Welcome to the new IATSE Local 728 Weekly Digest!

From the office of the Business-Rep...

Welcome to the new IATSE Local 728 Weekly Digest! In an effort to streamline and improve communication, I have with the help of our great Staff developed this digest as a way to concentrate information in a predictable and concise fashion. You'll be able to count on this weekly email digest on Fridays to keep you informed of important contract and industry updates as well as union resources.

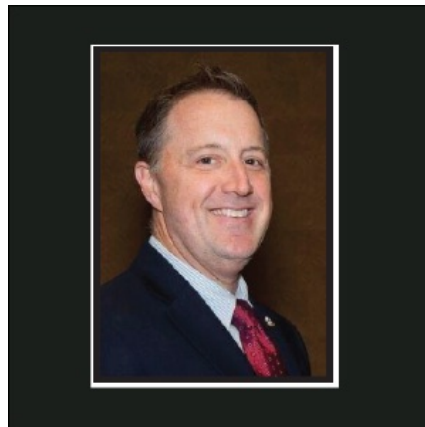

While we have cause to celebrate the end of the strikes, the damage has been done, and we will remain steadfast in our support of the membership.

We hope to see all of you tomorrow at the general membership meeting.

And most importantly, a thank you to all of our members and families who have served. We wish you a Happy Veterans Day!

In solidarity,

Greg Reeves
Business Representative-Secretary

HONORING ALL WHO SERVED

VETERANS DAY

November 11, 2023

From the office of the President...

Dear Members,

Due to typographical discrepancies on the printed ballot received by our members in our most recent election, and the potential for legal challenges of the results should the results of this faulty election allowed to stand, your Local 728 Executive Board has made the prudent decision, based on the legal advice our Local 's attorneys and the recommendation of the principal officers of this union, to rerun the 2023 election with a correct and accurate ballot, so that the results are as accurate and justifiable as possible.

In solidarity,

Martin Weeks
President
