Hello 728 Member,

The IATSE Local 728 Scholarship Fund was established to help students of 728 members pay for continuing education after high school, including college, trade school or vocational training.

The Scholarship Fund, in consultation with the Scholarship Committee, has determined the scholarship should be a guaranteed benefit of Local 728 membership. To realize this goal, we've made some changes that will streamline the application process and make the awarding of scholarships more equitable and accessible for future generations.

- Starting this year, all scholarship recipients will receive identical awards determined by the following formula:

$$\boxed{\text{Total Scholarship Fund Amount}} \div \boxed{\text{Total Number Of Applicants}} = \boxed{\text{\$\$\$ Amount Per Applicant}}$$

- Yearly awards will vary depending on the amount of money in the fund and the number of applicants, but will always be at least \$728 and at most \$5000.
- There are no academic requirements and no interviews.
- Scholarships must be used within 24 months of being awarded and may be applied to any year of undergraduate college, vocational training or trade school.
- All dependents of a living or deceased Local 728 member in good standing are eligible to apply.

We wish your loved ones good luck and are happy to help them build a brighter future.

In solidarity,

Greg Reeves
Business Representative
