In The Spotlight this week!

Contract Services' 36-Month Removal Notification

Contract Services (CSATF) began issuing notices to individuals who may be subject to removal from the Industry Experience Roster (IER) based on the seniority provisions of the IATSE Basic Agreement.

If you receive a notice from CSATF regarding your Roster status, please review it carefully and pay close attention to all protest deadlines. Local 728 sent an email to all affected members last week with detailed guidance. As is our practice, all proposed removals from the employer's roster have been formally protested.

For additional information, including frequently asked questions and available resources, please go to <https://www.csatf.org/resources-728/>. This new landing page includes the "first-of-its-kind" L728 CSATF Guidebook.
