Sick Dues Affidavit

Sick Dues Affidavits are for members to request Local 728 pay their quarterly dues in order to remain a “member in good standing” if one is not able to work any days in a given quarter due to illness or disability. **The member must fill out the form and submit with a separate doctor letter.**

As stated on the Affidavit for Sick Dues form, a medical doctor’s letter with the requested information verifying you have been under medical treatment & unable to work, and the dates beginning and ending treatment, must accompany your request. The doctor’s letter must be on the doctor’s business letterhead and obtain the doctor’s legible signature (*a prescription form, note from the doctor’s memo pad, or a disability medical report will not be accepted*).

Both the Sick Dues Affidavit and signed Medical Doctor’s Letter of Verification must be received in the Local office no later than two days prior to the Executive Board Meeting (earlier if possible). If you & the doctor wish to fax your form & doctor’s letter to the Local the fax number is (818) 954-0732. If you wish to mail both directly to the Local:

- ***You must be out an entire quarter to have your dues paid or reimbursed: January 1 – March 31; April 1 – June 30; July 1 – September 30; October 1 – December 31.***
- You may request Local 728 to ***pay your dues*** for the quarter (s) you will be out, or
- Having previously paid yourself, you may request Local 728 to ***reimburse*** you for the dues you paid.
- You must request a separate form for each quarter that you wish the Local to pay/reimburse your dues. (***Please do not assume the Local knows and will automatically pay your dues because you are sick or disabled, you must request it each time***).
- This Sick Dues Program is only for the quarters you **cannot** and **have not** worked. If you do work (even only one day), you must reimburse Local 728 for that quarter, which has been paid for you. When you work it is your responsibility to pay your own dues.
- Local 728 **WILL NOT** pay for or reimburse reinstatement fees (\$25.00) or late fees (\$50.00).
- **You must request Sick Dues forms. The Local will not assume you are on disability or continue to pay your Sick Dues without a new form for each request.**
- If you have requested sick dues four consecutive quarters and you are still ill or disabled and unable to work, Local 728 advises you to take an Honorable Withdrawal. Per Constitution & By-Laws Article 6, Section 7 d: “***Any member who request this Local to pay his dues because of illness or disability over four quarters shall be required by the Local to take an Honorable Withdrawal***”. If you do not take a withdrawal you will be responsible for your dues.
