specific contract sections which are alleged to have been violated, the date(s) or approximate date(s) of the alleged violation(s), the facts on which the grievance is based, the name of the production (if any), the remedy sought and the names of the individuals aggrieved, when known, except for group claims for which the classifications of the individuals aggrieved, when known, shall be listed. The party which has received the grievance shall, within fifteen (15) working days after the grievance has been received, respond in writing to the aggrieved party, setting forth the reasons, if any, for the action(s) taken by it, which action(s) gave rise to the grievance. Copies of such written response shall also be furnished to the same parties served with the grievance. The representative of the Local Union and the designated representative of Producer shall immediately discuss the matter and the grievance shall be settled if at all possible. The decision, if any, of such representatives shall be final and binding upon the parties and any employees concerned.

A claim by the Local Union that the confirmation set forth in the second paragraph of Paragraph 6(a) of this Agreement has been violated by a Producer may be filed only upon the written approval of the West Coast office of the International Union. Such written approval shall accompany the claim.

If the party receiving the grievance fails to serve the written response as required by Step One, then the other party may elect to proceed directly to arbitration or to Step Two by serving a written demand upon the other party within five (5) working days after the written response was due.

Conciliation Committee

Step Two - If, within ten (10) working days after the response has been served, the parties fail to meet, or if the grievance is not settled, then the aggrieved party may proceed to Step Two, by delivering or mailing, within five (5) working days thereafter, a written demand, which shall include a statement of the particulars of the claim, upon the other party and upon the International Representative of the IATSE and CSATF. If neither party requests a Step Two conciliation meeting, then the aggrieved party may proceed directly to Step Three regarding expedited or regular arbitration, by serving a written demand upon the other party within the time periods set forth above. Failure of the aggrieved party to so serve such demand for a Step Two conciliation meeting or an arbitration shall constitute a waiver of the claim, unless the parties mutually stipulate otherwise in Step One.

If a demand for Step Two is so served, the grievance shall be brought before the Conciliation Committee as soon as practicable, but not later than twenty (20) working days following the receipt of such notice. The Conciliation Committee shall consist of an International Representative of the IATSE and a representative of CSATF.

The parties to the grievance shall be present and shall be responsible for the presentation of their own position at such time and place. If the aggrieved party fails to appear, then the grievance shall be considered as waived. If the responding party fails to appear, then the aggrieved party shall be entitled to proceed with the presentation of its position, and the Conciliation Committee, upon presentation of evidence showing a contract violation, shall have the authority to and shall issue an immediate final and binding award in favor of the aggrieved party, including an appropriate remedy.

If either party intends to appear, but does not intend to present any facts or arguments as to a defense or as to the claim, then such party shall so notify the other party as to such intention at least three (3) days prior to the conciliation meeting. In any event, either party may, at least three (3) days prior to the date of the Conciliation Committee meeting, cancel such Conciliation Committee meeting and the aggrieved party may proceed directly to arbitration under Step Three.

The AMPTP and the IATSE shall adopt written rules and procedures which shall be designed to foster to the maximum extent possible the exploratory and conciliatory nature of Step Two of this procedure.

The Conciliation Committee shall, at the beginning of the meeting, assist the parties in a good faith attempt to resolve the dispute. In the event the parties, identified as the Producer and the Union, are able to resolve the grievance with the assistance of the Conciliation Committee, the Conciliation Committee shall reduce the resolution of the grievance to writing as a binding determination on all parties. Such a determination shall be signed by the parties.

If the dispute is not resolved as provided above, then both parties at that time must declare whether they will be bound by a decision of the Conciliation Committee. If both parties agree to be bound, then the Conciliation Committee shall hear the evidence and arguments of the parties and shall render a decision, which may include a “no decision” award, which shall be final and binding on all the parties, including any individual grievant. Disputes involving jurisdiction or technological changes shall be specifically excluded from the jurisdiction of the Conciliation Committee.

The Conciliation Committee shall have the right, upon written request of either party, to refer the dispute back to the parties, without prejudice to the merits and without expanding the time limits for the filing of a grievance or a response, if the Conciliation Committee is of the opinion that either the written grievance or response does not meet the requirements set forth in Step One.

Step Three - If the parties do not agree that the Conciliation Committee’s recommendation will be final and binding on them or if the parties fail to resolve the grievance, or if the Conciliation Committee has issued a “no decision” award, then the parties may proceed to expedited arbitration or regular arbitration as provided below:

(a) Expedited Arbitration - The aggrieved party may elect to proceed to expedited arbitration within ten (10) working days following the Step Two meeting if no agreement has been reached by the parties, or within ten (10) working days following the cancellation of the Step Two meeting, but only in cases wherein the claim arises under Paragraph 68 involving disputes relating to the failure to follow studio seniority or industry seniority, and disputes arising under Paragraph 68 covering the discharge or discipline for cause of an employee subject to Paragraph 68 of the applicable West Coast Studio Local Agreements, or in cases wherein the claim for wage payments, adjustments and/or damages

consistent with the contract does not exceed fifteen thousand dollars (\$15,000). The aggrieved party may likewise proceed to expedited arbitration following Step Two over disputes with regard to only “WAGE SCALES, HOURS OF EMPLOYMENT, AND WORKING CONDITIONS” provision of the Agreement subject to this Article and provided the claim for damages does not exceed fifteen thousand dollars (\$15,000). Any other case may be submitted to expedited arbitration only by the mutual agreement of the parties.

Disputes involving jurisdiction or technological changes shall be specifically excluded from the jurisdiction of expedited arbitration.

Except as time limits are set forth in Paragraph 68, cases that are submitted to expedited arbitration shall be heard within ten (10) working days after the other party received the demand for expedited arbitration or within ten (10) working days after the other party gives notice of its agreement to proceed to expedited arbitration in cases in which the mutual agreement of the parties is required.

The Alliance of Motion Picture and Television Producers and the IATSE shall revise the list of arbitrators assigned to hear expedited arbitrations. The list shall consist of four (4) arbitrators and one (1) alternate with recognized experience as professional labor arbitrators as members of the standing panel of neutral arbitrators.

During the term of this Agreement, the parties may mutually add the names of additional persons to the panel of neutral arbitrators to either supplement the panel or replace persons no longer available to serve.

From the panel of names of the neutral arbitrators set forth above, the arbitrators shall be assigned, depending upon their availability, in rotation, to the cases as they arise. The parties may, by mutual consent, select an arbitrator out of rotation provided that notice of their selection is given to CSATF prior to the appointment of the arbitrator next in rotation.

The expedited arbitration hearing shall be presided over by a neutral arbitrator assigned from the panel of neutral arbitrators. The IATSE and CSATF shall schedule the grievances to be heard in order of receipt. The grievances must be heard by the assigned arbitrator unless that individual becomes unavailable, in which instance the next arbitrator in the rotation shall hear the grievance. If either party intends to be represented by outside counsel at the expedited arbitration hearing, then such party must notify the opposing party within two (2) working days after the hearing date for the expedited arbitration has been

determined. The parties, who may be represented by outside counsel, will not file post-hearing briefs, but may, prior to or during the hearing, present a written statement of the facts. If either party so desires, a stenographic record may be made and that party shall pay for the transcript. In such cases, the transcript shall be solely for the use of the party requesting it and shall not be used to delay a decision in the matter. The two preceding sentences shall not apply to roster placement nor roster removal arbitrations, for which no stenographic record shall be made. The neutral arbitrator shall have sole authority to rule on all motions and decide the case.

The writing of an opinion will be at the discretion of the neutral arbitrator. The decision of the arbitrator, which shall be issued orally and confirmed in writing if requested by either party at the conclusion of the hearing, or in writing within three (3) days from the conclusion of the hearing (the choice being at the sole discretion of the arbitrator) shall be final and binding upon the parties and any employees concerned. The neutral arbitrator shall have the power to determine only the specific grievance or dispute and, when appropriate, award wage adjustments or damages consistent with the contract, in an amount not to exceed fifteen thousand dollars (\$15,000), but shall not have the power to amend, modify or effect a change in any of the provisions of this Agreement, nor to determine jurisdictional or technological change disputes. The decision of the neutral arbitrator shall be non-precedential and his decision and/or opinion, if any, shall not be offered or admitted into evidence in any other proceeding other than: (1) a judicial action seeking confirmation, correction or vacation of said decision; or (2) a grievance or arbitration proceeding involving the same Producer and Local Union.

Fees and expenses of the arbitrator shall be borne equally by the parties to the dispute. All other costs shall be borne by the party incurring the same.

The bills of the arbitrator, together with a completed information form, shall be sent by the arbitrator to the IATSE and the Producer involved in the expedited arbitration with copies to CSATF. The information form shall be jointly prepared by the IATSE and CSATF.

The neutral arbitrator shall proceed to hear a dispute properly before him under this provision of expedited arbitration, notwithstanding the fact that a similar case may be pending in a regular arbitration.

(b) Regular Arbitration - The aggrieved party may elect to proceed to regular arbitration within ten (10) working days following the

Step Two meeting if no agreement has been reached by the parties or within ten (10) working days following the cancellation of the Step Two meeting.

The IATSE and the Producers agree to establish a panel of individuals with recognized experience as professional labor arbitrators as members of a standing panel of neutral arbitrators. The panel shall comprise an odd number of arbitrators.

If demand is served for regular arbitration, then the parties shall select a sole arbitrator to hear and determine the grievance by mutual agreement. If the parties cannot agree to the arbitrator to be appointed, then each party shall have the right to alternately strike an arbitrator's name from the panel until such time as one arbitrator is left and the remaining arbitrator shall be selected and appointed as the arbitrator in the proceedings.

The parties shall select the arbitrator within five (5) working days after the demand for regular arbitration has been served. The parties may, by mutual agreement, select the arbitrator outside of the panel of neutral arbitrators or utilize the list of arbitrators obtained from the Federal Mediation and Conciliation Service.

Such hearing shall be held within fourteen (14) days after the arbitrator is selected, at such time and place as the arbitrator shall determine. If the arbitrator so selected is unable or unwilling to undertake the arbitration within the time limit herein provided, another arbitrator shall be selected from such list. The decision of the arbitrator shall be rendered in writing, stating his reasons for the award, within thirty (30) days after the submission of the grievance for decision. The arbitrator's decision shall be final and binding upon the parties thereto and upon any employees concerned. The arbitrator shall have the power to determine the specific grievance or dispute, but shall not have the power to amend, modify or effect a change in any of the provisions of the Agreement, nor to determine jurisdictional disputes.

Fees and expenses of the arbitrator and cost of a court reporter and original transcript, when jointly requested, shall be borne equally by the parties to the dispute; otherwise, the party making such request shall pay for it. All other costs shall be borne by the party incurring same.

(c) Claims - Any claims for the payment of wages or severance pay, not presented under Step One within three hundred sixty-five (365) consecutive days after the employee is entitled to such wages or severance pay, shall be deemed to be waived. Any dispute as to the

correct amount of payment of holiday or vacation pay, not presented under Step One within three hundred sixty-five (365) consecutive days after March 15 of the calendar year next following the calendar year in which such holiday or vacation pay, as the case may be, was earned, shall be deemed to be waived.

Any other claim or grievance not presented under Step One, within (i) sixty (60) calendar days after the occurrence of the subject matter of the grievance or (ii) within sixty (60) calendar days after the employee or the Union has had a reasonable opportunity to become aware of the occurrence, whichever of (i) or (ii) is the later (but in any event not to exceed three hundred sixty-five (365) calendar days after the occurrence), shall be deemed to be waived. Time on distant location shall not be included in this period.

For the purpose of this Article, “aggrieved party” shall mean the Producer or the Union acting on its own behalf or on the behalf of an employee covered by this Agreement.

(d) In General - The time periods provided for herein may be extended by mutual written consent of the parties.

(e) Scheduling - In scheduling any grievance in Step Two or Step Three, preference shall be given to any grievance involving the discharge of an employee or a grievance involving the Industry Experience Roster.

(f) Disciplinary Memos - Disciplinary memos issued to an employee are admissible evidence in a grievance and/or arbitration proceeding. However, such disciplinary memoranda, other than those resulting in a suspension or discharge, issued more than two (2) years prior to the incident or events giving rise to said grievance shall not be admissible.

(g) An arbitration award issued in either expedited or regular arbitration proceedings or a final and binding award rendered in Step Two of the grievance procedure which requires the payment of a specific sum of money shall be paid within thirty (30) days of the date of the award. If payment is not made within said period, interest shall accrue on the sum(s) due from the date of the award at the rate of one percent (1%) per month.

If a calculation is required to determine the specific amount(s) due under the award, the Producer shall calculate such amount(s) and shall notify the other party of the specific sum(s) due within sixty (60) days of the date of the award. If such calculation is not

made or if notice is not given as required, interest shall accrue on the sum(s) due from the date of the award at a rate of one percent (1%) per month. If, after calculation, the parties disagree on the sum(s) due, or if the amount(s) due and owing under the award cannot be calculated within the sixty-day period as a result of factors beyond the control of the Producer, then no interest shall accrue upon the sum(s) due.

ARTICLE 8. Conflict With Laws

In the event that any provisions of this Agreement relating to the amounts and payment of wages or other financial benefits are affected by any legislation, decision of a court of competent jurisdiction or governmental regulation in such manner so that such wages or other financial benefits would be increased over, or decreased under, the amount intended to be paid by the parties hereto at the time of the execution of this Agreement, then each of the parties hereto agrees that upon written notice from the other party setting forth the provisions to be negotiated, they will renegotiate for modification of such provisions so that such provisions will conform to such legislation, decision of a court of competent jurisdiction or governmental regulation, as the case may be, and will provide, as nearly as possible, for payment of wages or other financial benefits in the amount intended to be paid by the parties hereto at the time of the execution hereof.

If the parties are unable to arrive at an agreement within thirty (30) days after delivery of such notice, then such provisions in question shall be immediately submitted to an Arbitration Committee composed of one member designated by the Producer, one member by the Union and an Impartial Chairman, to be selected by such other two (2) members within ten (10) days following such thirty-day period provided above. This Arbitration Committee shall promptly proceed to hear and settle such matter. The authority of this Arbitration Committee to decide shall be limited solely to determining the appropriate modifications of such provisions so that such provisions will conform to such legislation, decision of a court of competent jurisdiction or governmental regulation, as the case may be, and will provide, as nearly as possible, for the payment of wages and other financial benefits in the amount intended to be paid by the parties at the time of execution of this Agreement.

The terms and conditions of such appropriate modifications, if any, by the said Arbitration Committee, shall be effective and operative as of the date on which the provisions, so modified accordingly, were so affected by any such legislation, decision of a court of competent jurisdiction or governmental regulation, as the case may be, in such manner and to the extent as above described and provided. The amounts

and payments of wages or other financial benefits contained in such appropriate modifications, if any, made by such Arbitration Committee, shall be computed and paid thereunder retroactive to the effective date of such modifications. In the event that no such modifications can be made, as above provided, because of any legislation, decision of a court of competent jurisdiction or governmental regulation, Producer shall not be liable for any retroactive back pay adjustments, or any other penalty, if any such modification is thereafter permissible. The decision of the said Arbitration Committee shall be final and shall not be subject to the Grievance and Arbitration Procedure in Article 7 above, but its authority to decide shall be limited to the issue and remedy herein provided. The above procedure and conditions shall be the exclusive remedy for determining any dispute arising under this Article 8.

ARTICLE 11. Gender - Included Meanings

ARTICLE 12. California Sick Leave

(a) Accrual. Commencing July 1, 2015, eligible employees covered by the IATSE Basic Agreement shall accrue one (1) hour of paid sick leave for every thirty (30) hours worked in California for Producer, up to a maximum of forty-eight (48) hours or six (6) days. (In lieu of the foregoing hourly accrual of paid sick leave, and provided that advance notice is given to the employee, a Producer may elect to provide employees, upon their eligibility to use sick leave as provided below (*i.e.*, upon working thirty (30) days in California for the Producer and after their ninetieth (90th) day of employment in California with the Producer (based on days worked or guaranteed), with a bank of twenty-four (24) hours or three (3) days of sick leave per year, such year to be measured, as designated by the Producer, as either a calendar year or starting from the employee’s anniversary date. Under this elected option, such banked sick leave days may not be carried over to the following year.)

(b) To be eligible to accrue paid sick leave, the employee must have worked for the Producer for at least thirty (30) days in California within a one (1) year period, such year to be measured, as designated by the Producer, as either a calendar year or starting from the employee’s anniversary date. Sick leave may be used in minimum increments of four (4) hours upon oral or written request after the eligible employee has been employed by the Producer in California for ninety (90) days (based on days worked or guaranteed), such period to be measured, as designated by the Producer, as either a calendar year or starting from the employee’s anniversary date. Reasonable advance notification of the need for sick leave is required if the use is foreseeable; otherwise, notice is required as soon as practicable. Sick days accrued on an hourly basis shall carry over to the following year of employment; however, the Producer may limit the use of such accrued time to no more than twenty-four (24) hours or three (3) days during each year of employment as defined by the Employer in advance.

(c) For employees employed on an hourly or daily basis, a day of sick leave pay shall be equal to eight (8) hours' pay at the employee's straight time hourly rate. If a four (4) hour increment of sick leave is taken, the employee shall be paid four (4) hours of pay at his straight time hourly rate. For weekly employees (including "on-call" employees), a day of sick leave pay shall be equal to one-fifth (1/5th) of the employee's weekly rate under the studio minimum wage scales or one-sixth (1/6th) of the employee's weekly rate under the distant location minimum wage scales (or fifty percent (50%) thereof for a four (4) hour increment of sick leave taken). Replacements for weekly employees (including "on-call" employees) may be hired on a *pro rata* basis of the weekly rate regardless of any contrary provision in this Agreement. The employee shall not be required to find a replacement as a condition of exercising his right to paid sick leave.

(d) Sick leave may be taken for the diagnosis, care or treatment of an existing health condition of, or preventive care for, the employee or the employee's "family member."³ Sick leave also may be taken by an employee who is a victim of domestic violence, sexual assault or stalking.

(e) Accrued, unused sick leave is not paid out on termination, resignation or other separation from employment. If an employee is rehired by the Producer within one (1) year of the employee's separation from employment, the employee's accrued and unused sick leave shall be reinstated, and the employee may begin using the accrued sick leave upon rehire if the employee was previously eligible to use the sick leave or once the employee becomes eligible as provided above.

(f) Producer shall include in the employee's start paperwork the contact information for the designated Producer representative whom the employee may contact to confirm eligibility and the amount of accrued sick leave available. Such start paperwork shall also include information with respect to the year period (*i.e.*, calendar year or the employee's anniversary date) that the Producer selected to measure the thirty (30) day and ninety (90) day eligibility periods and the cap on accrual set forth in subparagraph (b) above or, alternatively, if the Producer elected to provide employees with a sick leave bank, the year period (*i.e.*, calendar year or the employee's anniversary date) that the Producer selected for the bank of three (3) sick days as provided in subparagraph

³ "Family member" means any of the following: (1) a biological, adopted or foster child, stepchild, legal ward or a child to whom the employee stands *in loco parentis*; (2) a biological, adoptive or foster parent, stepparent or legal guardian of the employee or the employee's spouse or registered domestic partner or a person who stood *in loco parentis* when the employee was a minor child; (3) a spouse; (4) a registered domestic partner; (5) a grandparent; (6) a grandchild; or (7) a sibling.

(a) above. Producer also shall notify the West Coast office of the IATSE of the name and contact information of the designated Producer representative.

(g) Any Producer that has a sick leave policy, or paid leave or paid time off policy that permits the use of paid sick time, as of June 30, 2015, may continue such policy in lieu of the foregoing. Nothing shall prevent a Producer from negotiating a sick leave policy with better terms and conditions. There shall be no discrimination or retaliation against any employee for exercising his or her right to use paid sick leave.

(h) Any dispute with respect to sick leave for employees covered under this Agreement shall be subject to the grievance and arbitration procedures provided herein.

(b) Overtime paid on a daily basis shall be computed at the Regular Basic Hourly Rate in effect when the overtime occurs.

(c) Overtime paid on a weekly basis shall be computed at the mean Regular Basic Hourly Rate.

(d) Night premiums shall be included as a part of the Regular Basic Hourly Rate in computing overtime.

(e) Meal delay penalties (Paragraph 20) and hazardous work allowances (Paragraph 52) shall be included as a part of the Regular Basic Hourly Rate in computing overtime required by the Fair Labor Standards Act.

8. Workweek; Sixth or Seventh Day Worked in an Employee's Workweek

(a) The regular studio workweek shall consist of any five (5) consecutive days out of any seven (7) consecutive days, commencing with the first of such five (5) days. However, the five (5) consecutive day requirement shall not apply upon the commencement of any regularly-scheduled five-day-per-week shift. (For example, on starting a new shift, a schedule that provides for an employee to work on Monday and Tuesday, with Wednesday and Thursday as the regular days off, and is followed by work on Friday through the following Tuesday does not violate the five (5) consecutive days requirement.)

(b) Time and one-half shall be paid for the employee's sixth day of work within a workweek. Double time shall be paid for the employee's seventh day of work within a workweek. If an employee works six (6) or seven (7) days within his workweek, the sixth or seventh day worked shall be subject to Paragraph 5, "Night Premiums." All employees are paid at their scheduled Regular Basic Hourly Rates. The minimum call is eight (8) hours.

In the event that any daily employee who is not on a regularly-scheduled workweek works six (6) days, starting with the first day worked, within a seven (7) consecutive day period, he shall be paid time and one-half for the sixth day worked.

If a weekly employee or a regularly-scheduled, five-day-per-week daily employee is required to work six (6) days in his workweek, the Producer shall make reasonable good faith efforts to schedule the employee to work on six (6) consecutive days. Any unresolved dispute as to whether the Producer has made such reasonable good faith efforts shall be submitted to the International President and the President of the AMPTP for resolution.

(c) Except as provided in this subparagraph, a workday starting on one calendar day and running into the next calendar day shall be credited to the first calendar day. The foregoing rule shall not apply in the following situations: (1) If an "on production" employee's fifth day of work in a workweek occurs on a Friday and his shift commences after 8:00 p.m. and overlaps into Saturday, he shall be paid time and one-half for the hours worked on Saturday; and (2) an employee whose work shift overlaps into a holiday or from a holiday into the next day shall be paid in accordance with the "Provisions for Holidays Worked" under this Agreement for those hours worked on the calendar holiday.

(d) The guaranteed pay of weekly employees who absent themselves without the Producer's consent may be reduced one-fifth (1/5) of the weekly guarantee for each day of absence.

(e) (1) In situations involving a change of schedule for regularly-scheduled employees, accommodations will be made, to the extent practicable, to avoid a reduction in the number of workdays for the employee, without requiring the employer to pay premium pay.

(2) The Producer shall give reasonable notice of a change of shift (*e.g.*, from a Monday through Friday shift to a Tuesday through Saturday shift) to regularly-scheduled employees. In the event that the employee would receive fewer than two (2) days off in the workweek as a result of the shift change, the following alternatives shall be available:

(i) As to "off production" employees:

(A) If the Producer and the employee so agree, the employee may work at straight time without having two (2) days off;

(B) The Producer may require employees to take an additional day off (and such scheduling shall not be deemed to constitute a prohibited relay call), thereby avoiding premium pay; or

(C) The Producer must pay the employee time and one-half if it requires the employee to work on the day which would otherwise be the employee's regularly-scheduled day off.

(ii) As to "on production" employees, once during the production of a motion picture, or in the case of episodic television, once between hiatus periods (*i.e.*, between the commencement or resumption of production and a cessation of principal photography for the series for at least one week), the Producer may shift the workweek for employees working on production without incurring extra costs, by adding one (1) or two (2) days off consecutive with the sixth and/or seventh days off in the prior workweek and/or by shifting a workweek commencing on a Tuesday to a workweek commencing on a Monday, provided that the intervening Sunday is a day off. Otherwise, the Producer must pay the employee appropriate premium pay if it requires the employee to work on the day(s) which would otherwise be the employee's regularly-scheduled day(s) off.

(iii) In addition to the shift outlined in subparagraph (ii) above, the IATSE agrees that it will not unreasonably deny a request to shift the workweek of production employees without incurring additional costs when a production travels to a new city.

(3) The Producer shall endeavor to make reasonable accommodations for regularly-scheduled employees on payroll who do not wish to change to a new shift that includes Saturday or Sunday as regularly-scheduled workday(s).

(f) The Producer shall not lay off and rehire the same employee within the same workweek for the purpose of avoiding premium pay.

(g) Assignments to regularly-scheduled, five-day-per-week shifts that include Saturday and/or Sunday shall be based upon seniority as required by Paragraph 68. If such positions cannot be filled on the basis of seniority, Producer shall solicit volunteers to work such shifts. In the event of an insufficient number of volunteers to fill such positions, the Producer may hire as provided in this Agreement.

(h) Employees who are not on the payroll of the Producer will not be taken off the roster for refusal to accept calls for work on Saturday and/or Sunday. In other cases, the exceptions to roster removal set forth in Paragraph 68 of this Agreement shall continue to apply.

(i) In the event an employee is absent on a regularly-scheduled workday and offers to work an additional day in such workweek to compensate for the day of absence, and the Producer accepts such offer, such employee shall be paid at straight time for such “make-up” day.

(j) In the event a holiday falls on an employee’s regularly-scheduled workday and the employee is not required to work on such holiday, but is required to work on either or both of his regularly-scheduled days off in that workweek, such employee shall be paid time and one-half if he works on one of such regularly-scheduled days off and, in addition, shall be paid double time if he also works on the second of such regularly-scheduled days off.

9. Holidays

(a) Work time on holidays shall be subject to Paragraph 5, “Night Premiums.” All employees are paid at their scheduled Regular Basic Hourly Rates. The minimum call for any day other than the sixth or seventh day in an employee’s workweek is as specified in Paragraph 1; the minimum call for the sixth day worked in an employee’s workweek is eight (8) hours.

An employee shall not be taken off a weekly schedule solely for the purpose of evading the holiday obligation under this Paragraph.

(b) New Year's Day, Presidents' Day (third Monday in February), Good Friday, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, the day after Thanksgiving and Christmas Day shall be recognized as holidays. Martin Luther King Day shall be added as a holiday if the Producers agree in negotiations with either the Directors Guild of America, the Screen Actors Guild–American Federation of Television and Radio Artists or the Basic Crafts Unions (*i.e.*, I.B.E.W., Local #40; Plumbers, Local #78; Teamsters, Local #399; Laborers, Local #724 and Plasterers, Local #755) to add same as an additional holiday.

If any of the above holidays falls on a Saturday, the preceding Friday shall be considered the holiday and if a holiday falls on Sunday, the following Monday shall be considered the holiday, except that on distant location, Saturday holidays will be recognized on Saturday.

For work performed in Canada, Producer may elect to observe the following Canadian holidays in lieu of the referenced holidays listed above:

- (1) Victoria Day in lieu of Memorial Day; and
- (2) Canada Day in lieu of Independence Day (July 4th);

provided that the two holidays are within the employee's period of employment and the Producer gives no less than two (2) weeks' notice to the affected employee, unless the employee has been employed fewer than two (2) weeks prior to the first of the two holidays, in which case the Producer will provide notice to the affected employee at the time of hire. When the employee has not been employed on the Canadian holiday set forth above, but is employed to work on the U.S. holiday, the employee shall be paid a premium for the corresponding U.S. holiday. The Union will not unreasonably deny requests to exchange other Canadian holidays for those listed above (such as Family Day in lieu of Presidents' Day or Easter Monday in lieu of Good Friday).

(c) Provisions for Holidays Not Worked

(1) Daily Employees

Effective in the period January 1, 2018 to and including December 31, 2018, in the period January 1, 2019 to and including December 31, 2019 and in the period January 1, 2020 to and including December 31, 2020, a Daily Schedule employee shall receive 3.719% of his annual straight work time earnings, including night premiums, as

payment for holidays not worked. Pay at straight time only for unworked holidays paid to Daily Schedule employees during distant location employment shall be offset against such employee's annual holiday compensation, computed as above.

(2) Employees temporarily employed under a daily schedule pending transfer to a cumulative weekly schedule at the beginning of the next full payroll week, and such employees temporarily employed under a daily schedule following transfer from a cumulative weekly schedule pending completion of assignment shall be paid an allowance for each holiday not worked in the regular studio workweek only during such daily schedule employment as follows:

(i) For studio employment, such employee shall receive one-fifth (1/5) of the weekly schedule guarantee.

(ii) For distant location employment, employee shall receive one-sixth (1/6) of the weekly schedule guarantee.

(3) Weekly Employees

Employee shall receive work time credit for each holiday not worked in an amount equal to the minimum call specified in the schedule under which employee is employed. Said amount shall be paid as compensation for readiness to perform services even though no actual work is required.

(d) Provisions for Holidays Worked

(1) Daily Employees shall receive double the Regular Basic Hourly Rate.

(2) As to Weekly Employees, hours worked shall be included as work time. In addition, employee shall receive pay at the Regular Basic Hourly Rate for the number of hours worked.

(e) The total amount of salary paid in the period January 1, 2018 to and including December 31, 2018, in the period January 1, 2019 to and including December 31, 2019 and in the period January 1, 2020 to and including December 31, 2020 to a Weekly Schedule employee hereunder for recognized holidays not worked shall be offset against an amount equal to 3.719% of such employee's accumulated weekly schedule earnings within the same period. The employee shall be paid the amount by which such 3.719% computation exceeds the amount of holiday pay such employee has received for such period for holidays not worked.

The foregoing shall be subject to the following provisions:

(1) “Weekly schedule of pay,” in the case of a Weekly Schedule employee with a basic hourly rate and a specified number of hours in the workweek, shall be deemed to mean the scheduled pay for such specified hours only. A day’s holiday pay for such schedule shall be considered as one-fifth ($1/5$) of such weekly schedule rate of pay for studio workweeks, and one-sixth ($1/6$) of such weekly schedule rate of pay for distant location workweeks.

(2) “Weekly schedule of pay,” in the case of an employee hired under the “On Call” schedule, shall be deemed to mean the pay rate specified in the wage scale, plus overscale payment, if any. A day’s holiday pay for such schedule shall be considered as one-fifth ($1/5$) of such weekly schedule rate of pay, plus overscale payment, if any, for studio workweeks, and one-sixth ($1/6$) of such rate of pay for distant location workweeks.

(3) Vacation pay, severance pay and premium pay for holidays actually worked shall be excluded from the applicable percentage computation required under this subparagraph (e) above.

(4) The applicable percentage computation described under this subparagraph (e) above shall not be applicable to any employee hereunder for any calendar year in which he is paid for nine (9) recognized holidays not worked.

(f) Presentation of Claim For Holiday and/or Vacation Pay

(1) Producers that currently pay for vacations and/or holidays on a weekly basis shall continue to adhere to their existing practice. Producers that currently make vacation and/or holiday payments pursuant to subparagraph (f)(2) below may instead elect on a production-by-production basis to pay on a weekly basis.

(2) Producers that currently pay for vacations and/or holidays at the end of the calendar year shall elect one of the following procedures for employees on layoff and for employees on payroll:

(i) With respect to employees on layoff:

(A) On or after March 15 of the year following the calendar year in which vacation and/or holiday pay was earned, the Producer shall either:

(1) mail or deliver to such employee his vacation and/or holiday pay; or

(2) notify each such employee that he should claim his vacation and/or holiday pay pursuant to the provisions of this Agreement.

(B) In the event the Producer mails the employee's vacation and/or holiday paycheck and it is returned or if the employee fails, within thirty (30) days following the date of mailing of the notice referred to in subparagraph (f)(2)(i)(A)(2) above, to claim his/her vacation and/or holiday pay, the Producer shall notify the Local Union of the names of those employees who have not claimed vacation and/or holiday pay. In the case of employees whose checks were returned, the Producer shall also forward the returned check(s) to the Local Union.

(C) The Local Union shall endeavor to locate any employee who has not claimed his vacation and/or holiday pay. If it does so, it shall forward to the employee his check or otherwise advise the employee of the department of the Producer to contact to claim such pay.

(D) If the Local Union is unable, within thirty (30) days following the receipt of the notice referred to in subparagraph (f)(2)(i)(B) above, to locate such employee(s), the Local Union shall so advise the Producer and return any unclaimed check(s) to the Producer.

(E) On or about March 15 of the second calendar year following the year in which vacation and/or holiday pay was earned ("the second calendar year"), employees who have not claimed their vacation and/or holiday pay will be notified that unless claimed by July 15 of that year, such pay will be sent to the Motion Picture Industry Pension Plan. On or about May 15 of the second calendar year, Producer will furnish to the Local Union a list showing the names of those employees who have not claimed vacation and/or holiday pay and the amount of vacation and/or holiday pay due to each, together with a notice that unless claimed by July 15, such vacation and/or holiday pay will be sent to the Motion Picture Industry Pension Plan.

(F) On or about July 15 of the second calendar year, unclaimed vacation and/or holiday pay will be contributed to the Motion Picture Industry Pension Plan and credited to the appropriate employee pension plan account. Money so contributed shall not be returned to the employee and shall fully discharge the Producer's and the

Local Union's obligations hereunder to the employee with respect to the payment of holiday and/or vacation pay.

(ii) With respect to employees on payroll:

(A) On or after March 15 of the year following the calendar year in which vacation and/or holiday pay was earned, the Producer shall either:

(1) mail or deliver to such employee his vacation and/or holiday pay; or

(2) notify each such employee that he should request holiday pay pursuant to the provisions of this Agreement and schedule his vacation according to this Agreement.

(B) In the event the employee fails to request such holiday pay and/or to schedule his vacation within thirty (30) days after the date of mailing of the notice referred to in subparagraph (f)(2)(ii)(A)(2) above, the Producer shall notify the Local Union of the names of those employees who have not claimed such pay and/or scheduled their vacation.

(C) The Local Union shall, within thirty (30) days after receipt of the notice referred to in subparagraph (f)(2)(ii)(B) above, endeavor to notify the employee and advise him to claim holiday pay and to schedule his vacation.

(D) On or about March 15 of the second calendar year, employees who have not claimed their vacation and/or holiday pay will be notified that unless claimed by July 15 of that year, such pay will be sent to the Motion Picture Industry Pension Plan. On or about May 15 of the second calendar year, Producer will furnish to the Local Union a list showing the names of those employees who have not claimed vacation and/or holiday pay and the amount of vacation and/or holiday pay due to each, together with a notice that unless claimed by July 15, such holiday and/or vacation pay will be sent to the Motion Picture Industry Pension Plan.

(E) On or about July 15 of the second calendar year, unclaimed vacation and/or holiday pay will be contributed to the Motion Picture Industry Pension Plan and credited to the appropriate employee pension plan account. Money so contributed shall not be returned to the employee and shall fully discharge the Producer's and Local Union's obligations hereunder with respect to the payment of vacation and/or holiday pay.

(3) New signatory Producers shall adhere to the practice of paying vacation and holiday pay currently on a weekly basis unless other arrangements are made by them with the IATSE.

10. Call-backs

(a) (1) (i) The rest period for “On Production” employees, and for “Off Production” employees assigned to a production, shall be as provided in Paragraph 10(a)(1)(ii) below when such employees are employed on a part of a mini-series or on an episode of a series described in subparagraphs (A), (B) or (C) below, which part or episode commences principal photography on or after January 8, 2019:

(A) Any mini-series made for free or pay television or basic cable or that meets the definition of a “Mid-Budget SVOD” Series or a “High Budget SVOD” Series (as defined in Paragraphs D.(2) or G.(2), respectively, of the Sideletter re Productions Made for New Media) (hereafter “Mid-Budget SVOD” Series or “High Budget SVOD” Series); or

(B) Any one-hour episodic series made for free or pay television or basic cable or a 36 to 65 minute “Mid-Budget SVOD” or “High Budget SVOD” episodic series that is in its second or subsequent season of production; or

(C) Any one-half hour single camera episodic series made for free or pay television or basic cable or a 20 to 35 minute single camera “Mid-Budget SVOD” or “High Budget SVOD” episodic series that is in its second or subsequent season of production.

(ii) (A) The rest period shall be ten (10) hours following dismissal when employed at a studio. If the foregoing rest period is invaded by no more than one (1) hour for an “On Production” employee (or no more than two (2) hours for an “Off Production” employee assigned to a production), the employee shall be paid additional straight time for all such invaded time. If the foregoing rest period is invaded by more than one (1) hour for an “On Production” employee (or by more than two (2) hours for an “Off Production” employee assigned to a production), then the penalty shall be as provided in Paragraph 11(b) below.

(B) The rest period shall be ten (10) hours following dismissal from a location within the studio zone. The penalty for an invasion of the foregoing rest period shall be as provided in Paragraph 11(b) below.

(C) The rest period shall be ten (10) hours from the time the employee is deemed to have reached the perimeter of the thirty-mile zone for employees working in the secondary studio zone. The penalty for an invasion of the foregoing rest period shall be as provided in Paragraph 11(b) below.

(D) The rest period shall be ten (10) hours from the time the employee is deemed to have reached the place of reporting when working on a nearby location outside the secondary studio zone. If the foregoing rest period is invaded by no more than one (1) hour for an “On Production” employee (or no more than two (2) hours for an “Off Production” employee assigned to a production), the employee shall be paid additional straight time for all such invaded time. If the foregoing rest period is invaded by more than one (1) hour for an “On Production” employee (or by more than two (2) hours for an “Off Production” employee assigned to a production), then the penalty shall be as provided in Paragraph 11(b) below.

(2) The rest period for “On Production” employees and for “Off Production” employees assigned to a theatrical motion picture or a long-form television motion picture that commences principal photography on or after January 8, 2019 who work fourteen (14) or more hours on two (2) consecutive days for the same Producer on the same production shall be ten (10) hours on the second consecutive day so worked and continuing each day thereafter that the employee works for the same Producer on the same production until the employee either works a day of fewer than fourteen (14) hours or the employee has a day off.

The rest period shall be measured from dismissal when the employee is employed in the studio or studio zone, from the time the employee is deemed to have reached the perimeter of the thirty-mile zone for employees working in the secondary studio zone or from the time the employee is deemed to have reached the place of reporting when working on a nearby location.

If the foregoing rest period is invaded by no more than one (1) hour for an “On Production” employee (or no more than two (2) hours for an “Off Production” employee assigned to a production) following dismissal from a studio or nearby location, the employee shall be paid additional straight time for all such invaded time. Otherwise, the penalty shall be as provided in Paragraph 11(b) below.

(3) Rest periods following dismissal shall be eight (8) hours for “Off Production” employees, except that for “Off Production” employees who report for work outside a studio but within the studio

zone (or secondary studio zone), the rest period shall be ten (10) hours; nine (9) hours for “On Production” employees at the studio; ten (10) hours following any day worked within the studio zone (or secondary studio zone) for an employee who reports for work outside a studio but within the studio zone (or secondary studio zone); nine (9) hours for “On Production” employees on nearby locations; and eight (8) hours for “Off Production” employees on nearby locations:

(i) when those employees are employed on a pilot, the first season of a one-hour episodic series made for free or pay television or basic cable or a 36 to 65 minute “Mid-Budget SVOD” or “High Budget SVOD” episodic series or the first season of a one-half hour single camera episodic series made for free or pay television or basic cable or a 20 to 35 minute single camera “Mid-Budget SVOD” or “High Budget SVOD” episodic series;

(ii) when those employees are assigned to a theatrical motion picture or a long-form television motion picture and work fewer than fourteen (14) hours on two (2) consecutive days for the same Producer on the same production (*i.e.*, employees who do not qualify for the rest period set forth in subparagraph (a)(2) above);

(iii) for “Off Production” employees not assigned to a production;

(iv) before the effective date of the rest period provisions in subparagraphs (a)(1) or (2) above (*i.e.*, during the period between August 1, 2018 and January 7, 2019); and

(v) in any circumstance not covered by subparagraph (a)(1) or (2) above.

(b) Intervening time of less than five (5) hours between dismissal and call-back for work shall be work time; intervening time of five (5) or more hours shall not be work time. When intervening time is less than five (5) hours, such time may be applied as part of the “call-back” guarantee. All employees are paid at their scheduled Regular Basic Hourly Rates.

Minimum Guarantees for “Call-backs” During Rest Period Following Dismissal		
Classification	Any Day Other than a Holiday or the Sixth or Seventh Day Worked in an Employee’s Workweek	Sixth or Seventh Day Worked in an Employee’s Workweek and Holidays*
Daily Employees	4 hours at 1½; 1½ thereafter	3 hours at double time; double time thereafter
Weekly Employees	½ minimum call	½ minimum call

* The above “call-back” guarantees for the sixth or seventh day worked in an employee’s workweek or holiday do not apply when employee reports to work on such days within the appropriate rest period following dismissal from work starting on the previous day. In such event, the “call-back” guarantee is the minimum call in hours as specified in Paragraph 1.

(c) By way of clarification, the parties agree that forced calls are triggered by time worked, rather than by time paid.

11. Golden Hour Provisions

(a) (1) All time worked at a studio zone (or secondary studio zone) location⁴ or nearby location, including a combination of work in the same shift of work between a studio and any of such locations in excess of fourteen (14) consecutive hours (including meal periods) from the time of reporting for work shall be Golden Hours and shall be paid for at the following rates:

Occurring on Any Day Other than a Holiday or the Sixth or Seventh Day Worked in an Employee’s Studio Workweek: Two (2) times the scheduled Regular Basic Hourly Rate.

Occurring on the Sixth Day Worked in an Employee’s Studio Workweek: Three (3) times the scheduled Regular Basic Hourly Rate.

Occurring on the Seventh Day Worked in an Employee’s Studio Workweek or Holiday: Four (4) times the scheduled Regular Basic Hourly Rate.

⁴ See Paragraph 21(d)(2) for the Golden Hour rules that apply when an employee reports for work outside a studio and within the studio zone or secondary studio zone location.

(2) In a shift of work all of which occurs solely on the premises in a studio, all time worked in excess of twelve (12) consecutive hours (including meal period) from the time of reporting for work shall be Golden Hours and shall be paid at the following rates:

Occurring on Any Day Other than a Holiday or the Sixth or Seventh Day Worked in an Employee's Studio Workweek: Two (2) times the scheduled Regular Basic Hourly Rate.

Occurring on the Sixth Day Worked in an Employee's Studio Workweek: Three (3) times the scheduled Regular Basic Hourly Rate.

Occurring on the Seventh Day Worked in an Employee's Studio Workweek or holiday: Four (4) times the scheduled Regular Basic Hourly Rate.

(3) For "on production" employees only who are employed on television productions and whose shift of work occurs solely on the premises in a studio, or at a studio zone (or secondary studio zone) location, or at a nearby location, or at a combination of a studio and a studio zone (or secondary studio zone) and/or nearby location, Golden Hours as provided in subparagraphs (1) and (2) above and in Paragraph 21(d)(2) shall be based on hours worked, rather than elapsed. For example, if such an employee works solely at a studio, all time worked in excess of twelve (12) work hours shall be Golden Hours and shall be paid for in accordance with subparagraph (2) above.

(b) Except as provided in Paragraph 10(a)(1) and (2), once an employee is on Golden Hours, all work time thereafter (including meal periods, but excluding interruptions as defined below) shall be paid for at the applicable Golden Hour rate until the employee shall have received a rest period of not less than eight (8) consecutive hours. (Deductible meal periods shall not be included in work time which is to be paid for at the applicable Golden Hour rate for "on production" employees employed on television productions whose shift of work occurs solely on the premises in a studio, at a studio zone (or secondary studio zone) location, at a nearby location, or at a combination of a studio and a studio zone (or secondary studio zone) and/or nearby location.)

If an employee reaches the Golden Hour rate applicable to the seventh day worked and continues to work past midnight on such seventh day worked, such rate shall apply until the employee is dismissed for a period of five (5) or more consecutive hours. If such dismissal is for five (5) or more hours but less than eight (8) hours, the

employee shall revert to the regular weekday Golden Hour rate until he is dismissed for a period of eight (8) consecutive hours.

(c) To determine (1) when Golden Hours begin or (2) the number of Golden Hours to be paid for once Golden Hours have begun, the following provisions shall apply:

WHEN INTERVENING TIME BETWEEN DISMISSAL AND CALL-BACK TO WORK IS LESS THAN FIVE (5) HOURS	WHEN INTERVENING TIME BETWEEN DISMISSAL AND CALL-BACK TO WORK IS BETWEEN FIVE (5) HOURS AND THE END OF THE APPLICABLE REST PERIOD IN PARAGRAPH 10(a) (OTHER THAN AS PROVIDED IN PARAGRAPHS 10(a)(1)(ii)(A) AND (C) AND 10(a)(2) FOR INVADED HOURS ONLY)	WHEN INTERVENING TIME BETWEEN DISMISSAL AND CALL-BACK IS PAID AT INVADED HOURS ONLY UNDER PARAGRAPHS 10(a)(1)(ii)(A) AND (C) AND 10(a)(2)	WHEN INTERVENING TIME BETWEEN DISMISSAL AND CALL-BACK EXCEEDS THE APPLICABLE REST PERIOD
(Work time)	(Interruption)	(Invaded by One (1) Hour or Less for “On Production” Employees or Two (2) Hours or Less for “Off Production” Employees Assigned to a Production under Paragraphs 10(a)(1)(ii)(A) and (C) and 10(a)(2))	(Full Rest Period)
Intervening time is work time and is added to previous and subsequent work time.	Intervening time is not work time, but previous and subsequent work time are added together to determine (1) and (2) above.	Intervening time breaks accumulation of hours toward the Golden Hour point and stops Golden Hours if once begun; invaded hours paid at additional straight time.	Intervening time breaks accumulation of hours toward the Golden Hour point and stops Golden Hours if once begun.

(d) No Clause.

(e) Compensation for Golden Hours shall be used only to pay for Golden Hours and shall supersede and replace any other compensation for work time during Golden Hours. However, in the event of a forced call, Golden Hours may be used to fulfill minimum call guarantees on the day(s) of the forced call.

12. Interchange of Job Classifications

(a) Any employee may be required to perform work in any job classification listed in the wage scale (Paragraph 1), subject to the following provisions with respect to the Running Repair Technician classification:

(1) Producer may assign an employee as a Running Repair Technician to serve a particular shooting company, and such employee may work in both the Electrical Lighting Technician and/or Running Repair Technician classifications on that shooting company.

(2) Producer may assign an employee as a Running Repair Technician to service several shooting companies on the same day. In such event, the Running Repair Technician shall not work as an Electrical Lighting Technician on the day he is so assigned.

(3) The assignment of an employee, or the reclassification of an Electrical Lighting Technician, as a Running Repair Technician, to service a shooting company or companies, as above provided (whether in the studio or on nearby location or distant location), shall be made at the discretion of the Producer. If Producer, in its discretion, has made such an assignment for the studio or nearby location, such assignment shall be on a day-to-day basis. If Producer, in its discretion, has so assigned such a Running Repair Technician to so service electrical lighting equipment on a particular distant location, then in such event, as long as Producer employs any Electrical Lighting Technician or Electrical Lighting Technicians to operate lamps on such distant location, one of such Electrical Lighting Technicians, or the last remaining such Electrical Lighting Technician, shall continue to be the person so assigned by Producer as a Running Repair Technician, as above provided, to work as a combination Electrical Lighting Technician and/or Running Repair Technician.

(b) For work time in a classification higher than employee's current classification, the provisions of Paragraph 13 shall apply.

(c) Work time in either a higher or a lower classification shall be credited to fulfill the minimum call of the current classification.

(d) The Producers agree to arrange for a meeting between representatives of the Union and Industrial Relations representatives and production executives of the Producers to more fully discuss the issues involved.

13. Working in Higher Classification

If any part of the workday is worked at a higher classification than the classification under which the employee is called for work, the higher rate shall prevail for the entire workday. The employee reverts to his regular classification the next day unless notified to the contrary. However, the provisions of this Paragraph do not apply unless the employee is assigned to work in the higher classification for two (2) hours or more.

14. Layoff Provisions

This provision applies to “Off Production” employees only.

(a) Any employee not personally notified of his discharge at the end of his shift, who reports for work at his next regular shift, shall be considered as having been called for a minimum call. Shifts commencing on days that would otherwise be the sixth or seventh day worked in the employee’s workweek shall not be considered as regular shifts.

(b) No calls may be cancelled after an employee has been dismissed for the day and has left the studio premises.

14.1 Layoff

The right to employ and terminate employees shall remain with the Producer and with the Unit Production Manager as the Producer’s representative.

15. Change and Cancellation of Calls

(a) For “On Production” employees:

(1) If, at the time of a call, the employee called is not on the employer's payroll, such call may not be cancelled.

(2) No calls may be cancelled after an employee has been dismissed for the day and has left the work site.

(3) Calls may be cancelled or changed (except as provided in subparagraphs (1) and (2) above) if made: (i) before 8:00 p.m. of the day preceding the call; or (ii) with six (6) hours' notice on the day of the call, provided such notice is given after 7:00 a.m. on the day of the call.

(4) In addition to (3) above, calls may be pushed to a later hour provided that the employee receives at least nine (9) hours' notice of the new call time.

For example, an "on production" employee working at the studio is dismissed at 8:00 p.m. and given a call time of 7:00 a.m. for the next day. The Producer wishes to push the employee's call time to 9:00 a.m. The Producer may change the employee's call time to 9:00 a.m. by giving the employee notice of the change prior to midnight.

(b) For "Off Production" employees:

(1) Calls for Weekly Schedule employees for the sixth or seventh day worked in the employee's workweek may be cancelled before 8:00 p.m. on the day preceding the day of the call.

(2) The employee and the Union shall be notified of layoff and/or work call at the earliest time reasonably possible.

In order to implement this policy, upon the request of any Business Agent, a joint meeting will be arranged with the appropriate Executive, the Labor Relations Manager and the Producer's Department Head to discuss the above policy as applied to the Union.

If, subsequent to such meeting, the Union at any time believes that the notification policy is not being administered properly, it will discuss the matter with the Producer's Labor Relations Manager.

If the Union is not satisfied with the results following its discussion with the Labor Relations Manager, it may refer the matter to the Industry-Union Standing Committee.

(3) If, at the time of a call, the employee called is not on the employer's payroll, such call may not be cancelled.

16. No Clause.

17. Time Cards and Computation of Work Time

(a) The employee's classification and wage schedule, starting and finishing time, deductible meal periods, rate changes and penalties, if any, shall be shown on his time card. Any items changed after time card is approved must be reviewed by the employee.

(b) Work time shall be computed from time ordered to report at department headquarters until dismissed at department headquarters.

(c) The IATSE and an individual Producer may agree to relocate the time clock at a place other than an employee's department headquarters. The IATSE shall not unreasonably deny a request for relocation; provided, however, not more than one such request shall be made during the term of this Agreement. In the event of a dispute as to relocation of a time clock, the matter shall be submitted to the President of the IATSE and the President of the AMPTP for resolution.

When a designated time clock is established at a place other than an employee's department headquarters, work time shall be computed from the time the employee is ordered to report to the designated time clock location until dismissed at same location. Employees shall be given sufficient time to travel to and from such designated time clock and their department headquarters and work site.

(d) All time shall be computed in one-tenth hour (six minute) periods.

18. Stand-by Calls

There shall be no stand-by or relay calls. Holidays or days that would otherwise constitute the sixth or seventh day worked in the employee's workweek are not considered regular days of work. When an employee is dismissed on the fifth day worked in his workweek with a call for work on the first day of the following workweek, it shall not be considered a relay or stand-by call.

The parties agree that the relay call prohibition shall not apply when an employee is not required to report to work on the day immediately prior to or following a holiday, which day would otherwise be a regularly-scheduled workday. For example, suppose an employee ordinarily works on a Monday through Friday schedule and December 25 (the Christmas holiday) falls on a Thursday. If the employee is not required to report to work on Friday, he may be given a call for the following Monday (December 29). As a further example, suppose the same facts as above except that Christmas falls on a Tuesday. If the

employee is not required to work on the preceding Monday (December 24), he may be given a call on the preceding Friday (December 21) to return to work on Wednesday (December 26).

19. Pay-off Requirements

(a) The regular pay day will be on Thursday (holiday weeks excluded). When employee is laid off and requests pay at time of layoff, he shall be paid within twenty-four (24) hours, excluding Saturdays, Sundays and holidays.

(b) If, due to the fault of the Producer, an employee does not receive wages or salary on a timely basis, the Producer shall, within three (3) days after being so notified by the employee, issue a check in payment of same to the employee.

(c) The Producer agrees to use its best efforts to break down overtime payments on the employee's pay check stub and to show amounts paid as meal penalties.

20. Meal Periods and Meals

Meal period provisions below apply to both "On Production" and "Off Production" employees.

(a) Meal periods shall be not less than one-half ($\frac{1}{2}$) hour nor more than one (1) hour in length. Not more than one (1) meal period shall be deducted from work time for an employee during the minimum call. A second meal period may be deducted from work time for those employees who work in excess of the minimum call. The minimum guarantee of work time after an evening meal shall be one and one-half ($1\frac{1}{2}$) hours. This guarantee does not apply when such meal is supplied at the Producer's expense.

The Producers and the IATSE agree that they will work with the DGA in an effort to ensure that meal periods are called at the contractually-prescribed time for employees working on television motion pictures in a studio.

(b) The employee's first meal period shall commence within six (6) hours following the time of first call for the day; succeeding meal periods for the same employee shall commence within six (6) hours after the end of the preceding meal period. A twelve (12) minute grace period may be called for production efficiency prior to imposition of any meal penalty. Such grace period shall not be scheduled nor automatic nor is it intended for everyday use. The twelve (12) minute grace period may not

be utilized when the meal period has been extended as permitted by subparagraph (c) below. An employee's first meal period shall commence no earlier than two (2) hours after such employee reports for work, except as provided in subparagraph (d) below.

Upon the Local Union filing a claim that the Producer has violated the foregoing, it shall immediately notify the designated representative of the Producer. The Local Union and such representative of the Producer shall meet or confer in an attempt to resolve the dispute. In the event that no resolution is reached during such meeting or conference, the Local Union or the Producer may, within three (3) business days, request a hearing before a Special Committee consisting of three (3) representatives designated by the AMPTP and three (3) representatives designated by the IATSE.

The Special Committee shall investigate the facts of the case and mediate the dispute. In the event that the Special Committee is unable, through mediation, to achieve a resolution satisfactory to all parties, then the Local Union may proceed to arbitration.

(c) The meal interval may be extended one-half ($\frac{1}{2}$) hour without penalty when used for wrapping-up or to complete the camera take(s) in progress, until print quality is achieved. Such extension shall not be scheduled nor automatic. In the case of Gang Bosses and/or other "Off Production" employees who normally overlap shifts, the meal interval will be extended not to exceed one-half ($\frac{1}{2}$) hour without penalty.

(d) If any member of the company after commencement of work time is given a reasonable hot breakfast, without deducting the time spent in eating (30 minutes) from work time, then the first meal may be six (6) hours after such breakfast, except that when such breakfast is given within one (1) hour of the general crew call (either before or after), the first meal for such employee shall be due at the same time as a meal is due for the general crew. The parties hereby confirm that the reference to "a reasonable hot breakfast" means a meal appropriate to the time of day.

(e) When an "On Production" employee is away from home studio, Producer will supply meals (except when work is at another studio which has adequate meal facilities).

(f) When an "Off Production" employee on a nearby location is required to work where convenient meal facilities are lacking, the Producer will furnish meals unless employee is notified the night before reporting for work that he is to work where such facilities are lacking.

However, in no event shall such employee be required to furnish more than one meal per day.

(g) When the Producer furnishes meals to a shooting unit, off any lot, and an “Off Production” crew is working on the same site at the same time for the same unit, the Producer will likewise furnish meals to the “Off Production” crew.

(h) (1) Except as provided in subparagraph (2) below, the meal penalty for delayed meals shall be computed as follows:

First one-half ($\frac{1}{2}$) hour meal delay or fraction thereof.	\$ 7.50
Second one-half ($\frac{1}{2}$) hour meal delay or fraction thereof.	\$10.00
Third and each succeeding one-half ($\frac{1}{2}$) hour meal delay or fraction thereof.	\$12.50

(2) The meal penalty for delayed meals for employees employed on television motion pictures shooting in a studio shall be computed as follows:

First one-half ($\frac{1}{2}$) hour meal delay or fraction thereof.	\$ 8.50
Second one-half ($\frac{1}{2}$) hour meal delay or fraction thereof.	\$11.00
Third and each succeeding one-half ($\frac{1}{2}$) hour meal delay or fraction thereof.	\$13.50

Such allowances shall be in addition to the compensation for work time during the delay and shall not be applied as part of any guarantee.

(i) As an alternative to the foregoing provisions of this Paragraph as they relate to “on production” employees, the Producer, at its option, may institute “French hours” on a daily basis for “on production” employees, with the approval of a majority of the IATSE-represented crew. An employee’s consent to the use of a “French hours” meal system shall not be a condition of employment.

III. STUDIO ZONE AND SECONDARY STUDIO ZONE DEFINITIONS AND WORKING CONDITIONS

21. Studio Zone

(a) Studio Zone Defined

The studio zone shall be the area within a circle thirty (30) miles in radius from Beverly Boulevard and La Cienega Boulevard, Los Angeles, California and includes Agua Dulce, Castaic (including Lake Castaic), Leo Carillo State Beach, Ontario International Airport, Piru and Pomona (including the Los Angeles County Fair Grounds). The Metro-Goldwyn-Mayer, Inc. Conejo Ranch property shall be considered as within the studio zone. (See Exhibit "Z" attached.)

(b) Work Time

Studio rates and working conditions shall prevail for all work performed within the studio zone; however, for newly-called employees and those employees notified on the previous day prior to their departure from the studio (or the zone location) to report at the zone location, work time shall begin and end at the zone location; otherwise, work time shall begin and end at the studio. Such work time includes travel time both ways between the studio and the zone location.

(c) Transportation Within the Studio Zone

Except as is otherwise provided herein, with respect to work at any studio zone location, Producer shall either furnish transportation to the employee or, at its option, may require employee to report at such location, in which case it will allow mileage of thirty cents (30¢) per mile computed between the studio and zone location and return. This allowance is to be paid on the employee's pay check that covers the payroll week in which the mileage was incurred. Employee shall not be requested to transport other employees or equipment (other than trade tools). The studio shall have the right to require the employee to report (subject to the same mileage allowance between the studio and the pick-up point) at a pick-up point within the studio zone for subsequent transportation furnished by the studio from such pick-up point to nearby location and return to the pick-up point. Work at another studio is not a "zone location." The IATSE will not unreasonably deny a request for waiver of the mileage allowance for employees who report to a "zone location" which is a regular place of employment for a production. As to theatrical motion pictures only, the Producer shall not be required to pay a mileage allowance to any employee reporting to a "zone location" within Los Angeles County which is within a ten (10) mile radius from a

point to be designated by the Producer. Commencing outside the ten (10) mile radius, a mileage allowance will be paid as provided above. Secured parking will be provided at such location as hereinafter required in this provision.

(d) Reporting Within the Zone

As to an employee reporting to a designated site within the studio zone:

(1) If there are any moves required in the studio zone from one location to another, the employees will be transported to and from such other location.

(2) Golden Hours

When this provision applies, if an employee reports for work outside a studio and within the studio zone, the “Golden Hour” pay rates will commence after twelve (12) elapsed hours, except that on television productions, “Golden Hour” pay rates for “on production” employees shall commence after twelve (12) hours worked as provided in Paragraph 11(a)(3).

(e) Courtesy Housing – Upon request of an employee who is required to work in excess of fourteen (14) hours in the Los Angeles studio zone and who advises the Producer that he/she is too tired to drive home safely, Producer shall provide the employee either courtesy housing or round trip transportation from the designated crew parking area to home and return at the Producer's expense. Producer shall have no responsibility for the personal vehicle of an employee who elected to use his or her personal vehicle in lieu of Producer-provided transportation.

(f) Parking Facilities

When an employee reports for work within the studio zone other than at a studio, the Producer will pay for parking in a supervised public parking lot. If no such public parking is available, the Producer will provide supervised or secured parking.

(g) Material Violation

If the Local Union claims that a material violation of this Section III is occurring, with respect to the employees covered by this Agreement, then:

(1) Such Local Union shall immediately notify the designated representative of Producer, the IATSE, the AMPTP and CSATF.

(2) Such Local Union and such representative of the Producer shall immediately settle the dispute or determine whether or not there is a material violation of this provision.

(3) In the event the Local Union and the Producer do not settle the dispute or make such a determination as above provided, then the IATSE, the AMPTP and CSATF must, within twenty-four (24) hours after receipt of such notice of the alleged material violation, determine whether or not there is such a material violation. Such a determination shall be final and binding upon the parties and the employees subject to this Agreement.

If it is so determined that there is such a material violation, this studio zone provision: (i) with respect to television films shall be suspended in respect to production of the television episode involved; and (ii) with respect to a theatrical motion picture, shall be suspended in respect to production of the theatrical picture involved for a period of fifteen (15) calendar days following the determination that there is such a material violation. Provided, however, Producer shall not reschedule the shooting from the studio zone to the studio in order to avoid the application of this provision.

(4) Alleged violations of this studio zone provision shall not be subject to the Grievance and Arbitration Procedure of Article 7.

22. Secondary Studio Zone

(a) The secondary studio zone shall be the area extending ten (10) miles from the perimeter of the studio zone and including John Wayne Airport and the city of Huntington Beach in its entirety. It does not include any of the areas that fall within the definition of the studio zone in Paragraph 21 above.

(b) When an employee is directed to report to a location within the secondary studio zone, the following shall apply:

(1) Producer shall notify employees not less than twenty-four (24) hours in advance that it intends to require employees to report to a location within the secondary studio zone. Such notification shall not constitute a work call.

(2) Mileage shall be paid from the studio or production office to and from the location within the secondary studio zone. In addition, the Producer shall pay a \$4.50 per day allowance to each employee asked to report within the secondary studio zone.

(3) Courtesy housing shall be offered to those employees who work in excess of twelve (12) hours in the secondary studio zone. In the alternative, the Producer may provide round trip transportation to home and return at the Producer's expense.

(4) Rest periods shall be calculated from the perimeter of the thirty (30) mile studio zone. A designated representative of the Producer and a designated representative of the IATSE shall determine the amount of time needed to travel between the secondary studio zone location and the perimeter of the thirty (30) mile studio zone for purposes of calculating rest periods. In the event of a dispute, the matter shall be referred to a representative of the Union and to the Labor Relations representative of the Producer for resolution.

(5) Except as otherwise provided in this Paragraph 22, all of the other provisions applicable to an employee reporting within the studio zone shall apply.

23. Zone Waivers

The IATSE agrees to continue to grant waivers on the same basis as it has in the past for locations that are outside the studio zone and the secondary studio zone, such as Lake Hughes, Elizabeth Lake and the Nikken Building in Irvine.

24. Courtesy Housing and Transportation Within New York Thirty Mile Zone and Production Centers

Upon request of an employee who is required to work in excess of fourteen (14) hours within a radius of thirty (30) miles of Columbus Circle in the New York metropolitan area or in a "Production Center" (as defined below) and who advises the Producer that he/she is too tired to drive home safely, Producer shall provide the employee either courtesy housing or round trip transportation from the designated crew parking area to home and return at the Producer's expense.⁵ The Producer shall have no responsibility for the personal vehicle of an employee who elected to use his or her personal vehicle in lieu of Producer-provided transportation.

⁵ Round trip transportation may include public transportation if reasonable under the circumstances.

A “Production Center” means the area within a thirty (30) mile radius of City Hall in: Anchorage, Alaska; Phoenix, Arizona; Tuscon, Arizona; Sacramento, California; San Diego, California; Denver, Colorado; Fort Lauderdale, Florida; Miami, Florida; Orlando, Florida; Atlanta, Georgia; Honolulu, Hawaii; New Orleans, Louisiana; Shreveport, Louisiana; Baltimore, Maryland; Boston, Massachusetts; Detroit, Michigan; Minneapolis-St. Paul, Minnesota; St. Louis, Missouri; Las Vegas, Nevada; Albuquerque, New Mexico; Santa Fe, New Mexico; Charlotte, North Carolina; Wilmington, North Carolina; Cleveland, Ohio; Portland, Oregon; Pittsburgh, Pennsylvania; San Juan, Puerto Rico; Nashville, Tennessee; Austin, Texas; Dallas-Ft. Worth, Texas; Houston, Texas; San Antonio, Texas; Salt Lake City, Utah; Richmond, Virginia; Washington, D.C.; Seattle, Washington; and any other place where a television pilot or series is based.

IV. NEARBY LOCATION DEFINITIONS AND WORKING CONDITIONS

25. Nearby Locations Defined

Nearby locations are those locations outside of the studio zone (or secondary studio zone) on which employees are not lodged overnight, but return to the studio or home at the end of the workday.

26. Work Time; Travel Time

Studio rates and working conditions shall prevail on nearby locations; however, the provisions of Paragraph 20(h)(2) shall not apply on nearby locations. Work time shall begin when ordered to report at the studio and continue until dismissed at the studio. Travel time to and from the location shall be work time.

27. Transportation

The studio shall furnish transportation to and from nearby locations.

28. Truck Travel Allowances

Employees riding trucks to and from nearby locations shall receive truck travel allowances of twenty-five cents (25¢) per hour or fraction thereof for such time travelled. The minimum allowance each way is one (1) hour. Such allowance shall be in addition to the compensation for work time during the travel and shall not be applied as part of any guarantee.

29. Golden Hours

Travel time shall be considered as work time in the computation of Golden Hours. In addition, Paragraphs 11(a)(1) and (3), (b), (c) and (e) shall apply.

30. No Clause.

Footnotes applicable to this Paragraph 31.(a)(3) begin below.

¹ (a) Weekly Employees – Employees under this schedule shall be paid at the scheduled Regular Basic Hourly Rate for the first forty (40) hours of the six-day workweek and not less than one and one-half (1½) times such basic hourly rate of pay for all time over forty (40) hours in such workweek, with a guarantee that the employee shall receive, for regular time and for such overtime as the necessities of the business may demand, a sum not less than the scheduled weekly guarantee for each six-day workweek.

(b) The guaranteed pay of weekly employees who absent themselves without the employer's consent may be reduced one-sixth (1/6) of the weekly guarantee for each day of absence.

² This rate is for five (5) days only. See subparagraph (f) for rates applicable to six (6) days and seven (7) days within a payroll week.

³ During the 2018 negotiations, the parties agreed, effective October 7, 2018, to add the classifications of Lighting Programmer (Occ. Code 5422) and Lighting Plot Draftsperson (Occ. Code 5423) to the Agreement. For the period from July 29, 2018 through and including October 6, 2018, the classification of Special Lighting Technician/Lighting Board Technician (Occ. Code 5431) applies as set forth in footnote 3 below, or, as an alternative, the classification of Lighting Console Programmer (Occ. Code 5432) may be used at the option of the Producer at the same Regular Basic Hourly Rate as applies to the Special Lighting Technician/Lighting Board Technician (Occ. Code 5431) during that period.

⁴ Special Lighting Technician's rate will be paid: (1) for fixtures; (2) for lighting still set-ups off shooting set; (3) for gas-driven wind machines, when assigned by Producer to employees hereunder; (4) to spotlight technicians operating any type lamp used as a spotlight; (5) for lightning equipment; (6) to "on production" employees who work four (4) or more hours of the workday in an aerial lift used as a lighting platform, which lift is at a height of at least thirty-five (35) feet; and (7) to technicians engaged in balloon lighting operations. During the period from July 29, 2018 through and including October 6, 2018, the Special Lighting Technician's Rate also shall apply to all lighting board technicians when such operator is controlling multiple lights on cue.

⁵ Completely interchangeable with Occ. Code No. 5451.

(b) The distant location minimum rates for cumulative weekly schedule employment shall apply for full six (6) consecutive day workweeks of distant location employment only. See Paragraph 1, "Studio Minimum Wage Scale," for provisions applicable to combinations of studio and distant location employment in the same workweek.

As to "on production" employees, once during the production of a motion picture, or in the case of episodic television, once between hiatus periods (*i.e.*, between the commencement or resumption of production and a cessation of principal photography for the series for at

least one week), the Producer may shift the workweek for employees working on production without incurring extra costs, by adding one (1) or two (2) days off consecutive with the sixth and/or seventh days off in the prior workweek and/or by shifting a workweek commencing on a Tuesday to a workweek commencing on a Monday, provided that the intervening Sunday is a day off. Otherwise, the Producer must pay the employee appropriate premium pay if it requires the employee to work on the day(s) which would otherwise be the employee's regularly-scheduled day(s) off.

In addition to the shift outlined in the preceding paragraph, the IATSE agrees that it will not unreasonably deny a request to shift the workweek of production employees without incurring additional costs when a production travels to a new city.

(c) Employees hired under the "On Call" schedule shall receive, in addition to their current studio rate, a distant location allowance of six dollars (\$6.00) per diem.

(d) The day of departure and the day of return shall be considered distant location days.

(e) Sixth and Seventh Day in an Employee's Workweek on Distant Location

For the seventh day worked in an employee's workweek on distant location, the following shall apply: All employees are paid at their scheduled Regular Basic Hourly Rates. The minimum call is eight (8) hours. All allowances and computations are separate and apart from the six-day workweek.

Daily and Weekly Employees	
Sixth or Seventh Day Not Worked in the Employee's Workweek	Allowance of four (4) hours pay at straight time at the minimum wage rate (not work time), plus pension and health contributions for eight (8) hours.
Seventh Day Worked in the Employee's Workweek	Double time, separate and apart.

(See Paragraph 39 for work-and-travel.)

(f) Payment Provisions Applicable to the Sixth and Seventh Days in an Employee's Workweek on Distant Location and to Partial Workweeks for Employees Hired under the "On Call" Schedule

(1) Notwithstanding any other provision of this Agreement, the following shall apply to employees hired under the "On Call" schedule with respect to the sixth and seventh days in an employee's workweek on distant location, whether work is performed or not:

(i) For each sixth day worked in an employee's workweek during a full six (6) day workweek, employee shall receive one and one-half times one-fifth ($1/5$) of the "on call" weekly rate in effect in addition to the "on call" salary in effect.

(ii) For each sixth day not worked in an employee's workweek during a full six (6) day workweek, employee shall receive an allowance equal to one-twelfth ($1/12$) of the scheduled minimum "on call" weekly rate, plus pension and health contributions for seven (7) hours.

(iii) For each seventh day not worked in an employee's workweek, employee shall receive an allowance equal to one-twelfth ($1/12$) of the scheduled minimum "on call" weekly rate, plus pension and health contributions for eight (8) hours.

(iv) For each seventh day worked in an employee's workweek, if employee actually performs work at the direction of the Producer, employee shall be paid an additional amount equal to one-third ($1/3$) of the "on call" weekly rate in effect. Said amount shall be paid in addition to any amount due for the sixth day in the employee's workweek on distant location pursuant to the above subparagraphs.

The term "rate in effect" means wage scale plus amounts in excess of scale, if any.

Notwithstanding any agreement between employee and Producer, the aggregate compensation paid to such employee shall not be less than the scheduled studio weekly minimum "on call" rate plus any additional compensation due for the sixth or seventh day in the employee's workweek as required hereinabove and any additional compensation due for work on a recognized holiday as required hereinbelow.

In the event that employee and Producer agree upon an amount of payment for the sixth or seventh day in the employee's workweek different from that prescribed above, the

Producer, as a matter of policy, will attempt to give the Union notice of such agreement. An inadvertent failure to give such notice shall not be considered a breach of such policy.

(2) Partial Workweek

In a partial workweek, five (5) days or less, consisting of studio workdays and distant location workdays, studio days shall be prorated at one-fifth (1/5) of the scheduled studio minimum salary rate and distant location days shall be prorated at one-sixth (1/6) of such rate; provided, however, that for any five (5) consecutive days within the same payroll week, an employee shall be paid not less than the scheduled studio minimum salary rate.

(g) Holidays on Distant Location

(1) All employees are paid at their scheduled Regular Basic Hourly Rates. Minimum calls are as specified in Paragraph 31. Payment shall be made or work time credit shall be given in accordance with the following schedule:

	Daily Employees	Weekly Employees
Holidays Not Worked	Work time credit of minimum call. This is compensation for readiness to perform services even though no actual work is required.	
Holidays Worked	Double time. (Hours worked are excluded from weekly computation for the six-day workweek.)	Hours worked are included in weekly computation of work time for the six-day week. In addition, holiday premium pay for an equal number of hours.

(See Paragraph 39 for work-and-travel.)

(2) If a holiday falls on a Saturday, it will be observed on a Saturday.

(3) “On Call” Employee Work on a Recognized Holiday

If an employee hired under the “On Call” schedule is specifically instructed and required by Producer to perform work on a recognized holiday on distant location, under the direction and control of Producer, Producer shall pay such employee one-sixth (1/6) of his “on call” weekly salary in effect for each such recognized holiday so

worked. Said amount shall be payable not later than the second Thursday following the employee's return to the studio.

(h) The regular pay day will be on Friday for employees working on distant location, provided that the Producer has made accommodations to allow employees to cash their pay checks on that day.

(i) The parties confirm that any day worked in a partial workweek either before or after one (1) full week of employment may be prorated at the rate of one-sixth (1/6) of the distant location weekly rate for each distant location workday.

32. Minimum Calls and Allowances on Distant Location

(a) Except as provided in Paragraph 32(b) below, all employees are guaranteed pay for the scheduled minimum call as work time for each day of the regular workweek on distant location.

(b) Daily and weekly employees are guaranteed a four (4) hour straight time pay allowance at the minimum wage rate (not work time) for the sixth or seventh day not worked in the employee's workweek, plus pension and health contributions for eight (8) hours.

(c) Minimum call time and cumulative work time are recognized as work time and employees shall hold themselves in readiness to serve the Producer during such times.

33. - 35. No Clauses.

VI. DISTANT LOCATION DEFINITIONS AND WORKING CONDITIONS

(Only Paragraphs 36, 37, the second sentence of Paragraph 39(a) and Paragraph 39(f) of this Section VI are applicable to employees hired under the "On Call" Schedule.)

36. Distant Locations Defined

Distant locations are locations on which the employee is required to remain away and be lodged overnight.

37. Traveling Expenses and Accommodations

(a) Traveling Expenses

The employee's necessary traveling expenses, meals and lodging shall be made available at the Producer's expense. For travel anywhere in the United States, Canada and Mexico, the Producer shall furnish air transportation to and from distant location. For travel outside the United States, Canada and Mexico, employees shall be furnished business class air accommodations, except that when business class accommodations are not available, employees shall travel first class. Producer agrees to use its best efforts to furnish and maintain, during travel time, reasonably comfortable riding conditions in the class of transportation provided, avoiding overcrowding and providing proper space for baggage and tools.

Producer will direct the employee that he must use the Producer's form of transportation to distant location. In those instances in which Producer purchases public air transportation to and from such location site, the Producer agrees to purchase tickets refundable only to Producer.

(b) Accommodations

Employees on distant location shall be entitled to single room housing when it is reasonably available.

38. Distant Location Conditions of Employment

The Producer will endeavor to determine the qualified persons in the locality of any of its location sites within the United States and Canada who are available to meet the employment requirements of the Producer for such location in the job classifications covered hereunder. Such persons are not subject to this Agreement. In the event that such available qualified persons are insufficient to meet Producer's employment requirements at such site in such job classifications, then such additional persons as may be necessary to fill such described employment requirements of Producer shall be employed in and taken from the County of Los Angeles, California, subject to the terms and conditions of this Agreement.

38.1 Assignment of Personnel When Equipment Sent to Distant Location

When electrical lighting equipment, other than camera batteries, is taken to a distant location from Los Angeles, California, at least one (1)

person in the job classifications covered by this Agreement will be taken to handle or operate such equipment.

39. Travel Time, Work and Travel Conditions and Pay Provisions

(a) For any day of the week (including holidays) on which an employee travels only, the employee shall receive an allowance of four (4) hours of pay at straight time or pay for time actually travelled, whichever is greater, but in no event more than eight (8) hours of pay at straight time. "On call" employees who travel only to or from distant location shall be paid an allowance of one-sixth (1/6) of the scheduled minimum weekly "on call" rate for any day so travelled.

(b) No clause.

(c) Travel-and-Work or Work-and-Travel

Travel time within the minimum call shall be paid for as work time and computed towards the commencement of Golden Hours, but shall not be paid for at the Golden Hour rate. If travel time occurs outside the minimum call, it shall be deemed to be "work time," but shall not be used in determining the commencement of Golden Hours. However, travel time occurring outside the minimum call and between the hours of 6:00 p.m. and 6:00 a.m., when sleeping accommodations are provided, shall not be deemed to be travel time or work time.

For example - (applicable only when the minimum call is nine and one-half (9½) hours):

(1) On day of departure, employee travels ten (10) hours then works five and one-half (5½) hours. All hours are deemed work time and fifteen and one-half (15½) hours are computed toward Golden Hours.

(2) On day of return, employee works eight (8) hours and travels seven (7) hours. All hours are deemed work time but only nine and one-half (9½) hours are computed toward Golden Hours.

(d) Other Travel Provisions

(1) Distant location working conditions shall apply on the day of departure, day of return and intervening days.

(2) Local Travel Time

There shall be no deduction from work time for local travel time on distant locations. For the purposes of this paragraph, “local travel time” is defined as the actual time consumed at the beginning and end of each day’s work in transporting the employee to and from the housing base at distant location and the shooting site or place of work.

(e) Time Spent Waiting to Travel on Day of Departure from Distant Location

On the day of departure from a distant location, when sleeping accommodations at the location are not available to the employee after 9:00 p.m., time spent after 9:00 p.m. in waiting for transportation, when the minimum call is not in effect, shall be compensated for as an allowance.

(f) Travel Insurance

The Producer shall provide accidental death insurance in a sum not less than two hundred thousand dollars (\$200,000) for the benefit of the employee’s designated beneficiary when the employee is required to travel at the request of the Producer in transportation furnished by the Producer.

Employees shall be permitted to fill out a form specifying a beneficiary. Such form shall be filed with the designated representative of the Producer.

An employee, by refusing in good faith to travel by airplane, will not jeopardize his future working opportunities on assignments which do not require travel by airplane.

(g) Truck Travel

An employee required to ride a truck and assigned to and responsible for the care of the cargo in transit shall be deemed working and not traveling for the purposes of Golden Hours.

40. No Clause.

41. Call-backs (Rest Periods)

Rest periods following dismissal shall be eight (8) hours on distant location.

Intervening time of less than five (5) hours between dismissal and call-back for work shall be work time; intervening time of five (5) or more hours shall not be work time. When intervening time is less than five (5) hours, such time may be applied as part of the “call-back” guarantee. All employees are paid at their scheduled Regular Basic Hourly Rates.

Minimum Guarantees for “Call-backs” During Rest Periods Following Dismissal		
Classification	Any Day Other than a Holiday or the Seventh Day Worked in an Employee’s Workweek	Seventh Day Worked in an Employee’s Workweek and Holidays*
Daily Employees	4 hours at 1½; 1½ thereafter	3 hours at double time; double time thereafter
Weekly Employees	½ minimum call	½ minimum call

* The above “call-back” guarantees for holidays and the seventh day worked in an employee’s workweek do not apply when employee reports to work on such days within the appropriate rest period following dismissal from work starting on the previous day. In such event, the “call-back” guarantee is the minimum call in hours as scheduled in Paragraph 31.

By way of clarification, the parties agree that forced calls are triggered by time worked, rather than time paid.

42. No Clause.

43. Sixth Day Worked on Distant Location

Subject to any overtime requirements of this Agreement, the sixth day worked in an employee’s workweek on distant location is a straight time day.

44. Golden Hours on Distant Location

(a) Travel time to be used in the computation of Golden Hours shall be subject to the following:

If travel time, with other than truck transportation as above provided in Paragraph 39(g), added to recesses (if any) immediately before and after such travel, totals less than eight (8) hours, such interval shall be deemed an “interruption” for the purposes of Golden Hours, but if such interval equals eight (8) or more hours, it shall be considered a “full rest period.”

(b) The rate for Golden Hours, as defined in Paragraph 11(a)(1), for distant location employment shall be as follows: For such employment occurring on any day other than a holiday or the seventh day worked in an employee’s workweek, two (2) times the employee’s scheduled Regular Basic Hourly Rate. For such employment occurring on a holiday or the seventh day worked in an employee’s workweek, four (4) times the employee’s scheduled Regular Basic Hourly Rate.

(c) In addition, Paragraphs 11(b), (c) and (e), as modified in this Paragraph, shall apply.

45. Meal Periods on Distant Location

(a) Meal periods (not counted as time worked) shall be not less than one-half ($\frac{1}{2}$) hour nor more than one (1) hour. The first meal period after reporting for work shall be called not later than six (6) hours after reporting for work, and subsequent meal periods shall be called not later than six (6) hours after the expiration of the previous meal period, except the interval prior to the last meal period of the day may be extended to six and one-half ($6\frac{1}{2}$) hours without penalty provided the employee performs no work on the shooting site after such meal. The interval may also be extended one-half ($\frac{1}{2}$) hour when used for wrapping up or to complete the camera take(s) in progress, until print quality is achieved. Such extension shall not be scheduled nor automatic. In addition, a twelve (12) minute grace period may be called for production efficiency prior to imposition of any meal penalty. Such grace period shall not be scheduled nor automatic nor is it intended for everyday use. The twelve (12) minute grace period may not be utilized when the meal period has been extended as permitted above.

If any member of the company after commencement of work time is given a reasonable hot breakfast without deducting the time spent in eating (thirty (30) minutes) from work time, then the first meal may be six (6) hours after such breakfast, except that when such breakfast is

given within one (1) hour of the general crew call (either before or after), the first meal for such employee shall be due at the same time as a meal is due for the general crew. The parties hereby confirm that the reference to a "reasonable hot breakfast" means a meal appropriate to the time of day.

Upon the Local Union filing a claim that the Producer has violated the foregoing twelve (12) minute grace period, it shall immediately notify the designated representative of the Producer. The Local Union and such representative of the Producer shall meet or confer in an attempt to resolve the dispute. In the event that no resolution is reached during such meeting or conference, the Local Union or the Producer may, within three (3) business days, request a hearing before a Special Committee consisting of three (3) representatives designated by the AMPTP and three (3) representatives designated by the IATSE.

The Special Committee shall investigate the facts of the case and mediate the dispute. In the event that the Special Committee is unable, through mediation, to achieve a resolution satisfactory to all parties, then the Local Union may proceed to arbitration.

(b) If an employee works less than nine and one-half (9½) hours on a shift, only one meal is to be deducted. If he works nine and one-half (9½) hours or more, more than one meal period may be deducted.

(c) Meal penalty for delayed meals shall be computed as follows:

First one-half (½) hour meal delay or fraction thereof	\$ 7.50
Second one-half (½) hour meal delay or fraction thereof	\$10.00
Third and each succeeding one-half (½) hour meal delay or fraction thereof	\$12.50

Such allowance shall be in addition to the compensation for work time during the delay and shall not be applied as part of any guarantee.

(d) As an alternative to the foregoing provisions of this Paragraph as they relate to "on production" employees, the Producer, at its option, may institute "French hours" on a daily basis for "on production" employees, with the approval of a majority of the IATSE-

represented crew. An employee's consent to the use of a "French hours" meal system shall not be a condition of employment.

45.1 Eating Facilities on Nearby or Distant Location

Whenever employees of Producer assigned to a production company are furnished food which is to be eaten at the shooting site of a nearby or distant location, Producer will make facilities, such as tables, chairs, benches or stools, available for the convenience of such employees during meal periods.

45.2 Box Lunches on Location

At all "locations" where meals are catered to Electrical Lighting Technicians, not more than one "box lunch" shall be served during a single shift of work, except in cases of extenuating circumstances.

45.3 Payment of Tips in Restaurants on Distant Locations

On distant locations where employees are required to eat at restaurants designated by Producer's representative and the meal checks are collected and paid for by Producer, arrangements shall also be made for the inclusion of tips to waiters and waitresses who serve Producer's employees and the employees shall be notified in advance that such arrangements have been made.

When a representative of Producer supplies employees with cash to obtain food at restaurants selected by the employee, or when the employee is subsequently reimbursed for such expense, it shall then be incumbent upon the employee to personally take care of tips to waiters or waitresses.

46. Night Premiums on Distant Location

There are no night premiums on distant location.

47. Time Cards on Distant Location

Time cards shall be approved by a representative of the Producer. The employee's classification and wage schedule, starting and finishing time, deductible meal periods, rate changes and penalties, if any, shall be shown on his time card. Any items changed after time card is approved must be reviewed by the employee.

48. Clean-Up Facilities on Location

With respect to employees who are required by Producer to travel on public transportation on a work-and-travel day, upon completion of work on the day of departure from a location, the Producer shall make available two (2) rooms where members of the crew who performed manual work may change and wash up, unless rooms are not available as a result of circumstances beyond the Producer's control.

With respect to employees who are required by Producer to travel on public transportation on a work-and-travel day, upon completion of work at the studio on the day of departure, an adequate opportunity shall be afforded members of the crew who performed manual work to change and wash up.

If such opportunity and facilities are not so made available to such employee as required above, each such employee shall be paid, in addition to other compensation, an allowance at straight time for the length of the return travel time.

49. No Clause.

50. Other Working Conditions

Unless modified by Paragraphs 31 to 49 inclusive, all other studio working conditions shall prevail on distant location.

VII. GENERAL CLAUSES

51. Hazardous Work

The employee selected to perform hazardous work and Producer are to negotiate and agree upon a rate in advance for such work and, if no agreement is so reached, the employee will not jeopardize working opportunities by refusing to perform work that is considered hazardous. The employee may request the assistance of the Business Representative of the Union in such negotiations.

When an employee covered by this Agreement is working in close proximity and is exposed to the same hazard with the same degree of risk to which another employee covered by the Basic Agreement is exposed who has negotiated a hazardous pay adjustment, the employee covered by this Agreement is entitled to that same hazard pay adjustment. In all other hazardous work situations, the amount of such adjustment shall be the subject of individual negotiations.

If an employee is required to sign a waiver due to hazardous conditions for any state or governmental agency or owner of private property, and refuses to sign such waiver, such employee may be replaced, but such refusal shall not limit such employee's future employment opportunities with Producer.

When Producer knows in advance that such a waiver is required, Producer will advise the Union of the situation.

52. Allowances for Hazardous Work

The following allowances shall be paid for hazardous work:

(a) For taking motion pictures on aerial flights or submarine diving, employee shall receive sixty dollars (\$60.00) per flight or dive, but with a maximum of payment in a single shift of one hundred eighty dollars (\$180.00).

(b) Any employee designated by Producer to work completely under water using a diving mask, air helmet or diving suit, including skin diving, will be paid a bonus of twenty-five percent (25%) of his rate in effect at the time of such performance, except when the total time required by the employee to perform such work, including diving is less than one (1) hour. The provisions of Paragraph 13 shall apply when such work is one (1) hour or more.

(c) Any employee designated and required by Producer to dive to a depth of fifteen (15) feet or more in water using a diving mask, air helmet or diving suit, including skin diving, will be paid an allowance of sixty dollars (\$60.00) for each dive, with a maximum payment in a single shift of one hundred eighty dollars (\$180.00). Such allowance shall supersede and replace the twenty-five percent (25%) bonus referred to in subparagraph (b) above.

When an employee is required to dive under water twenty (20) feet or more, he shall be accompanied by another diver.

(d) The following special provisions shall be applicable to employees required to be under water when performing their work:

(1) A dressing room shall be provided.

(2) Hot drinks or nourishment shall be available if water is cold.

(3) A rest period of ten (10) minutes shall be allowed for each hour worked. Not more than two (2) consecutive hours shall elapse without a rest period.

(4) In the event safety conditions so warrant, it shall be the practice of underwater workers in the performance of such work to work jointly in pairs.

53. Abnormally Cold or Wet Work

(a) Producer will provide suitable wearing apparel for abnormally cold or wet work.

(b) When required by Producer to work in water three (3) feet or more in depth for a period of an aggregate of at least four (4) hours during any workday, employee will be paid a fifteen percent (15%) bonus. The provisions of Paragraph 13 shall apply when such work is for four (4) hours or more.

53.1 Abnormal Production Conditions

If production or equipment requirements create a condition whereby an abnormal demand is placed upon the electrical crew assigned hereunder, such condition shall be relieved.

53.2 Drinking Water

Cool drinking water will be furnished for employees working on stages up high.

54. Overscale Employees

Rates of pay of overscale employees shall not be reduced by reason of this wage agreement.

55. Nearby and Distant Locations

Studios will notify Union of locations and names of crew assigned thereto. Notice of same shall be given twenty-four (24) hours in advance for work on distant locations. For work on nearby location, notice shall be given as soon as practicable.

56. Assignment of Personnel

In the studio, studio zone or secondary studio zone or on a nearby location only, when electrical lighting work on any shooting work is

performed under this Agreement, the first person assigned to perform such work on such shooting unit shall be paid the Chief Lighting Technician (Occ. Code No. 5401) rate. As needed, and according to the work involved, on other than second units and insert units, the second person assigned to such unit shall be paid the Assistant Chief Lighting Technician (Occ. Code No. 5403) rate.

56.1 Certified Aerial Lift Operators

(a) A certified aerial lift operator shall receive preference in assignment, as far as practicable, when an aerial lift is required for use in set lighting. In no event shall the aerial lift be operated by unqualified employees.

(b) No aerial lift operator shall operate an aerial lift without a state-approved safety harness/belt provided by the Producer.

(c) The Producer shall ensure, having due regard for safety and fatigue, that an aerial lift operator is given reasonable breaks.

(d) Producer will provide an appropriate fire extinguisher when an aerial lift is used as a lighting platform.

57. Earnings Reports

At the end of each quarter, the Producer will submit a list of its employees subject to this Agreement, showing each employee's earnings for that quarter.

58. No Clause.

59. Studio Pass

The duly authorized Business Representative of the Union shall be furnished a pass to the studio. Such pass will permit driving the Representative's car into the Producer's studio, lot or ranch provided such is the custom and practice. The Business Representative shall be permitted to visit any portion of the studio, lot or ranch necessary for the proper conduct of the business of the Union during working hours.

60. Stewards

The Union may designate or redesignate one employee as a Steward to inspect all working conditions affecting the terms of this Agreement. An employee so designated must be in the Journeyman classification of the Industry Experience Roster. Each such designation

or redesignation, as the case may be, shall be for a period of not longer than six (6) months. The Union may make such a designation or redesignation or remove such Steward at any time, but shall discuss the matter with the Producer before doing so.

It shall be the responsibility of the Steward to settle minor grievances with the head of the department in which the grievance arises and, in the event such grievance cannot be adjusted, to notify his Business Representative. The Steward so designated shall be permitted to perform these duties, but such duties shall not unduly interfere with his work and he shall not leave his station without notifying his immediate supervisor.

Notwithstanding the provision for layoff or rehire contained in subparagraph (c) of Paragraph 68, such Steward shall not be laid off, or when on layoff shall be the first to be rehired, during his above-described term as Steward as long as there is work available for him in his department, provided that: Such Steward is willing to do, and is qualified physically and possesses the necessary ability and skill for, the particular work to be performed; such Steward shall not have any such preference in layoff or rehire over the Department Head, if there is any in the unit, or over any employee classified and paid as a foreman, gang or shift boss, supervisory employee or a carry-through person; Producer's right to discharge such Steward for cause shall not be limited in any manner by this provision; such Steward shall be subject to the provisions of Paragraph 68, "Seniority;" such preference in layoff or rehire shall not apply on the sixth or seventh day worked in such Steward's workweek or holidays, nor to station jobs, nor when it would disturb the continuity of a project; and such Steward shall not have such preference over employees who have been specially rehearsed or cued for a job, nor over persons operating specialized equipment.

Under this provision, the Union may also designate an Alternate Steward. The Alternate Steward will, in the absence of the primary Steward, assume the duties of the Steward as outlined above. The Alternate Steward will be subject to the same conditions of employment as the primary Steward, but only for the period of the primary Steward's absence.

Under this provision, only one such Steward may be designated who will have such preference in layoff and rehire as provided above, at any one time. This does not preclude the Union from appointing other "acting" Stewards, but such employees shall not be considered, in any manner whatsoever, as Stewards hereunder for the purpose of preference in layoff and rehire, as above provided. The Union shall notify Producer in advance of any such appointment.

61. Gang Bosses

Gang Boss rates will be paid to those workers designated by the Producer to take charge of a crew of persons or a project. The Producer will not unreasonably fail to designate a Gang Boss on such jobs or projects that require Gang Boss supervision.

62. Safety

(a) It is agreed by the parties that too great an emphasis cannot be placed on the need to provide a safe working environment. In that context, it shall be incumbent on each employer (herein referred to as the Producer) to furnish employment and a place of employment which are safe and healthful for the employees therein; to furnish and use safety devices and safeguards, and adopt and use practices, means, methods, operations and processes which are reasonably adequate to render such employment and place of employment safe and healthful; to do every other thing reasonably necessary to protect the life, safety and health of employees. Correspondingly, no employer shall require or permit any employee to go or be in any employment or place of employment which is not safe and healthful. In addition, every employer and every employee shall comply with occupational safety and health standards and all rules, regulations and orders pursuant to applicable laws which are applicable to his own actions and conduct; no person (employer or employee) shall remove, displace, damage, destroy or carry off any safety device, safeguard, notice or warning, furnished for the use in any employment or place of employment; no person shall interfere with the use of any method or process adopted for the protection of any employee, including himself, in such employment or place of employment.

(b) Rigid observance of safety regulations must be adhered to and willful failure of any employee to follow safety rules and regulations can lead to disciplinary action including discharge; however, no employee shall be discharged or otherwise disciplined for refusing to work on a job that exposes the individual to a clear and present danger to life or limb, or for making a good faith report to the First Assistant Director, the Unit Production Manager or his or her supervisor relating to the safety of another employee exposed to a clear and present danger to life or limb. No set of safety regulations, however, can comprehensively cover all possible unsafe practices of working. The Producer and the Union therefore undertake to promote in every way possible the realization of the responsibility of the individual employee with regard to preventing accidents to himself or his fellow employees. For purposes of this Paragraph 62(b), the question of whether an

employee has made a report in good faith is subject to the grievance and arbitration procedure set forth in Article 7 of this Agreement.

(c) It is also agreed that when unresolved or continuing disputes exist regarding Safety and Health compliance, non-compliance or interpretation therein of Title 8, Chapter 4, Subchapter 7, General Industry Safety Orders, said disputes shall be referred to the AMPTP and CSATF-administered Labor-Management Safety Committee for review, investigation, interpretation and advisory recommendations to the Employer(s). The CSATF-administered Labor Management Safety Committee is the industry-wide Safety Committee consisting of the IATSE and its West Coast Studio Local Unions, the Basic Crafts Unions, the Screen Actors Guild–American Federation of Television and Radio Artists, the Directors Guild of America and representatives of the Producers. It is understood that it is not the responsibility of the Safety Committee, or any member of the Committee, the IATSE or its Local Unions, the Basic Crafts, CSATF or the AMPTP to implement or comply with any such recommendations.

(d) The Labor-Management Safety Committee shall meet at least once a month.

(e) The cost of the Labor-Management Committee will be borne by CSATF.

(f) A separate bulletin shall be issued by the AMPTP to provide the following:

(1) The Producers reaffirm their commitment to regularly inspect the studio working areas and to establish preventive maintenance procedures to assure safe working conditions.

(2) Complaints of unsafe conditions will be promptly investigated by the Producer and appropriate action will be taken if the Producer finds that an unsafe condition does exist.

(3) Each Producer will designate an individual as the responsible safety officer for its respective studio, facility, laboratory or location site. Except on location, each safety officer will have a well-publicized “hot-line” phone number which employees can anonymously call to alert management to any existing safety problems which may require correction.

(4) The Producers will provide access to all working areas to the Safety Director of CSATF so that he will periodically inspect same.

(5) Communication regarding safety policy will be made available to all affected employees directly or by posting on bulletin boards.

(g) Concerns stemming from the use of smoke on sets shall be referred to the industry-wide Safety Committee for resolution.

62.1 Safety Devices

All platforms for electrical appliances, lamps, etc. shall be constructed and equipped with the necessary safety devices, viz., guard rails, walking planks, light planks, secured and tied to ensure safety of equipment and operation of same. Ladders shall be provided when necessary for access to platforms. Fire escape lines shall be added when necessary. Parallels are to be clear of all cables or unnecessary obstructions when physically practicable. When obstructions cannot be removed, an additional Electrical Lighting Technician will be employed, if necessary.

62.2 Grounding

The Producers agree to arrange for a meeting between representatives of the Union and Industrial Relations Representatives and Production Executives of the Producers to more fully discuss the issues involved.

62.3 “Super” Safety Committee

The parties have established a “Super Safety Committee” that will meet on an ongoing basis to review the safety-related issues, including grounding, that were discussed in negotiations.

62.4 Aerial Lift Training Subcommittee

A subcommittee of the Industry-wide Safety Committee shall be formed for the purpose of discussing aerial lift training.

63. - 65. No Clauses.

66. Non-Discrimination

The parties agree to continue to comply with all applicable federal and state laws relating to non-discriminatory employment practices.

Claims alleging a violation of this "Non-Discrimination" provision are not subject to arbitration, but are instead subject to non-binding mediation.

67. Foremen and Supervisory Employees

Notwithstanding anything contained in the Constitution and By-laws of the Union, or in the obligation taken by a person upon becoming a member of the Union, or otherwise, which directly, indirectly, or impliedly places upon a foreman (or any person who is a supervisory employee within the meaning of that term as set forth in the Labor Management Relations Act of 1947, as amended), the duty or obligation to accord an unlawful employment preference to members of the Union, such foreman or supervisory employee shall not give or recommend any unlawful employment preference, and the Union shall not in any manner discipline or threaten with discipline any such foreman or supervisory employee for failing or refusing to give or recommend any such unlawful employment preference.

68. Seniority

(a) Maintenance of Industry Experience Roster

Under prior collective bargaining agreements, signatory Producers have established an Industry Experience Roster, which will be maintained under this Agreement, composed of the names of employees subject to this Agreement, who were included on said roster on July 31, 2018 and employees who thereafter satisfactorily fulfill all of the eligibility provisions set forth under "Entry Level Classification" below, including employees who actually performed services hereunder in one or more of the job classifications covered by this Agreement in the production of motion pictures in the motion picture industry in Los Angeles County or who have been hired hereunder in said County and performed such services outside said County.

The physical maintenance of said roster shall be under the supervision of CSATF.

(1) The Industry Experience Roster shall consist of one seniority group containing the following:

(i) Journeyman Classification

The Journeyman classification of said Industry Experience Roster shall be composed of all persons who were in Industry Group 1 of said Industry Experience Roster on July 31, 2018

and any person who has been transferred to the Journeyman classification from the Entry Level classification pursuant to subparagraph (a)(2) below.

(ii) Entry Level Classification

The Entry Level classification shall consist of those persons who are not included on the Industry Experience Roster in the Journeyman classification and who have been employed in any of the job classifications covered by this Agreement at least thirty (30) actual workdays collectively with one (1) or more Producers and who have satisfactorily passed a color-blindness examination administered at no expense to the employee by qualified persons designated by CSATF. Any person making application to be placed on the Industry Experience Roster must perfect the application no later than one (1) year following the date of the last work day to be considered as qualifying experience. The parties hereby confirm that I-9 information must be provided to CSATF as a condition of placement on the Industry Experience Roster.

(2) A person in the Entry Level classification shall be transferred to the Journeyman classification upon the completion of at least two hundred (200) actual workdays collectively with one or more Producers.

(3) By way of clarification, the parties agree that the Entry Level classification is for purposes of determining the rate of pay only.

(b) Maintenance of the Studio Roster

Producer has established and will maintain, as herein provided, a Studio Experience Roster, referred to as the "Studio Roster," composed of those persons subject to this Agreement who were on the Studio Experience Roster in Industry Group 1 as of February 1, 1976.

An employee who is removed or terminated from the Studio Seniority Roster, as provided in subparagraph (d) of this Paragraph 68, shall not be replaced and no further additions shall be made to such roster.

(c) Hiring, Layoff and Rehire

Producer shall give preference of employment to qualified available persons in the job classifications hereunder as follows:

(1) In the job classifications hereunder, except the classification of Chief Lighting Technician, such preference of

employment in hiring and rehiring shall be first given to such qualified persons in the Studio Roster group; in the event that there are insufficient available qualified persons in the Studio Roster group to meet the employment needs of the Producer in such job classifications, the next preference shall be given to persons listed on the Industry Experience Roster in the Journeyman or Entry Level classifications; in the event there are insufficient available qualified persons listed on the Industry Experience Roster in such classifications, the Producer may secure employees from any source.

Consistent with the foregoing provisions of this Paragraph 68(c)(1), the Producer shall give first consideration for re-employment to any individual who, as a result of working lengthy hours overlapping into the next day, is not recalled to work on that day because the appropriate rest period has not been given.

Except as otherwise herein specifically provided, each qualified person listed in the Studio Roster Group or on the Industry Experience Roster shall have equal preference of employment with all other qualified persons in the studio group or Industry Roster, respectively, and the Producer shall have complete freedom of selection within the Studio Roster Group or Industry Experience Roster for employment purposes under this Agreement.

(2) With respect to such hiring and rehiring, the Producer shall notify the Local Union of its need to fill calls for “extra” employees in such classifications and may also specifically request particular named persons from the Industry Experience Roster. Upon such notice or request, the Local Union will undertake to obtain and dispatch to Producer such persons so specifically requested or, on the other hand, when persons are not so requested, any available, qualified, eligible persons from the Industry Experience Roster in accordance with the above preference of employment provisions. Producer reserves the right to select those to be hired or rehired, as the case may be, from among such eligible persons who are so dispatched to Producer, as above provided. Neither as to such undertaking or dispatching by the Union nor as to any other related portion of this Agreement will the Union discriminate either in favor of or against any person by reason of membership or non-membership in the Union. Producer shall not in any manner be liable hereunder for any alleged violation of this Paragraph 68 because of the Producer’s employment of any person through the dispatching facilities of the Union, as above provided.

The Local Union agrees to keep its offices open and available to service the Producer from 8:00 a.m. to 6:00 p.m. It is understood that the above provisions with respect to the Producer’s

utilization of the dispatching facilities of the Union apply only to the filling of such “extra” calls from available, qualified persons from the appropriate classification within the single seniority group of the Industry Experience Roster; that such provisions do not apply in the event Producer does not meet its employment needs in such classifications from among the available, qualified persons in the appropriate classifications contained within the single seniority group of the Industry Experience Roster and Producer is required to employ persons from other sources, in which event the recruiting of such new employees shall only be done by Producer directly. The terms and conditions of this Paragraph shall not in any manner affect any of the other provisions of this Paragraph 68. The parties hereto shall post, in places where notices to employees and applicants for employment are customarily posted, all of the provisions of this Paragraph 68.

(3) In the event of layoffs in the job classifications hereunder, Producer will lay off in the inverse order of seniority; *i.e.*, first, all employees in such job classifications not listed on the Industry Experience Roster; then, employees who are on the Industry Experience Roster; and, lastly, employees who are in the Studio Roster Group.

The above layoff provisions, with respect to Weekly Schedule employees, shall be effective as of the completion of such employees’ current assignment.

Schedule A Daily employees on distant location may be retained out of Studio Roster status or Industry Experience Roster status, as the case may be, until one day after the return of the employee to the studio. Notwithstanding anything in this Paragraph 68 to the contrary, an employee properly hired and assigned to an “on production” position may be retained without being bumped.

(4) In administering hiring, layoff and rehiring, the Producer, upon giving advance notice to the Local Union, may (i) call, retain or recall out of Studio Seniority status, or Industry Experience status, as the case may be, an employee because of his special studio experience, skill and qualifications for the duties and/or equipment necessary for operation, or (ii) call or recall, and thereafter retain, out of Studio Seniority status or Industry Experience status, as the case may be, an employee because there are insufficient qualified available persons in the Studio Seniority Group or the classifications contained in the single seniority group of the Industry Experience Roster, respectively, as the case may be, as above provided.

In the event that it is not possible for the Producer to give such advance notice to the Local Union, Producer may so call,

retain or recall out of Studio Seniority status or Industry Experience status, as above provided, but shall notify the Local Union as soon as possible thereafter. If no protest is presented to Producer by the Union Representative within twenty-four (24) hours after receipt of such notice, Saturdays, Sundays and recognized holidays excepted, the protest shall be deemed to be waived. If the Union shall protest, the Union Representative shall promptly discuss with the Director of Industrial Relations of Producer the application of such exception and settle the dispute if at all possible.

In the event of a failure to settle the dispute in the discussion, as provided above, the matter shall be subject only to the expedited arbitration procedure provided for in Article 7 and shall be heard within three (3) working days from the time of notification by the Union to CSATF of the failure to settle such dispute. Such procedure shall be limited as herein provided. Failure or refusal of such representative of either party to meet at the appointed time shall constitute an automatic and final withdrawal or approval of the protest, as the case may be.

If, in such expedited arbitration procedure, it is determined there was no need to call, retain or recall an employee out of Studio or out of Industry Experience status, as the case may be, the arbitrator may require Producer to forthwith employ a person in Studio Seniority or Industry Experience Roster status, whichever the case may be. If the matter is so determined, the individual may immediately be awarded back pay, if any, but in no event more than three (3) days back pay. No other penalty may be imposed on the Producer. The decision in such expedited arbitration shall be final and binding and the expedited arbitrator's authority to decide shall be limited to the issue and remedy herein provided. The above procedure shall be the exclusive remedy for any dispute arising under this Paragraph and such dispute shall not be subject to the provisions of Article 7 of this Agreement.

(d) Removal of Person from Producer's Industry Experience Roster and Studio Seniority Roster

(1) (i) A person shall be removed from the Industry Experience Roster and the Studio Seniority Roster if such person has not been employed for at least one (1) day within the crafts and classifications of work of such Roster under this Agreement, the Videotape Electronics Supplemental Basic Agreement, the 2012 Supplemental Digital Production Agreement or the Commercial Film Supplemental Agreement within a consecutive three (3) year period. In such event, CSATF will notify, in writing, the Local Union and the involved person at his last known address of the intended removal and

specify the date of such removal. Such notice shall be given not less than fifteen (15) business days prior to removal of such person from the Industry Experience Roster.

(A) The IATSE or a Local Union designated by the IATSE and/or the involved person shall have the right to challenge the removal based on good and sufficient cause existing for the person's being unavailable for employment under the Agreement within the three (3) year period, by submitting a written protest within twenty (20) business days following receipt of the notice of intention to remove the individual from the Roster. If no protest is filed within said time period, the right to protest is waived. In the event of a protest, the person's name will not be removed from the Industry Experience Roster until the matter has been determined.

(B) Protests involving removal shall be subject to the following procedure:

(1) The IATSE and CSATF agree to submit to final and binding arbitration before the impartial arbitrator disputes involving the removal of any person on the Industry Experience Roster.

(2) In an arbitration conducted pursuant to this Article, CSATF shall participate as a party, and the IATSE, or a West Coast Studio Local Union designated in writing by the IATSE, shall represent the IATSE. Any person whose intended roster removal is involved in such dispute shall be entitled to have his own counsel at his own expense present at the arbitration.

(3) The IATSE and CSATF select Fredric Horowitz to act as the impartial arbitrator in all cases submitted to arbitration under this Article and Mark Burstein as the alternate impartial arbitrator in the event the impartial arbitrator is unavailable or unwilling to act. In the event that both the impartial arbitrator and the alternate arbitrator are unable or unwilling to act, the arbitrator shall be selected by mutual agreement of the IATSE and CSATF.

(4) The impartial arbitrator shall hold a hearing within ten (10) business days after receipt of a request from the IATSE or CSATF. Such hearing shall be held on an informal basis. The arbitrator shall have the authority to establish uniform and equitable procedures for the conduct of the hearing.

(5) The award of the arbitrator shall be rendered in writing within twenty (20) business days after the conclusion

of the hearing unless the time is expressly extended by the CSATF and the IATSE. The written award of the impartial arbitrator shall be final and binding upon the IATSE and its West Coast Studio Locals, CSATF and any person whose roster removal is at issue.

(6) The fees of the impartial arbitrator and the costs of the arbitration, if any, shall be shared equally by CSATF and by the IATSE or the involved IATSE West Coast Studio Local Union. All other costs and fees shall be borne by the party incurring the same.

(7) Any of the time limits set forth herein may be extended by mutual agreement of the parties.

(C) For purposes of this provision, a person shall be deemed to have “good and sufficient cause” for being unavailable for employment for any of the following reasons:

(1) Such person was employed in a labor relations position by the Alliance of Motion Picture and Television Producers; the Association of Motion Picture and Television Producers, Inc.; Contract Services Administration Trust Fund; the Motion Picture Industry Pension and Health Plans; the International Alliance of Theatrical Stage Employees and Moving Picture Technicians, Artists and Allied Crafts of the United States, its Territories and Canada; any of the IATSE West Coast Studio Local Unions; or any other labor organization recognized by the member companies of the Alliance of Motion Picture and Television Producers as the bargaining representative for an appropriate unit of employees employed in the motion picture industry.

(2) Such person was employed by any Employer who is a member of the multi-employer bargaining unit which consists of those companies listed in the 2018 IATSE Basic Agreement and those Producers which have effectively consented to be part of the said multi-employer unit.

(3) Such person had a disability which prevented him from performing work assigned to the craft(s) or classification(s) in which he was formerly employed.

(4) Any other good and sufficient cause as determined by the arbitrator in accordance with the foregoing procedures.

(ii) The parties confirm that an employee on permanent disability status with one Producer will be removed from the

Industry Experience Roster in that craft and may not work for another Producer in that craft.

(2) A person may be removed by the Producer from its Industry Experience Roster for any of the following reasons:

(i) Discharge by the Producer for cause. Producer will immediately notify employee and Local Union and will reduce the cause for discharge into writing and mail or deliver same to the employee, the Local Union and CSATF. In the event the discharge is not protested in writing within ten (10) calendar days from receipt by the Union of notice (excluding Saturdays, Sundays and holidays), the discharge shall be deemed to be for cause and shall not be subject to the grievance procedure hereunder or any other procedure. If such protest is made within such ten-day period, it shall immediately be submitted to Step One of the grievance procedure in Article 7. Either party may, within the time provided in Step One, elect to go either through (A) Steps Two and Three of the grievance procedure; or (B) directly to expedited arbitration. The selection by either party of expedited arbitration shall prevail. Three discharges for just cause shall subject the employee to automatic removal from the Industry Experience Roster.

(ii) If an employee is called three (3) times by the Producer and refuses such calls, the Producer will give written notice to the Local Union of such employee's failure to accept such calls and the Union will be given seven (7) days to ascertain the reason for such employee's refusals. After seven (7) days have elapsed after receipt of notice by the Union, if such employee fails again to accept a call by the Producer, the Producer may remove such employee from the Producer's Studio Seniority or Industry Experience Roster by written notice to such employee.

(iii) Voluntary resignation. The Union shall be notified of the employee's action.

(iv) In the event a person called by the Producer accepts the call and fails or refuses to report for work after accepting such calls on two (2) occasions during the term of this Agreement, the Producer may remove such employee from the Producer's Industry Experience Roster by written notice to the employee. The Producer agrees to notify the Union in writing of such employee's first failure to report for work after accepting such call.

(v) A person may also be removed from the Studio Seniority Roster for unauthorized leave of absence.

(vi) A person may be removed from the Studio Seniority Roster only if he is laid off and not rehired, under the terms and conditions of this Agreement, for a period of nine (9) consecutive months.

(vii) Death.

(viii) Retirement, whether fully or partially, under the Motion Picture Industry Pension Plan or any of the private retirement plans designated in Article XV of the Motion Picture Industry Pension Plan Trust Agreement; however, the Producer may employ such employee as though he had not been removed from such Roster.

(ix) Absence because of illness exceeding one year, provided Union receives prior written notice.

(3) A person on the Producer's Industry Experience Roster who is called for work and is properly unavailable for work may be temporarily removed from such roster until he notifies the Producer of his availability. During the time the person is so temporarily removed from such roster, the Producer is not obligated to call such person.

(4) The Local Union may advise CSATF of the name of any person who has not complied with the obligations of Article 3 of this Agreement within sixty (60) days following such person's placement on the Industry Experience Roster. The Local Union shall also provide CSATF with documentation indicating that the employee has been given the opportunity, as required by law, to pay to the Local Union any delinquent fees and/or dues required by law. In such event, the person shall be deemed unavailable for employment and his name shall be removed from the Industry Experience Roster.

In the event of a protest involving removal of a person from the Industry Experience Roster pursuant to this subparagraph (4), the provisions of Paragraph 68(d)(1)(i)(B) shall apply.

Any problems caused by or relating to the administration of this subparagraph (4) shall be referred to IATSE President Matthew D. Loeb, or his designee, and to AMPTP President Carol A. Lombardini, or her designee, for resolution.

(5) A person on the Industry Experience Roster who fails to successfully complete legally required industry safety training courses by a date to be mutually agreed upon by the IATSE and AMPTP, or refresher Safety Pass training and/or harassment prevention training by a date scheduled by CSATF, shall be temporarily removed from the

Industry Experience Roster. The IATSE and AMPTP agree that a person must complete all required courses and/or training within six (6) months of placement on the Industry Experience Roster.

During the time the person is so temporarily removed from such Roster, the Producer is not obligated to call such person. The person shall be reinstated to his/her former Roster status upon successful completion of said courses and/or training.

(e) Absences

For the purposes of this Paragraph 68, an employee who has been employed in any of the job classifications covered by this Agreement shall not be removed from the Industry Experience Roster for any of the following reasons:

(1) Absence because of illness not exceeding one (1) year;

(2) Absence because of military service;

(3) Absence because of service (in the same line of occupation pursued by the employee in the motion picture industry) for the United States Government on any research projects for the defense of the United States, provided such employee was expressly recruited by authorized government representatives for such service;

(4) Employment by a Local Union which represents employees in job classifications covered by the I.A.T.S.E. Basic Agreement;

(5) Employment by the Producer as a supervisor when the employee has had previous work and experience in the motion picture industry in the job classifications covered by this Agreement.

The burden of proving the above absences from service with Producer shall be on the employee.

(f) Establishing Eligibility

In order for any eligible person to be placed on the Industry Experience Roster of Producer, such person shall make written application to be placed on such Roster, on application forms provided for such purpose.

Satisfactory completion of the "A" safety training course and the harassment prevention training course through CSATF is required for placement on the Industry Experience Roster.

Any person claiming to have fulfilled the Industry Experience Roster requirements shall have the burden of establishing and proving such claims.

With respect to calls for work, the Producer's call record shall be *prima facie* evidence of the fact such person was called and said call record shall be available for inspection by the Union.

(g) Roster Certification Form

The Producers and the Union have jointly developed a form for use by all employers to notify CSATF that an individual is being certified for Roster placement. The form includes provisions for:

- (1) the number of qualifying days worked by the employee;
- (2) the roster classification within which the employee worked; and
- (3) a notation whether the work performed was satisfactory or unsatisfactory.

Said Studio Seniority Roster and Industry Experience Roster, as compiled by the Producer, will be posted by the Producer as soon as practicable on the bulletin board in the applicable studio departments. A copy of such rosters shall be furnished to the IATSE and the Local and the Local Union shall post a copy of such rosters on the bulletin board at its business office as soon as practicable.

Except as otherwise provided, the said rosters shall be revised from time to time as required.

Such rosters, when posted, shall remain posted for a period of thirty (30) days.

Any objections by the Union or any person affected to the contents of any such roster as so posted shall be made, in writing, to the Producer within such thirty (30) days and, if not so made, shall be deemed to be waived.

(h) Roster Arbitration Procedure

Disputes regarding the placement of any person on the Industry Experience Roster arising from the contention that the person is not eligible to be placed on the Roster under the applicable Agreement shall be resolved in the following manner:

(1) CSATF shall notify the IATSE and the Local Union involved of its intention to place a person on the Industry Experience Roster. CSATF's notice shall contain the individual's name, address, telephone number and social security number, provided CSATF possesses such information. The IATSE or the Local Union may protest the intended action of CSATF within ten (10) business days by a written notice to CSATF. The IATSE and the affected Local shall have the right to challenge any roster placement with respect to the qualifications required pursuant to subparagraphs (g)(1) and (g)(2) above. In the event of a protest, CSATF shall notify the Producer(s) involved and the person. The person will not be placed on the roster until the matter has been determined. Upon such protest, a hearing shall be scheduled before the impartial arbitrator. If no protest is filed within ten (10) business days, the respective parties waive the right to protest.

(2) The IATSE and the Producers agree to submit to final and binding arbitration, before the impartial arbitrator, disputes involving the placement of any person on the Industry Experience Roster in accordance with this Article.

(3) The IATSE and Producers select Fredric Horowitz to act as the impartial arbitrator in all cases submitted to arbitration under this Article, and Mark Burstein as the alternate impartial arbitrator in the event the impartial arbitrator is unavailable or unwilling to act.

(4) In an arbitration conducted pursuant to this Article, CSATF shall participate as an administrative witness and a custodian of records, and the IATSE or a Local Union designated in writing by the IATSE shall represent the IATSE. Any person whose intended roster placement is involved in such dispute shall be entitled to have his own counsel at his own expense present at the arbitration. This provision shall not be construed as conferring upon such person the rights of a third party to the arbitration, and such arbitration will be solely between the Producer(s) and the IATSE.

(5) The impartial arbitrator shall hold a hearing within ten (10) business days after receipt of a request from the IATSE or Producer(s). Such hearing shall be held on an informal basis. The

arbitrator shall have the authority to establish uniform and equitable procedures for the conduct of the hearing.

(6) The award of the arbitrator shall be rendered in writing within ten (10) business days after the conclusion of the hearing unless the time is expressly extended by the Producer(s) and the IATSE. The written award of the impartial arbitrator shall be final and binding upon the IATSE and its West Coast Studio Locals, CSATF, the Producer(s) and any person whose roster placement is at issue. In the event that the award of the impartial arbitrator is to place the individual's name on the roster, the person's roster date shall be retroactive to the date that said person would have been placed on the roster but for said protest.

(7) The fees of the impartial arbitrator and the costs of the arbitration, if any, shall be shared equally by the Producer(s) and by the IATSE. All other costs and fees shall be borne by the party incurring same.

69. Substituting for Department Head

Whenever the Producer designates an employee to substitute for a department head or assistant department head, for periods of time such as vacations, extended leave of absence or prolonged illness, such employee will be paid, during the substitution period, at the highest weekly rate in the wage schedule applicable to the classification in which the substitution occurs or, if the relieving employee is then receiving such highest weekly rate, he shall receive as additional compensation a bonus of fifteen percent (15%), but in no case more than the current rate of the person for whom he substitutes.

70. Reporting of Accidents

The nature and place of hospitalization of all accident cases requiring hospitalization shall be reported to the Union as soon as practicable after the accident. An employee who is injured while at work hereunder shall be credited with not less than a minimum call on the day of such injury.

71. Employees in the Armed Services

Recognizing the moral and legal responsibility to the employees subject to this Agreement who have entered into the Armed Services, the Producer and the Union agree that they have a joint responsibility (subject to the then-existing statutes) in the reinstatement of such employees to the jobs such employees held prior to their entry into the Armed Services.

Producers and the Union agree that employees temporarily holding such jobs will be displaced by such returning employees.

72. Vacations

Vacations with pay will be allowed as follows:

(a) Daily Schedule Employees

(1) Vacation pay for a person employed solely under a Daily Schedule shall be computed at the rate of four percent (4%) of total annual earnings for those hours worked at straight time, including hours worked on night premiums at straight time and hours paid as vacation time, during the employee’s personal income tax reporting year.

Daily Schedule Employment: 4% of straight time earnings including hours worked on night premiums at straight time.

Weekly Schedule Employment: 4% of guaranteed weekly earnings.

(c) To determine, for vacation purposes, the number of days worked in any workweek, the following formulae shall be used:

(1) Daily Schedule Employees (who also worked under a weekly schedule in the preceding year):

Studio Employment

$\frac{5}{40} \times$ Total hours worked at straight time (including hours worked on weekday night premiums) to a maximum of forty (40) hours.

(2) Cumulative Weekly or "On Call" Weekly Employees:

Days worked are equal to the number of minimum calls paid for days other than the sixth or seventh days in the employee's workweek, subject to the provisions of Paragraph 72(b)*, above.

(d) To determine, for vacation purposes, the rate at which each vacation day shall be paid, the following formulae shall be used:

(1) Daily Schedule Employees (who also worked under a weekly schedule in the preceding year): One (1) day is equal to eight (8) hours average pay at straight time.

(2) Cumulative Weekly Schedule Employees: One (1) day is equal to one-fifth (1/5) of average weekly earnings, limited each week to the hours specified under the employee's weekly wage schedule.

(3) Rates of pay shall be those in effect during the year in which the vacation is earned ("preceding year").

(4) “On Call” Weekly Schedule Employees: One (1) day is equal to pay of one-fifth (1/5) of weekly rate in effect at start of vacation.

(e) Additional Vacation Provisions

The following additional vacation provisions shall apply to Weekly or Daily Schedule employees who meet the necessary eligibility qualifications:

(1) Eligibility Requirements

Commencing with vacations earned in the year 1979 and payable in the year 1980 and thereafter, eligible employees shall be those employees who actually worked for Producer for eight (8) consecutive “eligible” years, with an aggregate of not less than 1,600 “straight time” days worked with Producer in such eight (8) years.

As used in this provision, the term “year” shall mean the employee’s personal income tax earnings year (also hereinafter referred to as “tax year”); the term “eligible year” shall mean a tax year in which the employee worked one hundred (100) or more “straight time” days for Producer;⁶ the term “straight time” days shall be deemed to include the five (5) or six (6) days of employment, as the case may be, specified under the respective five (5) or six (6) day cumulative weekly schedules.

Any tax year in which the employee actually works less than one hundred (100) “straight time” days for Producer shall be excluded in computing the required eight (8) “eligible” tax years, and the “straight time” days worked in such year shall not be counted in computing the required aggregate of 1,600 “straight time” days to be worked in such eight (8) tax years.

Employees who fail to work more than one hundred (100) “straight time” days for such employer in each of any two (2) consecutive tax years shall, at the end of such second year, be considered new employees hereunder with no previous employment credit with Producer for the purpose of establishing the above eligibility requirements. Provided, however, that in determining such two (2)

⁶ The term “eligible year” shall be applied in the following manner with respect to calendar year 1988 to take account of the WGA strike: As to calendar year 1988 only, an employee shall be deemed to have an “eligible year” if he has worked at least seven-twelfths (7/12) of the number of days otherwise required under Paragraph 72(e) to attain an eligible year. Thus, any employee who has worked 58 or more “straight time” days for Producer during calendar year 1988 shall be deemed to have an “eligible year” for purposes of the additional vacation provision.

consecutive years, no year shall be included (and the “straight time” days worked in such year shall not be counted for any eligibility purposes hereunder) in which the employee could not work one hundred (100) “straight time” days for Producer due to either or both of the following:

(i) The period of recorded leaves of absence granted by Producer;

(ii) For the period during which the employee was absent and physically unable to work for Producer solely as a result of an “industrial accident” occurring to such employee while employed by Producer.

(2) Vacation Days and Pay

Commencing with October 26, 1955, such weekly or daily employees who become eligible on or after such date, as above provided, shall, beginning with the date they so become eligible, earn with Producer fifty percent (50%) more in vacation time and money based upon the applicable weekly or daily employee⁷ vacation schedule set forth above; any such employee shall be limited to earning a maximum of only fifteen (15) days vacation per year. Provided, that for the remainder of any such tax year in which such an employee becomes eligible, he shall only earn additional vacation time and money, as above provided, based solely on the “straight time” days he worked for Producer after he so became eligible and within the remaining portion of each year, to be computed separate and apart at the rate of one-half of the vacation benefit specified under the above applicable daily or weekly vacation schedule.

(3) Loss of Eligibility

Employees who become eligible, as above provided, but who thereafter either resign from employment with Producer or fail to work for Producer more than one hundred fifty (150) “straight time” days⁸ in any one tax year shall, as of the last day of such tax year or, in the case of resignation, the date of such resignation, lose such eligibility and right to earn the additional vacation days and pay above provided; in such event, they shall thereupon be considered new employees

⁷ Vacation pay for such employee employed solely under a daily schedule shall be computed at the rate of 6.2762% instead of 4% as set forth in subparagraph (a)(1), above, of this Paragraph 72.

⁸ For purposes of calendar year 1988, the “more than one hundred fifty (150) ‘straight time’ days” requirement shall be reduced to “more than eighty-eight (88) ‘straight time’ days” to take account of the WGA strike.

hereunder with no previous employment credit with Producer for the purpose of subsequently establishing the above eligibility requirements.

In determining whether any employee loses his eligibility for failure to work for Producer more than one hundred fifty (150) “straight time” days in a tax year, as above provided, no such year shall be counted for this purpose in which the employee could not work at least one hundred fifty-one (151) “straight time” days for Producer due to either or both of the following:

(i) The period of recorded leaves of absence granted such employee by Producer;

(ii) The period during which such employee was absent and physically unable to work for Producer solely as a result of an “industrial accident” occurring to him while employed by Producer.

(4) Eligibility Credit

For the purposes of determining “eligible” years and “loss of eligibility” only, as above provided, employees who leave the employ of Producer to perform military service and who remain in the Armed Forces of the United States in accordance with the applicable National Selective Service Act (or other subsequently enacted comparable national legislation then in effect pertaining to such service), shall be credited as having worked for Producer the number of applicable days the employee would normally have been employed by Producer for “straight time” days in each workweek of the period of such service.

(f) Daily and Weekly Schedule Employees

(1) Vacations are earned in one personal income tax earnings year and are paid for in the succeeding calendar year.

(2) Vacations shall not be cumulative between calendar years and shall be taken at times approved by the Producer.

(3) Days that would otherwise constitute the sixth or seventh day worked in the employee’s workweek and holidays occurring during vacation periods are not counted as days granted.

(4) When any portion of the vacation period is less than a full payroll week, by mutual agreement between the Producer and the employee, the Producer may grant leave of absence without pay for the remaining fractional portion of the payroll week.

(5) Eligible employees who are no longer employed at the beginning of the calendar year in which their vacation pay for the preceding year is payable may obtain such vacation pay at any time subsequent to March 15 by notifying the Producer of their desire to obtain such vacation pay. Such notice shall set forth a date on or subsequent to the date of notice for the commencement of the period to which such vacation pay shall apply. The designation of such commencement date shall be at the sole discretion of such employees, and the Producer agrees to pay such employees the vacation pay due on or prior to such commencement date, but in no event shall the Producer be obligated to make such payment prior to March 15.

(6) In the event of a layoff, an employee eligible for vacation shall not be required to take vacation at time of layoff.

(7) Each eligible employee shall, if he so desires, submit to his department head, prior to June 1st, three (3) vacation dates in the order of his preference. In the event that none of the three (3) preferential dates is granted, the department head may establish date of vacation if conditions permit. However, he shall give any such employee not less than one week's notice as to date of vacation unless, upon the request of the employee, it is otherwise mutually agreed. Employees who do not submit preferential dates shall receive vacations on dates subject to the discretion of the department head.

(8) Producer shall pay an eligible employee his vacation pay check not later than noon of the pay day preceding the commencement day of his vacation, provided the employee has made a request to Producer for such vacation check at least one week prior to such pay day preceding the commencement of such vacation.

(9) If a successor company buys out Producer and continues the operation of Producer's studio, and if the buying company continues the employment at the studio of an employee of Producer, such employee shall retain with the buying company his appropriate vacation pay experience credit accrued with the selling company. If such employee is not so continued in employment by the buying company, then only Producer is responsible for any vacation pay due the employee at the time of his termination. If such employee is offered employment by the buying company, but elects not to continue his employment with the buying company, he shall be entitled to his accrued vacation pay from Producer.

(10) Presentation of Claim for Vacation and/or Holiday Pay

(i) Producers that currently pay for vacations and/or holidays on a weekly basis shall continue to adhere to their existing practice. Producers that currently make vacation and/or holiday payments pursuant to subparagraph (f)(10)(ii) below may instead elect on a production-by-production basis to pay on a weekly basis.

(ii) Producers that currently pay for vacations and/or holidays at the end of the calendar year shall elect one of the following procedures for employees on layoff and for employees on payroll:

(A) With respect to employees on layoff:

(1) On or after March 15 of the year following the calendar year in which vacation and/or holiday pay was earned, the Producer shall either:

(a) Mail or deliver to such employee his vacation and/or holiday pay; or

(b) Notify each such employee that he should claim his vacation and/or holiday pay pursuant to the provisions of this Agreement.

(2) In the event the Producer mails the employee's vacation and/or holiday paycheck and it is returned or if the employee fails, within thirty (30) days following the date of mailing of the notice referred to in subparagraph (f)(10)(ii)(A)(1)(b) above, to claim his/her vacation and/or holiday pay, the Producer shall notify the Local Union of the names of those employees who have not claimed vacation and/or holiday pay. In the case of employees whose checks were returned, the Producer shall also forward the returned check(s) to the Local Union.

(3) The Local Union shall endeavor to locate any employee who has not claimed his vacation and/or holiday pay. If it does so, it shall forward to the employee his check or otherwise advise the employee of the department of the Producer to contact to claim such pay.

(4) If the Local Union is unable, within thirty (30) days following its receipt of the notice referred to in subparagraph (f)(10)(ii)(A)(2) above, to locate such employee(s), the Local Union shall so advise the Producer and return any unclaimed check(s) to the Producer.

(5) On or about March 15 of the second calendar year following the year in which vacation and/or holiday pay was earned (“the second calendar year”), employees who have not claimed their vacation and/or holiday pay will be notified that unless claimed by July 15 of that year, such pay will be sent to the Motion Picture Industry Pension Plan. On or about May 15 of the second calendar year, Producer will furnish to the Local Union a list showing the names of those employees who have not claimed vacation and/or holiday pay and the amount of holiday and/or vacation pay due to each, together with a notice that unless claimed by July 15, such holiday and/or vacation pay will be sent to the Motion Picture Industry Pension Plan.

(6) On or about July 15 of the second calendar year, unclaimed vacation and/or holiday pay will be contributed to the Motion Picture Industry Pension Plan and credited to the appropriate employee pension plan account. Money so contributed shall not be returned to the employee and shall fully discharge the Producer’s and the Local Union’s obligations hereunder to the employee with respect to the payment of vacation and/or holiday pay.

(B) With respect to employees on payroll:

(1) On or after March 15 of the year following the calendar year in which vacation and/or holiday pay was earned, the Producer shall either:

(a) mail or deliver to such employee his vacation and/or holiday pay; or

(b) notify each such employee that he should request holiday pay pursuant to the provisions of this Agreement and schedule his vacation according to this Agreement.

(2) In the event the employee fails to request such holiday pay and/or to schedule his vacation within thirty (30) days after the date of mailing of the notice referred to in subparagraph (f)(10)(ii)(B)(1)(b) above, the Producer shall notify the Local Union of the names of those employees who have not claimed such pay and/or scheduled their vacation.

(3) The Local Union shall, within thirty (30) days after receipt of the notice referred to in subparagraph (f)(10)(ii)(B)(2) above, endeavor to notify the employee and advise him to claim holiday pay and to schedule his vacation.

(4) On or about March 15 of the second calendar year, employees who have not claimed their vacation and/or holiday pay will be notified that unless claimed by July 15 of that year, such pay will be sent to the Motion Picture Industry Pension Plan. On or about May 15 of the second calendar year, Producer will furnish to the Local Union a list showing the names of those employees who have not claimed vacation and/or holiday pay and the amount of vacation and/or holiday pay due to each, together with a notice that unless claimed by July 15, such holiday and/or vacation pay will be sent to the Motion Picture Industry Pension Plan.

(5) On or about July 15 of the second calendar year, unclaimed vacation and/or holiday pay will be contributed to the Motion Picture Industry Pension Plan and credited to the appropriate employee pension plan account. Money so contributed shall not be returned to the employee and shall fully discharge the Producer's and Local Union's obligations hereunder with respect to the payment of vacation and/or holiday pay.

(iii) New signatory Producers shall adhere to the practice of paying vacation and/or holiday pay currently on a weekly basis unless other arrangements are made by them with the IATSE.

73. Jurisdictional Disputes

The Union agrees to cooperate in good faith with the Producer and other Local Unions in the industry in working out a method for the determination of jurisdictional disputes without work stoppages. Appropriate clauses shall be incorporated in this Agreement to cover any method or means that shall be agreed upon.

73.1 Letter of Understanding re Procedure for Implementing Paragraph 73

(a) If a jurisdictional dispute should arise between or among the West Coast Studio Local Unions, it will be submitted to the IATSE for resolution.

(b) Prior to rendering a decision thereon, the IATSE shall notify the AMPTP of the existence of the dispute and, upon request of the AMPTP, shall consider the position of the Producer concerning the dispute.

(c) In the event that the AMPTP disagrees with the IATSE decision as to which Local should be assigned the work, the IATSE

agrees to meet with the AMPTP in a good faith effort to resolve the question.

74. Severance Pay

(a) General

(1) (i) An employee employed by the Producer under this Agreement or its predecessor agreements for one or more qualified years (as defined in subparagraph (f) hereof) whose employment is severed after August 1, 2018; or

(ii) an employee who had at least one (1) qualified year (as defined in Paragraph 74(f) of this Agreement) as of August 1, 1985 who has made the required application for retirement to the Motion Picture Industry Pension Plan at least sixty (60) days prior to retiring or has made the required application for retirement to any private retirement plan referred to in Article XV of the Trust Agreement of the Motion Picture Industry Pension Plan and who retires shall receive the applicable severance pay set forth below (as modified by subparagraphs (c) and (d) hereof) unless such employee is disqualified for severance pay purposes pursuant to subparagraph (e) hereof.

Qualified Years	Number of Weeks of Severance Pay
1-2	1
3-4	2
5-8	3
9	4
10	5
11-12	6
13-14	7
15	8
16	9
17	10
18	11
19	12
20	13

The rate at which severance pay is payable shall be determined in the same manner as the rate at which vacation pay is determined under the vacation pay provisions of this Agreement; provided, however, that the base period used in computing the

employee's average earnings shall, for the purpose of severance pay, be based on the twelve (12) consecutive month period ending on the date of severance, instead of the employee's personal income tax earnings year used in computing vacation pay.

(2) Ninety (90) elapsed days after severance occurs such employee shall be entitled to:

(i) one (1) week of said severance pay if he has two (2) or less qualified years as of date of severance;

(ii) two (2) weeks of said severance pay if he has three (3) or more qualified years as of date of severance; provided, however, such employee shall not receive such severance pay if within such ninety (90) day period he receives the following employment by Producer:

(A) five (5) days' employment, not necessarily consecutive, if he has one (1) or two (2) qualified years as of the date of such severance;

(B) eight (8) days' employment, not necessarily consecutive, if he has three (3) qualified years as of the date of such severance;

(C) ten (10) days' employment, not necessarily consecutive, if he has four (4) or more qualified years as of the date of such severance.

(3) If such employee entitled to severance pay after ninety (90) elapsed days has five (5) or more qualified years as of the date of severance, he shall be entitled to the balance of his accrued severance pay ninety (90) elapsed days following the completion of the first ninety (90) day period, unless during the second ninety (90) day period he receives fifteen (15) days' employment by Producer, not necessarily consecutive.

(4) Notwithstanding the provisions of subparagraphs (2) and (3) above, an employee who retires in accordance with subparagraph (a)(1)(ii) above shall receive severance pay within thirty (30) days following his retirement.

(b) Payment of Full Severance Pay

Once an employee has received full accrued severance pay, pursuant to subparagraph (a) above, he shall thereafter be a new

employee for severance pay purposes and future computation of qualified years shall apply only to employment by Producer, if any, after the receipt of such full severance pay.

An employee who retires pursuant to subparagraph (a)(1)(ii) above and receives his full accrued severance pay shall be removed from the Industry Experience Roster and the Studio Seniority Roster of the Producers.

(c) Offset

If an employee on the date of severance of employment with Producer after January 31, 1961 would otherwise already have five (5) or more qualified years with Producer, he shall be entitled to the total number of weeks of severance pay, as provided in (a) above, less an “offset” in the number of weeks of any severance pay he received from Producer before January 31, 1961 in connection with employment which is considered in the computation of such qualified years or with “bridged” years as referred to in subparagraph (f) hereof. This “offset” shall apply only towards payments due after the completion of the second of two ninety (90) day periods referred to in subparagraph (a)(3) above. In this instance, payment by Producer of full severance pay to employee prior to January 31, 1961 shall not break the employee’s employment with such Producer for purposes of computing consecutive qualified years hereunder.

(d) Reduction of Severance Pay Amounts

Any severance pay paid to an employee after January 31, 1961 shall correspondingly reduce the total number of weeks of severance pay to which he is thereafter entitled before again becoming a new employee hereunder. An employee who receives or has received full severance pay hereunder after January 31, 1961 shall be considered to be a new employee thereafter for severance pay purposes.

(e) Disqualification for Severance Pay

Employees hereunder shall be disqualified for severance pay in accordance with the provisions of subparagraphs (1) and (2) below.

(1) Refusal of Offers of Employment

If an employee rejects an offer of employment from Producer hereunder during either of the ninety (90) day periods referred to in subparagraph (a)(3) hereof, such employee shall lose his qualification for severance pay and, if subsequently rehired, shall be

rehired as a new employee for severance pay purposes. If any employee was not available or could not be reached when called for work by Producer, he shall be deemed to have rejected an offer of employment; provided, however, that:

(i) Producer shall be obligated, in the event of such rejection or unavailability, to notify the Union on the same day by telephone unless the Union office is not open, in which case such notification must be made on the next following workday, and to confirm such call by letter posted on the day of such notification to the Union.

(ii) If Producer is unable to reach the employee (including such inability to reach because no one answers employee's phone), Producer shall be obligated to telephone the Union and request the Union to make the call, in which event the Union shall either promptly confirm to the Producer by telephone its inability to reach the employee or advise the Producer by telephone that it has reached the employee and of the results of such call.

(iii) It is recognized that in certain circumstances it may be difficult for an employee to accept a call immediately when he is currently employed at another studio. It is further recognized that in certain circumstances it may be difficult for the employee, as well as a hardship to the studio at which he is then employed, to be required to accept a call immediately without any notice to his then present employer. It is believed that in the great majority of cases reasonable consideration would be given so that the employee would not lose his severance pay credits. To this end, it is the intent of the parties hereto that if an employee who is qualified for severance pay has been laid off by a studio and, within either of the ninety (90) day periods referred to, such studio recalls the employee at a time when such employee is unable to accept such recall because of other employment in the motion picture industry, then either of such ninety (90) day periods shall be deemed extended by a period equivalent to the period of employment for which the employee was being recalled, but in no event to exceed twenty (20) days. In the event such employee is again recalled within either of the ninety (90) day periods and does not accept such recall because of other employment in the motion picture industry, or for any other reason except as otherwise herein provided, then such employee shall lose his qualification for severance pay and, in the event he is subsequently rehired by the Producer, then such rehire shall be as a new employee for severance pay purposes, except that if the employee's call was on a daily basis, there may be two (2) extensions of either of the ninety (90) day periods by reason of inability to accept calls because of employment elsewhere in the motion picture industry.

(iv) If the employee is unavailable to accept such recall because of employment outside the motion picture industry at the time of such recall, he shall have a maximum of two (2) days after the date of such recall to make himself available and, if he fails to do so, then such employee shall lose his qualification for severance pay and, if he is subsequently rehired, shall be a new employee for severance pay purposes.

(2) Severance Beyond Control of Producer

In the event any severance is the result of a dismissal due to seniority requirements, a voluntary resignation or a layoff as a result of physical incapacity, epidemic, fire, action of the elements, strike,⁹ walkouts, labor dispute, governmental order, court order or order of any other legally constituted body, act of God, public enemy, war, riot, civil commotion or for any other cause beyond the control of the Producer, whether of the same or any other nature, the employee shall not be entitled to any severance pay arising out of the completion of both of the ninety (90) day periods following such severance. In the event any severance is the result of dismissal for cause, the employee so severed shall be disqualified for severance pay.

(f) Qualified Years

As used herein, the term “qualified years,”¹⁰ with respect to any employee, shall refer to the number of consecutive periods of three hundred sixty-five (365) consecutive days each, calculated backward from the date of his severance, in each of which the employee has been employed by Producer for two hundred (200) or more work days (including paid vacation days as work days); it being understood and agreed that if, in any such three hundred sixty-five (365) day period, such employee was employed for less than two hundred (200) work days by Producer, such three hundred sixty-five (365) day period shall not be counted as a qualified year but shall be “bridged” for severance pay purposes, with the result that any such three hundred sixty-five (365) day period or periods prior to such “bridged” year in which employee was employed by Producer for two hundred (200) or more work days shall be

⁹ The 1988 strike by the Writers Guild of America shall not be considered a disqualifying event for purposes of severance pay. Instead, any periods provided in Paragraph 74 shall be tolled for the duration of the WGA strike (March 7, 1988 through August 7, 1988).

¹⁰ The definition of a “qualified year,” for purposes of this Paragraph 74(f), shall be applied in the following manner to take account of the Writers Guild of America strike: As to calendar year 1988 only, an employee shall be deemed to have a “qualified year” if he has worked at least seven-twelfths (7/12) of the number of days otherwise required under this Paragraph to attain a “qualified year.” Thus, any employee who has worked one hundred seventeen (117) or more work days during calendar year 1988 shall be deemed to have a “qualified year” for purposes of this provision.

counted as a qualified year; provided, however, that any three hundred sixty-five (365) day period in which employee received any authorized leave of absence without pay shall be extended by the length of such leave and provided, further, that the computation of qualified years shall be subject to the following exceptions:

(1) If an employee is determined to have less than two (2) qualified years, he shall be credited with a qualified year only if, in addition to having been employed for at least two hundred (200) or more days in the three hundred sixty-five (365) days immediately preceding his date of severance, he shall have been employed for at least one (1) day during the first six (6) months of the eighteen (18) month period immediately preceding his date of severance, in which case he shall be credited with one (1) qualified year.

(2) Any period of two hundred seventy (270) consecutive days commencing prior to January 31, 1961 in which such employee was not actually employed by Producer will be deemed to have broken the employment record of such employee and no period prior to the completion of such two hundred seventy (270) days shall be considered in determining qualified years of such employee.

(3) With respect to any severance of employment of an employee which occurred between February 1, 1961 and January 31, 1965, both dates inclusive, the passage of two hundred seventy (270) days following such severance in which such employee was not employed and did not receive an offer of comparable employment under the terms and conditions specified in the predecessor collective bargaining agreement of this Agreement shall result in his being a new employee for severance pay purposes upon the completion of such two hundred seventy (270) day period.

(4) If an employee on the date of the severance of his employment under this Agreement after January 31, 1961 with Producer would otherwise have had one (1), two (2), three (3) or four (4) consecutive "qualified years" with Producer, but had received full severance pay prior to February 1, 1965, then he shall be deemed to be a new employee for severance pay purposes after being rehired and the applicable consecutive qualified years shall be based and computed only upon his employment with Producer after he so became such a new employee.

(g) Severance Obligation of Successor Company

If a successor company buys out Producer and continues the operation of Producer's studio, and if the buying company continues the employment at the studio of an employee of Producer, such employee shall retain with the buying company his appropriate severance pay experience credit accrued with Producer and his employment shall not be considered to be terminated for severance pay purposes as a result of such successor company's acquisition of Producer. If such employee is not so continued in employment by the buying company, then Producer is responsible for any severance pay due the employee at the time of his termination. If such employee is offered employment by the buying company, but elects not to continue his employment with the buying company, he shall not be entitled to any severance pay from either Producer or buying company.

(h) Presentation of Claim for Severance Pay

Any claim for the payment of severance pay, not presented to the Producer within three hundred sixty-five (365) calendar days after the date upon which the employee is qualified under this Paragraph for such severance pay, shall be deemed to be waived.

75. No Clause.

76. Re-employment of Former Labor Union Officers

Any employee who has been employed by the Producer for the twelve (12) consecutive months (and has actually received pay for two hundred (200) or more days in that period) immediately prior to the date of his election or appointment to a paid full-time job with a labor organization in the motion picture industry shall be re-employed in his former job within ninety (90) days after leaving his Union position, on the same basis and seniority as though he had never left such job with Producer. Provided, however, that such job is available at the time of request for re-employment; that the job is not then held by an employee holding a personal service contract; that the employee, in the opinion of the Producer, is qualified and able to perform the duties required in such job, and that such employee has made application within thirty (30) days of leaving his Union position.

If such position has been abolished or the labor requirements of the Producer have materially changed, then subject to the above conditions, the Producer will give such employee preference of employment for any job available within the classifications of the bargaining unit.

77. Return of Transferred Employee to Bargaining Unit

Any employee of the Producer subject to this Agreement who is transferred or promoted to a position with Producer outside the classifications of the bargaining unit may, at the sole discretion of the Producer, upon the termination of such transfer or promotion, be restored to a position within the classifications of the bargaining unit on the same basis and seniority as though he had never been transferred or promoted from such bargaining unit. Provided, however, that such employee makes application with Producer for reinstatement to such position within the bargaining unit within ninety (90) days after severance from the position to which he had been transferred or promoted, as above described.

78. Technological Change

(a) Definition of Technological Change

As used herein, the term “technological change” means the introduction of any new or modified devices or equipment for the purpose of performing any work by employees covered by this Agreement which directly results in a change in the number of employees employed under this Agreement or which results, with respect to the performance of work in any classification hereunder, in materially changing the job description thereof, if any, provided herein, or in requiring substantially different training, qualification or skills therefor.

(b) Producer’s Right to Institute Technological Changes

The parties hereto agree that Producer has the unrestricted right to make technological changes and that such right shall not be subject to grievance or arbitration or any other proceeding. However, Producer’s right to make technological changes shall be subject to the provisions of subparagraphs (c), (d), (e) and (f) of this Paragraph 78.

(c) Notice of Technological Change

If Producer proposes to make any technological change, it shall give written notice thereof to Union and to any other Union affected by such change. Such notice shall be given as soon as possible but not less than thirty (30) days prior to instituting such change.

(d) Retraining

If any technological change permanently displaces any person in the performance of his job classification for Producer, and

(1) such person, as of the date of such displacement, is entitled under the provisions of Paragraph 74 hereof (“Severance Pay”) to be credited with at least one (1) “qualified year” arising out of his employment by Producer; and

(2) such person is qualified to be retrained for an available job resulting from such technological change or for other jobs which Producer has available within Union’s jurisdiction, or within the jurisdiction of any other Union which is a party to the Memorandum of Agreement of 1965, or for any other available job opportunity with Producer, then:

Producer agrees to endeavor to retrain such person for such available job at Producer’s expense, in which event the provisions of subparagraph (e), below, shall not apply. Union agrees, notwithstanding anything in this Agreement to the contrary, to permit such retraining and to cooperate with Producer with respect thereto. Union further agrees, for the benefit of other Union parties to the Memorandum of Agreement of 1965, in consideration of the inclusion in their respective contracts of a clause identical with this Paragraph 78, to permit retraining within this Union’s jurisdiction of employees displaced from jobs within the jurisdiction of such other Union parties; provided, however, that such other Union parties’ displaced employees are qualified for retraining in this Union’s jurisdiction and provided, further, that such permission shall be on condition (applicable to this Paragraph 78 only) that this Union has been notified of such available job and within forty-eight (48) hours thereafter (excluding Saturdays, Sundays and holidays) is unable to furnish competent available persons on the Industry Experience Roster or Studio Seniority Roster, if any (applicable to this Union), to fill such available job. Any such person offered retraining pursuant to this subparagraph (d) shall, of course, have the right to reject the same, but any such rejection shall discharge Producer’s obligations under this Paragraph 78 unless the job opportunity for which Producer offered retraining was at a lower rate of pay than the job from which employee is being displaced.

(e) Displacement Pay

If any such technological change permanently displaces any person in the performance of his job classification for Producer, and

(1) such person, as of the date of such displacement, is entitled under the provisions of Paragraph 74 hereof (“Severance Pay”) to be credited with at least one (1) “qualified year” arising out of his employment by Producer; and

(2) such person makes written application to Producer within thirty (30) days after such displacement to receive displacement pay (as herein defined), then:

Producer shall pay him the amount of compensation set forth in the following table and, upon such payment, he shall be removed from the Industry Experience Roster, so far as such Producer is concerned, and from the Studio Seniority Roster, if any.

Qualified Years as of the Date of Displacement	Number of Weeks of Displacement Pay Payable
1 or 2	1
3	1½
4	2
5 to 9 (inclusive)	3
10 or 11	5
12 or 13	6
14 or 15	7
16 or 17	8
18 or 19	9
20 or more	10

The payment of displacement pay, as above provided, shall be separate and apart from any obligation Producer may have to pay severance pay to such displaced person under the provisions of Paragraph 74 hereof (“Severance Pay”). Notwithstanding anything in this subparagraph (e) to the contrary, no such displaced person shall be eligible for displacement pay if:

- (i) Producer offers the training referred to in subparagraph (d) above and such person rejects it, unless the training rejected is for a job at a lower rate of pay, or
- (ii) such person is offered a job by Producer at an equal or better rate of pay, or
- (iii) such person accepts any job with Producer even though such job is at a lower rate of pay.

(f) Negotiation of New Rates

If any technological change results, with respect to the performance of work in any classification hereunder, in materially changing the job description thereof, if any, provided herein, or in requiring substantially different training, qualification or skills therefor, and either the Producer or the Union desires to negotiate a new rate or classification for such job, the party desiring such negotiation shall give written notice to such effect to the other party within thirty (30) days following the date upon which any such job is so affected. Upon receipt of such notice, the parties shall immediately endeavor to agree upon the proper classification or rate for such job. Any such agreement shall be final and binding upon the parties concerned. If no such agreement is reached within thirty (30) days after such written notice is received, either party to this Agreement may, within thirty (30) days thereafter, invoke Step Two of the grievance procedure provided in Article 7 hereof or, if they mutually agree to waive Step Two, may proceed immediately to Step Three of the grievance procedure so provided. The rate or classification determined by such agreement or by any arbitration pursuant to Step Three of the grievance procedure shall be effective retroactive to the date upon which any employee commenced performing services in any such affected job, but no reduction in rate shall be retroactive.

(g) Experimental Technological Changes

The provisions of subparagraphs (c), (d), (e) and (f) above shall not apply to any experimental technological change except that if any such change becomes other than experimental and any increased rate for a job affected thereby is negotiated pursuant to subparagraph (f) above, such increased rate shall be retroactive to the date upon which an employee commenced performing the changed services in such affected job. As used herein, the term, "experimental technological change" shall mean a technological change which is instituted by Producer for the primary purpose of determining, under operating conditions, the feasibility and adequacy of performance of any new or modified device or equipment; provided, however, that the change shall no longer be considered experimental after the date upon which its operation by persons under the jurisdiction of this Agreement is no longer subject to supervision by the technicians or engineers concerned with its development. Nothing in this subparagraph (g) shall be construed to deprive Union of jurisdiction over any job over which it otherwise has jurisdiction hereunder.

(h) Disputes Concerning Retraining, Displacement Pay and Negotiation of New Rates

If a dispute arises between Union and Producer with respect to any determination required by subparagraphs (d), (e), (f) or (g) of this Paragraph 78, such dispute shall be subject to the grievance procedure set forth in Article 7 of this Agreement, but any award arising out of such grievance or arbitration shall be limited to the enforcement of the provisions of said subparagraphs hereof and shall not affect Producer's right to make technological changes.

79. Leave of Absence

A regular employee's request for a leave of absence, not to exceed six (6) months, will be given consideration by the Producer. The Producer will not unreasonably refuse to grant such a leave of absence for good cause, provided the employee's services can be reasonably spared. All such leaves of absence will be in writing. No such leave of absence will be extended beyond six (6) months, except for compelling reasons.

79.1 Bereavement Leave

Upon application, a regular employee may obtain leave of absence for bereavement for a period of up to five (5) days, with right of return. This bereavement leave will be without pay; the return provision will apply only to jobs not completed at the time of the end of the leave of absence period. The return of a person from leave of absence for bereavement to the previously-held job (as herein provided) will constitute neither a violation of the seniority provision of Paragraph 68, nor "bumping," irrespective of the relative seniorities of the returning employee and any employee who may have replaced the returning employee during the leave of absence.

80. Bulletin Boards

Producer will make available in an appropriate area in the studio (such as Department Headquarters) a glass-enclosed bulletin board which can be locked. It shall be at least 3 x 2 feet in size. The material posted shall be subject to review by Producer.

81. - 84. No Clauses.

85. Training Program

A program funded by CSATF has been established to train individuals employed under this Agreement.

85.1 Master Technician Study Committee

The parties reaffirm their commitment to the following:

A joint committee shall be established to evaluate the need for Master Technicians. Such Committee shall meet within six months after ratification of this Agreement. In the event it is determined that such employees are needed, the Local Union shall cooperate with CSATF in establishing appropriate training to determine qualification as a Master Technician. In addition, the Committee shall evaluate whether an individual who receives certification from the Entertainment Technician Certification Program (ETCP) is qualified as a Master Technician.

86. Portrait Gallery

One person is to be employed from either the Electrical Lighting Technicians, Property or Grips work classifications. The choice of such classification is at Producer's discretion. If an Electrical Lighting Technician is selected, his rate shall be not less than that of a Special Lighting Technician (Occ. Code No. 5431).

87. Cross-Utilization

(a) For purposes of this provision, stage craft department personnel shall include persons working within the job classifications covered by the Local Agreements with Affiliated Property Craftspersons, Local #44; Motion Picture Studio Grips, Local #80; and Studio Electrical Lighting Technicians, Local #728.

(b) (1) In the studio or on nearby locations, for production work only, whenever the number of persons assigned to a production consists of at least two (2) persons employed under each of the Agreements with Property, Local #44 (the Property Master and Assistant Property Master) and Studio Electricians, Local #728 (the Chief Lighting Technician and Assistant Chief Lighting Technician), and three (3) persons employed under the Agreement with Motion Picture Studio Grips, Local #80 (the First Company Grip, Second Company Grip and either another grip or a crafts service employee) (for a total of at least seven (7) stage craft personnel), stage craft department personnel at and below the level of journeyman shall be interchangeable in the performance of their duties. Neither the crane grip, the dolly grip nor the

dimmer board operator shall be counted toward the level of staffing required for interchange. Any person employed under the Local #729 Agreement and assigned to such production shall be interchangeable with stage craft department personnel.

(2) On distant locations, whenever the number of persons hired in and transported from Los Angeles County to the distant location shooting site and assigned to the production consists of at least three (3) persons employed under each of the Agreements with Property, Local #44 (the Property Master, the Assistant Property Master and another property person) and Studio Electricians, Local #728 (the Chief Lighting Technician, the Assistant Chief Lighting Technician and another lighting technician), and four (4) persons employed under the Agreement with Motion Picture Studio Grips, Local #80 (the First Company Grip, the Second Company Grip, and either two (2) other grips or one (1) other grip and one (1) craft service employee) (for a total of at least ten (10) stage craft personnel), stage craft department personnel at and below the level of journeyman assigned to said production will be interchangeable in the performance of their duties. Neither the crane grip, the dolly grip nor the dimmer board operator shall be counted toward the level of staffing required for interchange. Any person employed under the Local #729 Agreement and assigned to such production shall be interchangeable with stage craft department personnel.

(c) A stage craft department employee engaged in the performance of interchangeable work will be supervised in the performance of that work by the appropriate supervisor of work from within that craft or classification.

(d) A stage craft department employee shall not be assigned to perform work which requires special expertise not possessed by that employee.

(e) Work performed in another craft or classification under the concept of interchange shall not be counted toward roster placement in such other craft or classification.

(f) Nothing herein shall affect traditional lines of jurisdiction as between the stage craft Locals as heretofore established by the IATSE.

88. Chief Lighting Technician

With respect to the classification of Chief Lighting Technician, hiring and rehiring shall be at the sole determination of the Producer; provided, however, that:

(a) (1) the Producer shall ascertain from the Local Union the names of those employees who are registered as Chief Lighting Technicians;

(2) Producer shall notify the Local Union of the name of any employee hired as a Chief Lighting Technician;

(3) such employment or assignment shall be in accordance with the provisions of the Industry Experience Roster;

(4) a Chief Lighting Technician not on the Studio Roster of Producer shall not be employed if such employment will displace an employee in a lower classification who possesses Studio Seniority with Producer; and

(5) a person who, with the consent of Producer, elects to take a leave from the employ of Producer to take an assignment or employment as Chief Lighting Technician with another Producer signatory to this Agreement shall retain any rights of preference of employment he had with Producer hereunder at the time he takes such a leave.

(b) Any employee covered by this Agreement who has been employed as an Assistant Chief Lighting Technician for a period of one (1) year or who has been employed as a Chief Lighting Technician on a show of one-half (½) hour or more in length or on any feature length film may declare himself a Chief Lighting Technician (hereinafter "CLT") and must be registered at the Union office in order to accept assignment as a CLT.

(c) Once an employee registers as a CLT, said employee must remain in that classification for three (3) months from date of registration.

(d) If the employee elects to relinquish said classification for a classification other than Assistant Chief Lighting Technician (hereinafter "ACLT") during said three (3) month period, said employee may not re-register as a CLT for a period of three (3) months.

(e) Any overlap of assignment exceeding the three (3) month period shall be construed as being part of the preceding three (3) months. No classification downgrading would apply at the end of assignment.

(f) An employee subject to this Agreement who is currently assigned to a production may be temporarily upgraded to the position of CLT on such production without commitment.

(g) In the event that a registered CLT is replaced on a production, the ACLT assigned to that production may be upgraded to the position of CLT on such production without commitment for a period not to exceed thirty (30) calendar days. Upon the expiration of such thirty (30) day period, the ACLT may continue to be employed as the CLT, provided that he registers for the CLT list. At the option of the ACLT, such registration shall be effective retroactive to the first day of the ACLT's assignment as the CLT. If the ACLT chooses not to register as a CLT after such thirty (30) day period, then Producer shall replace the ACLT with a registered CLT.

89. Carry-through

A regular Chief Lighting Technician designated as such by Producer on January 31, 1965, under the Agreement of January 31, 1961, shall personally continue as such as long as he is qualified and available to perform such duties. If for any reason he is terminated, resigns, dies or retires or is not so qualified or available, he shall not be entitled to any such guaranteed employment and Producer shall not be obligated to replace him.

If such person elects to leave the employ of Producer as a Chief Lighting Technician, he shall nevertheless retain his studio seniority in the other job classifications only, under this Agreement, subject to the provisions of Paragraph 68(d).

Chief Lighting Technicians hired by Producer after January 31, 1965 shall not be entitled to any such guaranteed employment.

90. Documentaries and Industrials

The Producer and the Union will endeavor promptly to arrive at an agreement making provision for the problems encountered in producing documentaries, educationals and industrials under this Agreement.

91. Relieving Daily Schedule Employees on Shooting Unit

Daily Schedule employees working with a shooting unit shall not be relieved for the purpose of avoiding overtime. Provided, however, when it is anticipated that the shooting unit will work into Golden Hours, the workday on such shooting unit may be divided into shifts and substitute employees may be called to relieve such employees on such shooting unit, provided such substitute employees are guaranteed a minimum call for work which shall be confined solely to the shooting unit.

92. No Clause.

93. Assignment to Tenant

If the Producer assigns an employee to work for a tenant, the employee will remain on Producer's payroll and continue as Producer's employee except that tenant will be responsible for all breaches of the collective bargaining agreement. If employee is permanently transferred, he will also be transferred to tenant's payroll and tenant will be employer for all purposes. Such a transfer cannot be made unless employee is advised he is being terminated by Producer. The employee cannot be required to accept such assignments.

94. Wash-up

When a Lighting Technician assigned to "off production" work is directed to report to a production crew, he shall be allowed a reasonable period, not to exceed fifteen (15) minutes, to wash up prior to reporting.

95. Camera Batteries

The handling of camera batteries within the studio zone or on nearby locations shall be Electrical Lighting Technicians' work, paid for at not less than the Electrical Lighting Technician rate. On distant location, it shall be optional with the Producer whether to employ an Electrical Lighting Technician taken from Los Angeles, California or to engage an electrical lighting technician in the location area.

96. Running Repair Technicians

The work of Running Repair Technicians shall be construed to mean the repair, lubrication and maintenance of all electrical equipment used by Electrical Lighting Technicians (Occ. Code Nos. 5400 through 5451) on all production units, live sets and sound stages at the studio and on such above-described equipment on a location shooting site, but only during the production hours on such shooting site. Provided, however, that the practice of Producer on October 25, 1951 with regard to employing a Running Repair Technician on a location shooting site shall not be changed or affected by this provision.

An Electrical Lighting Technician (Occ. Code Nos. 5400 through 5441) may lubricate lamps or replace fuses in an emergency if, in so doing, he does not displace a Running Repair Technician.

An Electrical Lighting Technician (Occ. Code No. 5451) who is elevated to Special Lighting Technician (Occ. Code No. 5431) for

fixture work on any given day may also do minor running repairs or, conversely, an Electrical Lighting Technician (Occ. Code No. 5451) who is elevated on any one day to Running Repair Technician (Occ. Code No. 5425) may also do minor fixture work on the same day.

It is not the intent of the foregoing to eliminate the assignment of two (2) separate individuals to do such work when the volume of such work requires the assignment of two (2) such individuals.

96.1 Base Camp

The parties confirm that the installation, connection, rigging and striking of power sources from the base camp source to distribution is the work of Studio Electrical Lighting Technicians, Local 728.

97. Job Definitions and Duties

(a) Chief Lighting Technician

On a production, the Chief Lighting Technician shall be responsible for the supervision of the entire lighting crew and the direction of its activities. The Chief Lighting Technician may not displace any lower classification members of the lighting crew, but may assist the crew in its work.

(b) Assistant Chief Lighting Technician

The Assistant Chief Lighting Technician assists the Chief Lighting Technician in the supervision of the entire lighting crew in connection with the servicing and lighting of the set, in addition to other assigned duties.

(c) Chief Rigging Technician and/or Sub-Foreman

The Chief Rigging Technician and/or Sub-Foreman supervises the electrical lighting technicians in connection with the electrical rigging of all sets in addition to other assigned duties.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed as of the day and year first above written.

GUIDELINES REGARDING EXTENDED WORK DAYS

Theatrical and television productions are budgeted for specified hours of production. There are cost deterrents which encourage the production to be on budget and on time.

When an extended work day is necessary, the need for same should be identified as far in advance as possible so that appropriate planning may occur.

The following guidelines set forth common sense measures which should be considered when extended work days are necessitated:

1. Sleep deprivation, which may be caused by factors other than an extended work day, should be identified by the employee. The American Automobile Association (AAA) cautions drivers as to the following danger signs:

- Eyes closing by themselves
- Difficulty in paying attention
- Frequent yawning
- Swerving in lane

AAA warns that drivers experiencing any of these danger signs could fall asleep at any time. AAA recommends three basic solutions - sleep, exercise and caffeine. AAA urges drivers who are too drowsy to drive safely to pull off the road to a safe area, lock the doors and take a nap - even twenty minutes will help. Upon waking, the driver should get some exercise and consume caffeine for an extra boost.

2. Any employee who believes that he/she is too tired to drive safely should notify an authorized representative of the Producer before leaving the set. In that event, the Producer will endeavor to find alternative means of transportation or provide a hotel room or a place to rest. Such request may be made without any fear of reprisal and will not affect any future employment opportunities.
3. When the production company anticipates an extended work day, the employees should be encouraged to carpool.
4. When an extended work day is necessary, appropriate beverages and easily metabolized foods should be available.

The Metro-Goldwyn-Mayer, Inc. Conejo Ranch property shall be considered as within the Studio Zone.

**Re: Special Conditions for One-Half Hour and One-Hour Pilots and One-Hour
Episodic Television Series (Other than Pilots or Series Made for Basic Cable)**

Dear Matt:

This will memorialize the agreement reached in the 2015 negotiations, and renewed in the 2018 negotiations, to apply the special conditions set forth herein to pre-production and production of the following dramatic television motion pictures (other than a pilot or series made for basic cable), which are committed to be produced in Los Angeles:

- (1) One-half hour and one-hour pilots; and
- (2) One-hour episodic television series, the production of which commences on or after August 1, 1993.

The special conditions applicable to such programs are:

- a. Wages – For pilots and the first two (2) production seasons of any series, the wage rates set forth in the Local Agreements for the period immediately preceding the period in question shall apply (*e.g.*, during the period July 29, 2018 to August 3, 2019, the wage rates for the period July 30, 2017 to July 28, 2018 shall apply); thereafter, the wage rates in the Local Agreements shall apply.
- b. Vacation - No vacation pay shall be payable for a pilot and the first year of any series; in the second year of the series, vacation will be payable at one-half of the applicable percentage in the Local Agreements; thereafter, the vacation provisions in the Local Agreements shall apply.

- c. Holidays Not Worked - No unworked holiday pay shall be payable for a pilot and the first year of any series; in the second year of the series, unworked holiday pay will be payable at one-half of the applicable percentage in the Local Agreements; thereafter, the unworked holiday provisions in the Local Agreements shall apply.
- d. Holidays Worked - Each employee working on a holiday shall be paid a minimum of eight (8) hours at double time for such holiday.
- e. Overtime - Daily overtime for hours worked shall be paid at the rate of time-and-one-half for each hour worked after eight (8) work hours, except as otherwise provided in a Local Agreement; golden hours, when applicable, shall be paid for each hour worked after twelve (12) work hours.
- f. Transportation Allowance - With respect to employees reporting to a "studio zone location," as described in the Basic Agreement and Local Agreements, Producer shall not be required to pay a transportation allowance to any employee who travels to any location in Los Angeles County within a ten (10) mile radius from a point to be determined by the Producer. Producer shall give prior notice to the IATSE of the point so designated. Such point may be changed by Producer at the beginning of each season. Commencing outside the ten (10) mile radius, a transportation allowance will be paid pursuant to the Basic Agreement and/or Local Agreements. Secured parking will be provided at such locations in accordance with the Basic Agreement and Local Agreements.
- g. Interchange - Producer shall select employees with the applicable primary skill and "on production" IATSE personnel will be interchangeable in performing bargaining unit work within the IATSE crafts based upon the Videotape Agreement concept.

**Re: Special Conditions for Long-Form Television Motion Pictures (Including
Movies-of-the-Week, Mini-Series and Two (2) Hour Pilots for Which No
Commitment for a Series Exists at the Time of the Pilot Order)**

Dear Matt:

This will confirm the agreement reached by the ALLIANCE OF MOTION PICTURE AND TELEVISION PRODUCERS, on behalf of the Producers listed in the 2018 Producer-I.A.T.S.E. Basic Agreement (hereinafter referred to individually as "the Producer") and INTERNATIONAL ALLIANCE OF THEATRICAL STAGE EMPLOYEES AND MOVING PICTURE TECHNICIANS, ARTISTS AND ALLIED CRAFTS OF THE UNITED STATES, ITS TERRITORIES AND CANADA, AFL-CIO ("IATSE").

WHEREAS the Producer is a signatory party to the Producer-I.A.T.S.E. Basic Agreement of 2018 and the West Coast Studio Local Agreements; and

WHEREAS special conditions exist regarding productions of made-for-television long-form programs, and of long-form motion pictures made for the videocassette/DVD market which are budgeted at \$9,000,000 or less, as further described below, concerning whether such programs or motion pictures will be produced by the Producer; and

WHEREAS special conditions exist in order to preserve and maintain employment for IATSE members;

THEREFORE, it is agreed as follows:

1. This sideletter and its special conditions shall apply to those made-for-television long-form projects (movies-of-the-week, mini-series and two (2) hour pilots,

provided that no commitment for a series is attached to the pilot order*), as well as to long-form motion pictures made for the videocassette/DVD market which are budgeted at \$9,000,000 or less, which are produced by the Producer in Los Angeles during the term of the 2018 IATSE Basic Agreement. Additionally, for made-for-home video productions budgeted at no more than \$12,000,000, Producer may elect to use the terms of the Low Budget Theatrical Agreement as provided in the Sideletter re Made-For-Home Video Productions.

2. All of the terms and conditions of the IATSE Basic Agreement of 2018 and the West Coast Studio Local Agreements shall apply, except as provided in the special conditions in this sideletter.
3. These special conditions shall not apply to any post-production work on the productions covered hereunder, and all post-production and lab work shall be performed in accordance with the IATSE Basic Agreement of 2018 and the West Coast Studio Local Agreements.
4. The roster provisions of the IATSE Basic Agreement and the West Coast Local Agreements are fully applicable; however, prospective employees are free to accept or refuse a call to work on any production covered hereunder and any refusal to accept a call will not count as a refusal under the roster provisions of Paragraph 68 of the applicable Local Agreements.
5. The special conditions applicable to the productions covered hereunder are:
 - (i) (A) Notwithstanding any wage rate changes made in the future in the Basic Agreement and the West Coast Local Agreements, wages are as listed on the attached "Made for Television Long-Form Agreement Rate Schedules."
 - (B) It is the good faith intention of Producer that an employee (other than an employee engaged as Local #44 "Construction Labor" or Local #729 "Set Painter") who works in a pay classification for which a weekly wage rate has not been specified in the applicable Local Agreement (*e.g.*, Production Painter in Local #729, Grip in

* If there is a firm commitment for a series at the time the two (2) hour pilot is ordered, the Sideletter entitled "Special Conditions for One-Half Hour and One-Hour Pilots and One-Hour Episodic Television Series (other than Pilots or Series Made for Basic Cable)" shall apply.

Local #80, and Lamp Operator and Lighting Technician in Local #728) and who is employed and paid at the weekly wage rate is being engaged to perform the required work within the classification for all the time that particular work is needed on the project (*e.g.*, Producer expects at the time of hiring to utilize a grip for all three (3) weeks on which grip work is needed during a four (4) week shoot). Otherwise, the applicable hourly or daily rate shall be paid for these classifications. This shall not be construed to be a run-of-the-show guarantee.

However, an employee in the "Construction Labor" and "Set Painter" craft and classifications on pre-production, for which the Local Agreement does not provide for a weekly salary, shall be hired only as a daily employee.

Any allegation of improper application of the above shall be promptly reviewed by representatives of the affected Local(s), the IATSE International Office and the Labor Relations Department of Producer before filing any grievances on the matter.

(ii) Staffing will be fully interchangeable with the following crew:

|-------------------------------------|--|
| - Art Director (1) | - Sound (§106 of the Local #695 Agreement is applicable) |
| - Camera (4) | - Greensperson |
| - Set Construction as needed | - Electrical Operations (4) |
| - Grip Operations (4) | - Special Effects as needed |
| - Craft Services (1) | - Set Dressing (3) |
| - Production Painter as needed | - Props (2) |
| - First Aid as needed | - Wardrobe (2) |
| - Make-up and Hair Stylist (1 each) | - Script Supervisor (1) |
| | - Set Designer as needed |

(iii) Overtime will be paid at the rate of time and one-half after eight (8) hours worked, except that daily overtime for Script Supervisors shall be paid as provided in the Local #871 Agreement (*i.e.*, time and one-half after six (6) hours); double time, when applicable, to be paid after fourteen (14) elapsed hours. Overtime pay for weekly employees shall be based on one-fortieth (1/40) of the weekly rate.

- (iv) Meal periods - The time for breaking for the meal period may be extended by up to one-half hour beyond the time specified in the Local Agreements without penalty at the request of the Director. Notice for such a delayed break must be given no later than one (1) hour before the meal period and the extension may not be scheduled.
 - (v) Producer will not be required to pay the percentage of salaries for the specified contractual holidays; however, any employee working on such holiday will be paid double time. Weekly employees will be paid for any holiday not worked during their period of employment.
 - (vi) Producer will not be required to pay the percentage of salaries as vacation pay.
 - (vii) Producer will not be required to pay any transportation allowance, such as specified in Paragraphs 21(c) and 22(b)(2) of the West Coast Studio Local Agreements.
 - (viii) An employee hired as a weekly employee shall be paid a full week's pay. Producer will not prorate the weekly rate for the purpose of paying the employee on a daily rate or fractional weekly basis, unless the employee elects not to perform the full week's work (*e.g.*, the employee, hired for a week, works three days and quits).
- 6. Prior to actual employment, Producer shall inform and provide written information to each employee to be hired of the special conditions applicable to the production.
 - 7. Producer will provide to the appropriate West Coast Studio Locals the name of the project and, upon request, the names and classifications of the employees who will be employed under the special conditions of this Sideletter.
 - 8. The following additional special terms and conditions shall apply only to two (2) hour pilots for which there is no series commitment at the time the pilot is ordered and which are produced under the terms of this Sideletter.

- (i) Producer agrees to produce all future episodes resulting from the two (2) hour production under the episodic television provisions of the IATSE Basic Agreement in Los Angeles County or immediate areas, provided that when the series is required to be produced outside Los Angeles County or immediate areas due to creative reasons only, employment of a majority of the crew from Los Angeles County (or if the episodes are made in one of the "IATSE production cities") will satisfy this condition.
 - (ii) When the series is based in Los Angeles County, the Producer may do location work outside of Los Angeles County on isolated episodes and employ portions of the crew from Los Angeles County without the number constituting a majority of the crew from Los Angeles County.
 - (iii) If principal photography of the first episode commences within seventy (70) days of completion of principal photography of the two (2) hour long-form television production, the Producer shall retroactively pay to the IATSE-represented employees who worked on the two-hour television production the wages set forth in the episodic television provisions of the Basic Agreement.
 - (iv) The AMPTP and the IATSE shall appoint a joint committee to review and monitor any issues relating to the above.
- 9. The following additional special terms and conditions shall apply only to long-form motion pictures made for the videocassette/DVD market which are budgeted at \$9,000,000 or less and which the Producer has elected to cover under the terms of this Sideletter, rather than under the terms of the Low Budget Theatrical Agreement:
 - (i) The IATSE shall have the right to audit any such production to ensure that its budget falls within the aforementioned limitation. If the budget cap is exceeded, the wages, terms and conditions of the Basic Agreement shall apply.
 - (ii) "Behind-the-scenes" shots, when done by the signatory company for such productions, shall also be covered under the terms of this sideletter.

Long-Form Television Sideletter
As of August 1, 2018
Page 6

The IATSE agrees to meet and negotiate on a production-by-production basis with respect to new one-hour episodic television series for which the pattern budget does not exceed \$1,300,000 in direct costs of production per episode. This approach will allow the parties to tailor the agreement to the specific needs of the production and, thus, is more likely to achieve the goal of encouraging low budget one-hour series production to be done in Los Angeles.

Sincerely,

Carol A. Lombardini

Re: Made-For-Home Video Productions

Dear Matt:

This will memorialize the agreement reached in the 2012 negotiations that a Producer may elect, on a production-by-production basis, to use the terms of either the Long-Form Television Sideletter or the Theatrical Low Budget Agreement for employees employed under the Basic Agreement on made-for-home video productions; provided, however, a Producer electing the Theatrical Low Budget Agreement: (1) shall not be entitled to use the Ultra Low Budget provisions thereof, and, instead, Tier One shall apply to all made-for-home video productions budgeted at \$5 million or under and (2) shall pay the applicable Production Cities rates to employees represented by Locals 600, 700 and 800, even if those employees are employed outside the Production Cities.

Sincerely,

Carol A. Lombardini

Re: Productions Made for New Media

Dear Matt:

This Sideletter to the Producer – IATSE Basic Agreement of 2018¹ confirms the understanding of the International Alliance of Theatrical Stage Employees (hereinafter “the IATSE”), on behalf of itself and its West Coast Studio Local Unions, on the one hand, and the Alliance of Motion Picture and Television Producers, on behalf of the Producers it represented in the negotiations for a successor agreement to the 2015 Producer – IATSE Basic Agreement (hereinafter collectively “the parties”), concerning the terms and conditions applicable to the production of entertainment motion pictures of the type that have traditionally been covered under the Producer – IATSE Basic Agreement (hereinafter “the Basic Agreement”)² that are made for the Internet, mobile devices, or any other new media platform in existence as of August 1, 2009 (hereinafter

¹ For convenience only, and without intending to change the meaning or effect of or alter the interpretation of this Sideletter to the Basic Agreement, the parties agree to reprint this Sideletter in the West Coast Studio Local Agreements.

² Such entertainment motion pictures do not include non-dramatic programs and non-prime time dramatic programs which are instead covered under the Producer – I.A.T.S.E. Videotape Electronics Supplemental Basic Agreement (hereinafter “the Videotape Agreement”).

collectively referred to as “New Media”).³ With respect to such productions intended for initial use in new media, the parties agree as follows:

When the parties entered into the 2015 negotiations, they mutually understood that the economics of New Media production were uncertain and that greater flexibility in terms and conditions of employment was therefore mutually beneficial. The parties understood that if one or more business models developed such that New Media production became an economically viable medium, then the parties would mutually recognize that fact in future agreements.

During the 2018 negotiations, in recognition of emerging subscription video-on-demand services exhibiting mid-budget and high budget dramatic productions, the parties agreed to modify the terms and conditions for “mid-budget” dramatic productions made for subscription video-on-demand consumer pay New Media platforms as provided in Paragraph D. below and the terms and conditions for “high budget” dramatic productions made for subscription video-on-demand consumer pay New Media platforms as provided in Paragraph G. below.

A. Recognition

The Producer recognizes the IATSE as the exclusive bargaining representative of employees employed in the job classifications covered by the West Coast Studio Local Agreements (hereinafter “the West Coast Studio Local Agreements”) within the geographic scope of the applicable West Coast Studio Local Agreement on entertainment motion pictures of the type traditionally covered under the Basic Agreement, other than those covered under the Videotape Agreement, which are intended for initial exhibition in New Media, but excluding news, sports, documentaries and “Experimental New Media Productions,” as that term is defined below.

B. Coverage

Coverage shall be at the Producer’s option with respect to “Experimental New Media Productions.” Should the Producer elect to cover an Experimental New Media Production, the terms and conditions applicable to employment on Original New Media Productions, as set forth in Paragraph D. below, shall apply.

³ This Sideletter applies to the production of certain types of programs intended primarily for use in New Media and does not cover work involved in the selection of content for, design or management of any website or any other New Media platform on which productions made for New Media appear.

An “Experimental New Media Production” is defined as any Original New Media Production: (1) for which the actual cost of production does not exceed: (a) \$15,000 per minute of program material as exhibited, and (b) \$300,000 per single production as exhibited, and (c) \$500,000 per series of programs produced for a single order; and (2) on which fewer than four (4) employees as hereinafter described are working in job classifications covered by, and within the geographic scope of, an industry-wide agreement between Employers and the IATSE, or a Local thereof, which agreement covers television productions as well as productions made for new media. With respect to any employee working within the geographic scope of the Basic or Videotape Agreement, such employees shall include any person listed on the Industry Experience Roster established by the Basic Agreement, or in the case of employees working in classifications with no Roster, any person who has thirty (30) or more days of work experience within the last three (3) years, either alone or in combination, under the West Coast Studio Local Agreement covering that classification, the Videotape Agreement, or on New Media productions covered under this Sideletter or the corresponding Sideletter in the Videotape Agreement.⁴ With respect to any employee working in the respective classifications and geographic scope of any other industry-wide Agreement described in the first sentence of this paragraph, such employees shall include any person who has thirty (30) or more days of work experience within the last three (3) years under any such Agreement and/or on New Media productions covered under any such Agreement.⁵ Notwithstanding the preceding two sentences, in determining whether fewer than four (4) such employees are employed on the production, the following employees shall not be counted: employees not specifically charged to the production or who are included in general overhead; script coordinators and writers’ room assistants; projectionists and in-house publicists (but not unit publicists); and employees engaged in post-production or distribution functions, including, but not limited to, editing and looping, regardless of where or when those functions are performed, but excluding the editor, provided that such editor is working in conjunction with the shooting company.

The actual cost of the Experimental New Media Production shall consist of all direct costs actually incurred in connection with the Production. The only costs excluded in determining the actual cost of production shall be development costs, overhead charges, financing costs (*i.e.*, loan origination fees, gap fees, legal fees

^{4, 5} The Producer shall be entitled to rely on the representation of the employee as to whether he or she meets the “thirty (30) or more days of work experience within the last three (3) years” requirement.

and interest), contingency of up to ten percent (10%), essential elements insurance costs, the cost of the completion bond, marketing expenses, contingent payments to talent or other parties which are based on the proceeds derived from the exploitation of the Production and received after recoupment of the negative cost, and delivery items required by sales agents, distributors or sub-distributors (*i.e.*, delivery materials beyond the answer print, NTSC Video Master if the Production is delivered on videotape, or the digital equivalent if the Production is delivered in a digital format).

If the Producer began production of an “Experimental New Media Production” which the Producer elected not to cover under the terms of this Sideletter, but subsequently employs four (4) or more employees on the production in job classifications covered by, and within the geographic scope of, an industry-wide collective bargaining agreement which meets the description in the first sentence of the second paragraph of this Paragraph B., and such employees meet the description in either the second or third sentence of the second paragraph of this Paragraph B., and are not excluded pursuant to the fourth sentence of said paragraph, then said production shall automatically be deemed covered hereunder, starting from the first day on which at least four (4) or more such employees are so employed on the production and continuing until the production is finished.

Producer shall use reasonable efforts to notify the IATSE that it intends to cover an “Experimental New Media Production” by the start of principal photography.

C. Terms and Conditions of Employment on Derivative New Media Productions (Other than a Derivative High Budget New Media Production Made Primarily for Exhibition on a Subscription Video-On-Demand Consumer Pay Platform (“High Budget SVOD Program”))

A “Derivative New Media Production” is a production made for New Media based on an existing television motion picture covered by the Basic Agreement, other than a non-dramatic or non-prime time dramatic program covered under the Videotape Agreement, that was produced for “traditional” media – *e.g.*, a free television, basic cable or pay television motion picture (“the source production”) – and is otherwise included among the types of motion pictures traditionally covered by the Basic Agreement, but is not a non-dramatic program or non-prime time dramatic program covered under the Videotape Agreement.

Employees may be employed by a Producer and assigned to a Derivative New Media Production as part of their regular workday on the source production. The

work for the Derivative Production shall be considered part of the workday for the employees on the source production and shall trigger overtime if work on the Derivative Production extends the workday on the source production past the point at which overtime would normally be triggered on the source production.

All other terms and conditions, including benefits, shall continue as if the employee were continuing to work on the source production.

In all other situations, terms and conditions of employment for a Derivative New Media Production (other than a derivative High Budget SVOD Program, the terms and conditions of employment for which are provided in Paragraph G.) are freely negotiable between the employee and the Producer, except for those provisions identified in Paragraph E. below which shall be automatically applicable to employees.

D. Terms and Conditions of Employment on Original New Media Productions (Other than an Original “High Budget SVOD Program”)

- (1) Terms and conditions of employment on Original New Media Productions (other than a “Mid-Budget SVOD Program” as defined in Paragraph D.(2) below and other than an Original “High Budget SVOD Program” as defined in Paragraph G. below) are freely negotiable between the employee and the Producer, except for those provisions identified in Paragraph E. below which shall be automatically applicable to employees.
- (2) (a) The terms and conditions set forth in this Paragraph D.(2) shall be applicable prospectively only. They shall not apply to:
 - (i) any program or series that would otherwise qualify as a “Mid-Budget SVOD Program” within the meaning of this Sideletter, for which the principal photography of the program, in the case of a one-time program, or the principal photography of the first episode, in the case of a series, commenced prior to August 1, 2019; or
 - (ii) any program or series that would otherwise qualify as a “Mid-Budget SVOD Program” within the meaning of this Sideletter, for which the principal photography of the program or the first episode of the series commenced after August 1, 2019, if such program or series was produced pursuant to the terms of a *bona fide* license agreement with

fixed and definite terms entered into by the Producer prior to August 1, 2019.

However, if such license agreement is entered into subject to conditions precedent, then all such conditions must be satisfied prior to August 1, 2019.

Any program or series described in subparagraphs (i) or (ii) above shall be subject to Paragraph D.(1) of this Sideletter. However, with respect to any such program or series described in subparagraphs (i) or (ii) above, if the licensee orders additional programs or episodes pursuant to the terms of the license agreement after August 1, 2019 and the Producer has the right to negotiate with respect to the material terms and conditions of the license for the additional programs or episodes, then such additional programs or episodes shall be subject to this Paragraph D.(2).⁶

Notwithstanding the foregoing, the Producer shall not reduce the terms and conditions of employment previously provided to IATSE-represented employees on programs or series covered by subparagraphs (i) or (ii) above.

(b) Mid-Budget SVOD Programs Defined

The terms and conditions set forth in Paragraph D.(2)(c) of this Sideletter shall be applicable only to original, live action dramatic new media productions made for initial exhibition on a subscription video-on-demand consumer pay platform which meet the following criteria (hereinafter “**Mid-Budget SVOD Programs**”):

⁶ In the event that Producer asserts that a program or series is grandfathered under the provisions of the second paragraph of Paragraph D.(2)(a) above, a limited number of representatives of the IATSE, subject to the execution of a confidentiality agreement satisfactory in form to Producer, may inspect those portions of the license agreement that are relevant to determine whether the Producer had the right to renegotiate with respect to the material terms and conditions of the license for the additional programs or episodes. All information received or reviewed by representatives of the IATSE shall be kept confidential, and neither the IATSE nor its representatives shall disclose any such information, except as necessary to enforce its rights under this Agreement.

<u>Length of Program as Initially Exhibited*</u>	<u>“Mid-Budget” Threshold</u>
20-35 Minutes	\$900,000 or more but less than \$1,300,000
36-65 Minutes	\$1,750,000 or more but less than \$2,500,000
66 Minutes or more	\$2,100,000 or more but less than \$3,000,000

* Original, live action dramatic new media productions which are less than 20 minutes in length and made for initial exhibition on a subscription video-on-demand consumer pay platform are not subject to this Paragraph D.(2), and, instead, are subject to Paragraph D.(1) of this Sideletter, regardless of their budgets.

(c) Terms and Conditions

The terms and conditions applicable to a Mid-Budget SVOD Program shall be as provided in the Sideletter re Special Conditions for Long-Form Television Motion Pictures (Including Movies-of-the-Week, Mini-Series and Two (2) Hour Pilots for Which No Commitment for a Series Exists at the Time of the Pilot Order) (hereinafter, the “Long-Form Sideletter”), regardless of where such Mid-Budget SVOD Program is produced, except that:

- (i) Employees employed on a Mid-Budget SVOD Program, other than post-production employees, shall be paid at the wage rates set forth in the “Made for Television Long-Form Agreement Rate Schedules” for the period two periods prior to the period in question (*e.g.*, during the period August 2, 2020 to July 31, 2021, the wage rates for the period July 29, 2018 to August 3, 2019 shall apply);
- (ii) Paragraph 3 of the Long-Form Sideletter shall not apply. Post-production employees employed on a Mid-Budget SVOD Program shall be paid at the wage rates set forth in Exhibit 1 to this Sideletter for the period two periods prior to the period in question (*e.g.*, during the period August 2,

2020 to July 31, 2021, the wage rates for the period July 29, 2018 to August 3, 2019 shall apply);

- (iii) In lieu of Paragraph 4 of the Long-Form Sideletter, Paragraph E.(3) of this Sideletter shall apply;
- (iv) In lieu of Paragraph 5.(ii) of the Long-Form Sideletter, Paragraph E.(5) of this Sideletter shall apply; and
- (v) Paragraph 5.(viii) of the Long-Form Sideletter shall not apply.

E. Other Provisions for New Media Productions (Other than a “High Budget SVOD Program”)

(1) Union Security

The provisions of Article II, “Union Security,” of the Basic Agreement shall apply to New Media Productions, except that the requirement to become a member in good standing of the Union shall not apply until an individual has been employed for at least thirty (30) workdays on New Media Productions covered under this Sideletter, or for a combined total of thirty (30) workdays on New Media Productions covered under this Sideletter and on motion pictures of the type traditionally covered under the Basic Agreement.

The Union acknowledges and agrees that the obligations set forth in subparagraph (c) of Article II apply only to newly-hired employees who are not members of the IATSE or the applicable Local Union hereunder.

(2) Pension, Health and Individual Account Plans

On covered New Media Productions budgeted at \$25,000 or less per minute (using the same cost elements as described in the third paragraph of Paragraph B. above), Producer’s only obligation hereunder shall be to make contributions to the Active Health Fund, as required by Article XII of the Basic Agreement, and to the Retired Employees Fund, as required by Article XIV of the Basic Agreement, on behalf of each employee employed under the terms of this Sideletter.

On New Media Productions budgeted at more than \$25,000 per minute (using the same cost elements as described in the third paragraph of Paragraph B. above), or when employees are assigned by the Producer to a Derivative New Media Production as part of their regular workday on the source production, Producer shall be obligated to make pension, health and Individual Account Plan contributions in accordance with the provisions of Articles XII, XIII, XIII.A. and XIV of the Basic Agreement.

(3) Preference of Employment/Industry Experience Roster

There shall be no preference of employment of any kind or nature in the employment of employees on New Media Productions hereunder. The provisions of the Basic Agreement relating to Preference of Employment shall not be applicable to New Media Productions, except to the extent provided below. An employee need not be on the Industry Experience Roster in order to be employed on a New Media Production.

Work under this Agreement on a covered New Media Production twenty (20) minutes or more in length in a job classification covered by and within the geographic scope of a West Coast Studio Local Agreement for which the same work, if performed in connection with a theatrical or television motion picture, would qualify for placement on the Local's Industry Experience Roster, shall be counted for purposes of placement on such Industry Experience Roster, subject to the eligibility requirements set forth in the applicable Local Agreement. If an individual has worked under this Agreement in more than one classification on a single covered New Media Production, the Producer of such covered New Media Production shall identify the employee's primary skill for purposes of determining the classification to which such person's workdays shall be credited for purposes of placement on the Industry Experience Roster.

Notwithstanding the foregoing, any individual on the New Media Roster as of July 31, 2018 shall be transferred to the Industry Experience Roster on August 1, 2018, provided that he has satisfied any licensing, testing and training requirements for the roster classification(s) in which he is to be placed.

(4) Grievance and Arbitration

Any dispute with regard to wages, hours of employment or working conditions concerning an employee employed by Producer under the terms of this Sideletter shall be resolved in accordance with the grievance and arbitration procedure set forth in Article XXXII of the Basic Agreement, except that references therein to “the Local Union” shall be replaced with “the IATSE” and the provisions with respect to the Step Two Conciliation Committee shall be deleted.

(5) Staffing

It is expressly understood and agreed that there shall be no staffing requirements on productions made for New Media and that there will be full interchange of job functions among employees, so that a single employee may be required to perform the functions of multiple job classifications covered hereunder.

(6) No Strike, No Lockout

During the term of this Agreement, the Union agrees not to engage in any strike, sympathy strike or work stoppage against the Producer. The Producer agrees not to engage in any lockout of its employees employed hereunder during the term of this Agreement.

(7) Sick Leave

The provisions of Articles XLV (“California Sick Leave”) and XLVI (“Waiver of New York City Earned Safe and Sick Time Act and Similar Laws”) of the Basic Agreement shall apply to New Media Productions covered under this Sideletter.

(8) No Other Terms Applicable

Except as expressly provided in this Sideletter, no other terms and conditions shall be applicable to employees employed on New Media Productions.

F. Reuse of New Media Programs (Other than a “High Budget SVOD Program”)

Only those covered New Media Productions (other than High Budget SVOD Programs) on which two (2) or more “employees employed by the Producer under the Basic Agreement,” as that term is used in Article XIX(a) and in Article XXVIII(a)(2) of the Basic Agreement,⁷ shall generate residual payments and then only in accordance with the following:

(1) Reuse in New Media

- (a) The Producer shall have the right to use an Original New Media Production budgeted at \$25,000 or less per minute (using the same cost elements as described in the third paragraph of Paragraph B. above) on any new media platform without limitation as to time, and without payment of residuals.
- (b) The Producer shall have the right to use an Original New Media Production budgeted at more than \$25,000 per minute (using the same cost elements as described in the third paragraph of Paragraph B. above) or a Derivative New Media Production without the payment of residuals under the following circumstances:
 - (i) When such New Media Production is used on any free-to-the-consumer, advertiser-supported platform; and
 - (ii) When such New Media Production is first released on a consumer pay platform (*i.e.*, download-to-rent, download-to-own or paid streaming), even if it is subsequently released on a free-to-the-consumer advertiser-supported platform.

⁷ It is understood and agreed that any employee employed under the terms of the corresponding “Productions Made for New Media” Sideletter in either the Local #52 Agreement or in the Local #161 Agreement shall not be considered an “employee employed by Producer under the Basic Agreement” for purposes of Paragraph F. of this Sideletter.

- (c) If an Original New Media Production budgeted at more than \$25,000 per minute (using the same cost elements as described in the third paragraph of Paragraph B. above) or a Derivative New Media Production is initially released on a free-to-the-consumer, advertiser-supported platform and is subsequently released on consumer pay platforms (*i.e.*, download-to-own, download to rent or paid streaming), then Producer shall have a twenty-six (26) consecutive week period of use on consumer pay platforms, commencing with the first day of use on consumer pay platforms, without the payment of residuals. If the Producer uses the New Media Production on consumer pay platforms beyond such twenty-six (26) consecutive week period, then Producer shall pay to the Motion Picture Industry Pension and/or Health Plans 5.4% of “Producer’s gross,” as that term is defined in Paragraph 3 of the “Sideletter re Exhibition of Motion Pictures Transmitted via New Media,” attributable to use on consumer pay platforms beyond the twenty-six (26) consecutive week period.
- (d) If an Original New Media Production budgeted at more than \$25,000 per minute (using the same cost elements as described in the third paragraph of Paragraph B. above) or a Derivative New Media Production is initially released simultaneously on free-to-the-consumer, advertiser-supported platforms and to consumer pay platforms (*i.e.*, download-to-own, download-to-rent or paid streaming), then Producer shall have a twenty-six (26) consecutive week period of use on consumer pay platforms, commencing with the first day of use on consumer pay platforms, without the payment of residuals. If the Producer uses the New Media Production on consumer pay platforms beyond such twenty-six (26) consecutive week period, then Producer shall pay to the Motion Picture Industry Pension and/or Health Plans 5.4% of the “Producer’s gross,” as that term is defined in Paragraph 3 of the “Sideletter re Exhibition of Motion Pictures Transmitted via New Media,” realized from any subsequent license which includes use on consumer pay platforms, which “gross” is attributable to use on consumer pay platforms beyond the twenty-six (26) consecutive week period, measured from the first day of use on consumer pay platforms under the first license.

(2) Reuse in Traditional Media

The applicable provisions of Article XXVIII with respect to exhibition on “pay television,” as that term is defined in Article XXVIII(a)(3)(ii) of the Basic Agreement, shall apply when a covered New Media Production is exhibited on pay television. The applicable provisions of Article XXVIII with respect to exhibition on “cassettes,” as that term is defined in Article XXVIII(a)(3)(i), shall apply when a covered New Media Production is exhibited on videocassettes or DVDs.

(3) General

It is understood that the tests for triggering Post ‘60s and Supplemental Markets payments set forth in Article XIX and XXVIII of the Basic Agreement, including the understandings set forth in subparagraph (g) of those Articles, and the proration provisions in those Articles, shall also apply to residual payments due under the terms of this Sideletter. Residual payments due under this Sideletter shall be prorated in the same manner as are Supplemental Market monies under Article XXVIII of the Basic Agreement.

In the event that Producer asserts that a High Budget SVOD Program is grandfathered under the provisions of the second paragraph of Paragraph G.(1) above, a limited number of representatives of the IATSE, subject to the execution of a confidentiality agreement satisfactory in form to Producer, may inspect those portions of the license agreement that are relevant to determine whether the Producer had the right to renegotiate with respect to the material terms and conditions of the license for the additional programs or episodes. All information received or reviewed by professionals shall be confidential and neither the IATSE nor its representatives or retained professionals shall disclose any such information except as necessary to enforce their rights under the Agreement.

 - (c) Preference of employment under the provisions of Paragraph 68 of the West Coast Studio Local Agreements shall apply on a High Budget SVOD Program to the same extent required on a free television motion picture.  - (d) Paragraph E.(6) of this Sideletter shall apply.
 - (e) The second paragraph of Paragraph C. shall apply to any High Budget SVOD Program that is a Derivative New Media Production.
- (5) Reuse

Basic Agreement,¹¹ shall generate residual payments and then only in accordance with the following:

- (a) Except as provided in subparagraph (c) below, the Producer shall have the right to use a High Budget SVOD Program on any consumer pay platform (including any domestic or foreign subscription video-on-demand consumer pay platform that is related to or affiliated with the subscription video-on-demand consumer pay platform on which the High Budget SVOD Program was initially exhibited) without payment of residuals.
- (b) Except as provided in subparagraph (c) below, Producer shall have the right to use a High Budget SVOD Program on any free-to-the-consumer, advertiser-supported platform without payment of residuals.
- (c) If a High Budget SVOD Program is initially exhibited simultaneously on a free-to-the-consumer, advertiser-supported platform and the subscription video-on-demand consumer pay platform (including any domestic or foreign subscription video-on-demand consumer pay platform that is related to or affiliated with the subscription video-on-demand consumer pay platform on which the High Budget SVOD Program was initially exhibited), then Producer shall have a twenty-six (26) consecutive week period of use on the subscription video-on-demand consumer pay platform (including any domestic or foreign subscription video-on-demand consumer pay platform that is related to or affiliated with the subscription video-on-demand consumer pay platform on which the High Budget SVOD Program was initially exhibited), commencing with the first day of use on the subscription video-on-demand consumer pay platform, without the payment of residuals.

If the Producer uses the High Budget SVOD Program on a consumer pay platform beyond such twenty-six (26) consecutive

week period, then Producer shall pay to the Motion Picture Industry Pension and/or Health Plans 5.4% of the “Producer’s gross,” as that term is defined in Paragraph 3 of the “Sideletter re Exhibition of Motion Pictures Transmitted Via New Media,” realized from any subsequent license which includes use on consumer pay platforms, which “gross” is attributable to use on consumer pay platforms beyond the twenty-six (26) consecutive week period, measured from the first day of use on the subscription video-on-demand consumer pay platform under the first license.

Notwithstanding the foregoing, Producer shall have the right to exhibit a High Budget SVOD Program (including any one-time program or the first three (3) episodes of a new series) simultaneously on a free-to-the-consumer, advertiser-supported platform and the subscription video-on-demand consumer pay platform (including any domestic or foreign subscription video-on-demand consumer pay platform that is related to or affiliated with the subscription video-on-demand consumer pay platform on which the High Budget SVOD Program was initially exhibited) for a period of seven (7) consecutive days for the purpose of promoting the High Budget SVOD Program, without triggering payment of residuals as provided in the preceding paragraph.

- (d) Paragraph F.(2) of this Sideletter regarding reuse of New Media productions in traditional media shall apply to High Budget SVOD Programs.
- (e) Paragraph F.(3) of this Sideletter regarding the tests for triggering Supplemental Markets payments and the proration provisions in XXVIII of the Basic Agreement shall apply to residual payments due under this Paragraph G.(5).
- (f)
 - (i) The following shall apply to a High Budget SVOD Program (other than a pilot, episode of a series or part of a mini-series) produced during the term of, and subject to, this Agreement that is:
 - (A) 96 minutes or longer with a budget in excess of \$30 million (in excess of \$45 million for an animated High Budget SVOD Program) [*budget thresholds to*

be increased by the wage increases in each year of the Agreement¹²];¹³

- (B) intended primarily for use on a subscription consumer pay video-on-demand new media service;
 - (C) subject to a license agreement with an SVOD service with more than 1,000,000 domestic subscribers, which license agreement was entered into on or after January 1, 2019 (or, in the absence of a license agreement, the principal photography of which commences on or after January 1, 2019); and
 - (D) produced with employees employed by Producer under this Agreement, as defined in Article XXVIII.(c)(1)(iii) of this Agreement and as further clarified in subparagraph (g) of Article XXVIII. of this Agreement.
- (ii) If such Program is released in theaters in the United States or Canada and an admission fee is charged to view the

¹² The budget threshold for such a live action High Budget SVOD Program increases to more than \$30,900,000 effective August 4, 2019 and to more than \$31,827,000 effective August 2, 2020; the budget threshold for such an animated High Budget SVOD Program increases to more than \$46,350,000 effective August 4, 2019 and to more than \$47,740,500 effective August 2, 2020.

¹³ The budget shall be determined by the production costs, including the “above” and “below the line” costs and “pre-production” and “post-production” costs. Production costs shall not include: (a) the costs of the premium for a completion bond; (b) a contingency fund not to exceed ten percent (10%) of the budget; (c) costs reimbursed by insurance; and (d) overages caused by a *force majeure* event or governmental action. Employer shall provide the IATSE, upon request, with a report of the actual expenditures of the production (“Final Expenditure Report”) and such other relevant materials as the IATSE may require which show the actual cost of the production. All information received or reviewed by representatives of the IATSE or retained professionals shall be confidential and neither the IATSE nor its representatives or retained professionals shall disclose any such information except as necessary to enforce their rights under the Agreement.

Program,¹⁴ Producer shall make a payment to the Motion Picture Industry Pension Plan¹⁵ in the amount of:

- (A) five and four-tenths percent (5.4%) of the straight time scale earnings of all employees employed on the live action High Budget SVOD Program under the Basic Agreement; or
- (B) three and six-tenths percent (3.6%) of the straight time scale earnings of all employees employed on the animated High Budget SVOD Program under the Basic Agreement.

Such payment shall be due in equal installments over eight (8) consecutive calendar quarters commencing sixty (60) calendar days following the close of the calendar or fiscal quarter in which the initial domestic theatrical release occurred. Payment of the foregoing amounts covers all theatrical exhibitions of the Program in perpetuity.

It is understood that a theatrical motion picture that is exhibited on a subscription video-on-demand consumer pay new media platform is not subject to the foregoing residual; instead, the Sideletter re Exhibition of Traditional Motion Pictures Via New Media applies.

¹⁴ It is understood that when the Program is exhibited at a film festival or charitable event, no payment shall be due hereunder if (a) an admission fee is charged only for the festival or the event (but not for the Program itself) or (b) an admission fee is charged for the Program, but no monies are paid to the Employer or the Employer's licensee in consideration for the use of the Program. In addition, the IATSE shall not unreasonably deny waivers of this provision for exhibition at an educational institution or similar circumstances.

¹⁵ The bargaining parties agree that this payment shall not reduce the minimum funding otherwise required for the Pension Plan (in other words, when determining whether the minimum funding requirement of the Pension Plan has been met, no reduction shall be made in the amount of Supplemental Markets monies that would otherwise be allocated to the Pension Plan by reason of amounts payable under this provision).

(iii) This Paragraph G.(5)(f) shall expire upon termination of the 2018 IATSE Basic Agreement.

(6) The number of subscribers in the United States and Canada shall be determined as of July 1st of each year of the Agreement. For a High Budget SVOD series, the number of subscribers that applies to the first episode of the season shall apply to the entire season in perpetuity.

H. Representatives of the IATSE shall have the right to review the budget of a covered new media production solely for the purpose of determining whether the covered new media production falls within the definition of a Mid-Budget SVOD Program as set forth in Paragraph D.(2) above or a High Budget SVOD Program as set forth in Paragraph G. above, and, if so, whether the production meets the budget break in Tier 1 or Tier 2 as set forth in Paragraph G.(3) above. Producer agrees to cooperate and provide requested relevant additional information about the budget that is reasonably available to it. All information received or reviewed by representatives of the IATSE shall be kept confidential, and neither the IATSE nor its representatives shall disclose any such information, except as necessary to enforce its rights under this Agreement.

I. “Sunset” Clause

The parties recognize that these provisions are being negotiated at a time when the business models and patterns of usage of productions in New Media are in the process of exploration, experimentation and innovation. Therefore, except as provided in the next paragraph, the provisions of this Sideletter shall expire on the termination date of the Basic Agreement and will be of no force and effect thereafter. No later than sixty (60) days before that expiration date, the parties will meet to negotiate new terms and conditions for reuse of productions made for New Media.

The terms and conditions herein applicable to High Budget SVOD Programs, other than the provisions of Paragraph G.(5)(f) herein, shall apply and remain in full force and effect, and without change, to High Budget SVOD Programs produced by the Producer hereunder, regardless of the terms or provisions of any agreement which is a modification, extension or renewal of, or substitution for, this Sideletter.
